*Index of scientific names provided by all Name Repositories (17,, name strings total).*

ASCII Media Works published 25 volumes between April 10, and August 10, under their Dengeki Bunko imprint; 22 comprise the main story, [2] [3] while the other three are short story collections. Yen Press has licensed the series in North America. A manga adaptation of the film *Toaru Majutsu no Index: Staff* and directed by Hiroshi Nishikiori, [12] and aired in Japan from October 4, to March 19, The anime covered the first six novels in the series. Funimation has licensed the series in North America. An animated film titled *A Certain Magical Index: Endymion no Kiseki* was released to Japanese theaters on February 23, The episode third season of the anime series premiered on October 5, Cross of Venus for the Nintendo DS. Index appears as a supporting character, while Mikoto is a playable character which can be made accessible through playing the game and Accelerator is featured as a boss. A 2D fighting game developed by Sega titled *Dengeki Bunko: Fighting Climax* was released in March which brings together characters from light novel series published under Dengeki Bunko imprint. Four pieces of theme music are used for the episodes: The first opening theme is "PSI-Missing" by Mami Kawada, and was used for the first 16 episodes during the television broadcast, but was changed to the first fourteen episodes in the DVD releases. The second is "Masterpiece" by Kawada, and is used in the subsequent episodes. Iuchi is once again in charge of music direction and composition for Index II. There are two parts to the story: The second part is about Mikoto Misaka and Kuroko Shirai with their "urgent business", and a duel request by a Level 3 Psychic girl from Tokiwadai. Shortly after the official release date, we had to do a reprint half the size of the original printing. It was on a Monday. I still remember it now. It was quite an achievement for an unknown newcomer".
