

## 1: Facebook who deleted me? Find out who unfriended you with this app

*Latest Updates 5 More Posts From If Social Media Existed In The Past February 7th Some more of what may have been posted on social networks had they been around at the time of famous historical people and events.*

Some sites do not offer an opt-out procedure. These sites typically are based outside of the US, and all of them are aggregation sites. They collect their information from social networks, public search results, and the major people search databases listed above. Can you delete Google search results for me? Does DeleteMe completely remove my name from the Internet? We cannot delete your name by itself, only in connection with your contact information address, phone number, etc. It is part of the public record, and we cannot delete it. Under our current system of law, certain information is public and cannot be made unpublic. We do as much as we can within the bounds of the law. Does DeleteMe remove my info from Google search results? The post is actually hosted on the website that Google links to. Google does not have the file, nor can it delete the file. Once you take down a piece of content, Google and other search engines will naturally filter it out of search results. Google will approve or deny it within about 48 hours. Unfortunately, that type of content is not something that the DeleteMe service can remove from the web. DeleteMe removes basic personal contact information from people search sites only. However, we do have a guide for either removing the item or pushing it down in search results. In our legal system, almost all lawsuits and hearings are part of the public record. Unless you have a unique situation where your record was expunged or the case record was sealed, the fact that you were involved in a lawsuit is public knowledge. Generally, you cannot get a defamatory item removed without legal documentation supporting your claims. If the claims 1 are presented as facts and not opinions, 2 are actually false and you can prove it, and 3 have caused actual, provable damage to your reputation, you may want to speak with a First Amendment attorney. Will the DeleteMe service also remove my name from the cross-reference of my relatives? If the family member listed is interested in helping you remove your info from the web, we offer a free online DIY guide. Unfortunately we do not remove content listed on Blockshopper and Mylife. How do I opt-out of Blockshopper? They fall into the same legal category as birth certificates, marriage licenses, lawsuits, business filings, and other records that the law deems "public. It frustrates people and it seems like a major invasion of privacy. You can read more about this sort of thing here: Blockshopper FAQ They note on their website that "We do make exceptions to this rule, for certain government officials, law enforcement and public safety workers see more here, individuals under court protection orders, or individuals with officially documented stalkers or other threats, for instance. If you do fall into one of these categories, you can contact us in the following ways: Email Scarlett Simpson scarlett@blockshopper.com. No cover sheet required. Mail to our St. If you are under an order of protection or consider yourself under some other threat, please include some documentation like a police report in your email. How do I opt out of MyLife? Although we do not remove from MyLife we do have instructions for you to remove your information yourself. To remove your listing yourself, call MyLife at 1-800-451-1111 and press 2 to speak to an adviser. Have the following information on hand: Tell them that you want your listing removed and provide the information that they ask for. Once they confirm removal, the listing will be off the site in days. About people search Sites 1. What are people search sites? How do they get my information in the first place? Data brokers compile all kinds of personal details about you and neatly package it up to sell. These sites can have everything from your name and address, to shopping habits and religious views. Social networks Marriage licenses and divorce decrees Unsealed lawsuits or legal actions Criminal records.
