## 1: Godly Ambition : Alister Chapman :

*Intellectual History and Religious Belief*, eds. Alister Chapman, John Coffey, and Brad S. Gregory (Notre Dame, Ind.: University of Notre Dame Press, ), "Introduction", with John Coffey, in *Seeing Things Their Way: Intellectual History and*

But it may be just as important. True, his office does not have the same powers as the White House, and Britain does not have the same international standing as the U. We should hope that it proves to have been one of the most important elections in history. It has the potential to change the world. His decision to take up boxing had good reason. That Khan did so shows how much the country has changed. Many white Londoners preferred a Muslim son of a bus driver to his opponent Zac Goldsmith, a white scion of the English establishment. Muslim terrorists had killed fifty-six and injured hundreds in London on July 7, Yet its residents believed what their teachers, their experience, and most of their politicians had told them: South Asian migrants to Britain went through three phases as they built their lives there. The first was survival: The second was political: The third was religious: Some voted for Khan precisely because he is a member of an ethnic minority, seeing him as particularly qualified to govern a diverse city. Khan is an observant Muslim, but he has also drawn the ire of some of his co-religionists for his support of socially liberal legislation. He is highly visible proof that Islam and democracy can go together. Like Obama, he offers hope to people who have felt excluded as a result of their ethnicity. Better yet, he offers that same hope to people who have felt excluded because of their religion, especially to Muslims trying to reject the tag of terrorism. In Britain, articles focused on the challenges facing the new mayor. Perhaps it is best not to celebrate too much, or hope too much: His voice will carry to Paris, Berlin, Budapest, and further. He said that his election sent a message to all the "haters in Iraq and Syria. Five hundred years ago, you were just as likely to find tolerance in Muslim lands than in Christian ones. Sadiq Khan offers our best hope yet for recasting Islam in the public imagination. May he prove to be the most effective war on terror yet.

## 2: Project MUSE - Seeing Things Their Way

*Mark Noll and Alister Chapman deal respectively with British influence on the writing of religious history in America and with the relationship between intellectual history and religion in modern Britain.*

## 3: A Few More Cheers (and Prayers) for Sadiq Khan, Please | HuffPost
