

1: Pearson Education - Interpersonal Messages

Description Test Bank Interpersonal Messages 4th Edition Joseph A. DeVito. For courses in Interpersonal Communication. Lively and accessible insights into interpersonal skill development.

About the Book Engaging content and features reinforce key themes Major Themes are woven throughout the study of interpersonal communication and “ taken together ” they define the uniqueness of this text: Social Media is now an essential part of our daily interpersonal communication, and as such, it affects the way we think about and talk about communicating. Social Media boxes explore topics like this, encouraging students to really observe how social media has impacted our behavior. Workplace communication and relationships are emphasized with frequent examples, illustrations, and photo Viewpoints. A variety of workplace-related topics “ such as values in the workplace as seen by long- and short-term-oriented executives , emotions at work, romantic relationships in the workplace, and workplace conflict “ are also explored. Culture, which plays such a crucial role in our interpersonal interactions, continues to be emphasized throughout the text. Issues such as the influence of culture on racism, sexism, ageism, gestures, facial expressions, and silence are examined. A new feature “ the Cultural Map “ is introduced in Chapter 2 and appears in all subsequent chapters, covering such issues as ambiguity tolerance, indulgence and restraint, and long- and short-term orientation. Choice points are those moments where a decision needs to be made between saying one thing or another, sending an e-mail or making a call, being supportive or critical, and so on. Interpersonal Choice Points brief scenarios invite students to identify, evaluate, and write about their communication choices in each module or major section of the chapter. The choice points are now more closely aligned with the chapter learning objectives. Politeness is more than simply being a nice person “ it is a way of becoming a more effective communicator, according to scholars and business professionals worldwide. The role that politeness plays in interpersonal interactions and the skills for polite interpersonal communication are covered throughout the text. Some important discussions include politeness cues of good listeners, nonverbal messages, and face-attacking vs. Ethics adds dimension to interpersonal communication, because the messages we use have lasting effects on others. Chapter 1 introduces ethics as a basic concept in all forms of interpersonal communication. Ethical Messages boxes, in all subsequent chapters, highlight a variety of ethical issues in interpersonal communication and ask students to apply ethical principles to various scenarios. Considered here are such ethical issues as cultural practices, lying, and ways to engage in interpersonal conflict ethically. Ethical Choice Points encourage readers to identify, consider, and evaluate their interpersonal communication choices in different contexts. Skills for improving interpersonal communication are essential to all text discussions. With this in mind, Skill Development Exercises extend the learning and help students apply the material in the chapter to specific situations and, thereby, increase and perfect their own interpersonal skills. Skills are also highlighted in the glossaries and summaries at the end of the chapters. Skill Development Exercises now appear at the end of each chapter. New topics include using impression management strategies, responding to empathy, estimating height, using nonverbal messages, making small talk, making introductions, apologizing, giving and receiving compliments, and giving and receiving advice. Learning Objectives appear at the beginning of each chapter, with each major heading, and in the end-of-chapter summaries. These objectives highlight the major concepts and skills, and identify the three major levels of thinking used throughout the text: In a Nutshell summary tables and bulleted lists throughout the text summarize major sections, making it easier for students to review section content and commit it to memory. New and revised figures and models help illustrate such concepts as self-concept, self-esteem, perception, impression management, the power of nonverbal communication, and conflict management. MediaShare offers an engaging online environment where students can interact with both peers and instructors. Mobile-friendly and structured like a social network, MediaShare facilitates interactive learning by making it easier than ever for students and instructors to share and comment on speeches, group projects, outlines, and more. Users can upload original content for peer and instructor feedback, or embed YouTube content with just a few clicks. PersonalityProfile allows students to evaluate their communication

style. With PersonalityProfile, instructors can show learning and growth over the duration of the course. Writing Space provides everything you need to foster better writing, all in one place.

New and Updated Features New and revised figures and models help illustrate such concepts as self-concept, self-esteem, perception, impression management, the power of nonverbal communication, and conflict management. **Highlights of Chapter-by-Chapter Revisions** Chapter 1, Foundations of Interpersonal Communication, includes new research about the benefits of studying interpersonal communication to professional success, expanded coverage of the importance of interpersonal communication in both online and offline environments, and more information on making reasoned choices and being an effective code switcher. Chapter 2, Culture and Interpersonal Communication, features a new visual of the various factors that account for the importance of culture in interpersonal communication, as well as a new explanation that clarifies the difference between ethnic identity and race. The table on communication between those with and without general disabilities has been shortened to a bulleted list. Chapter 3, Perception of Self and Others, contains two new figures that illustrate the sources of self-concept and impression management goals and a Cultural Map on ambiguity tolerance. The chapter also includes new coverage on comparison with others and reflections of self-esteem on social media sites, as well as new material on attacking self-destructive beliefs. Chapter 4, Listening in Interpersonal Communication, includes a new Cultural Map on politeness, a reorganized and streamlined section titled Four Listening Styles, and a new Skill Development Exercise on empathic listening. The table on communication between those with and without hearing impairments has been shortened to a bulleted list. Chapter 6, Nonverbal Messages, features a new table that shows five types of body movements and a thoroughly revised section on time, divided into psychological, interpersonal, and cultural. Also included are an integrated self-test on psychological time and a Cultural Map that shows long-term versus short-term orientation across the world. The chapter ends with a new Skill Development Exercise on height and the messages it sends to others. The table on communication between those with and without visual impairment has been shortened to a bulleted list. Chapter 7, Emotional Messages, includes a new Cultural Map on indulgent and restraint orientation and updated research in the section on computer recognition of emotions. Chapter 8, Conversation Messages, includes a new subsection on the Principle of Cooperation previously in Chapter 2 and new coverage about the Rule of Reciprocity. This chapter also includes a new Cultural Map on the topic of apologies as well as new Skill Development Exercises on opening and closing conversations, making apologies, and giving or receiving compliments. Chapter 9, Interpersonal Relationships, contains new coverage on social penetration theory with an accompanying figure and a new Cultural Map on relationship length. Chapter 10, Interpersonal Relationship Types and Theories, includes a new section on friends with benefits, a Cultural Map on masculine and feminine orientation, and new research about online dating and friendships. Chapter 11, Interpersonal Conflict Management, introduces new coverage on social allergens and includes a new Cultural Map on success. The Stages of Conflict Management section is thoroughly revised to center the discussion around the theme of choices.
