

1: 40 of the Best Songs Inspired by Books | Scottish Book Trust

Series was designed to cover groups of books generally understood as such (see Wikipedia: Book series). Like many concepts in the book world, "series" is a somewhat fluid and contested notion. Like many concepts in the book world, "series" is a somewhat fluid and contested notion.

I put down the book, looked out the window and saw clouds too, and I immediately started writing the song. I had no idea that the song would become as popular as it did. Since then, it has never been out of print, and its animated adaptation has emotionally scarred millions of UK adults who grew up in the late 20th century. The song was written by singer-songwriter Mike Batt and recorded by Art Garfunkel. Despite this challenge, "Bright Eyes" haunts our childhood memories too much to leave off this list. His cause attracted the attentions of a writer who helped him to publish his autobiography. Rubin sent a copy to Bob Dylan. When Seeger woke up the next morning, he found "Tom Joad" written in the typewriter and Woody Guthrie passed out on the floor. This song, from the album *Odessey and Oracle*, is a retelling of the William Faulkner short story, first published in April. The bouncy melody stands starkly at odds with the sobering story of a young woman whom everyone wants to be, secretly suffocating in her own misery and loneliness. Initial reviews were mixed, even calling it a "disgusting absurdity". However the novel has never been out of print and lauded by some as the start of science fiction. Perry has said that the song was inspired by the book and her wish to be shot across the sky as a firework when she dies. Sound like a certain young lady from Kansas? When Stevie Nicks bought *Triad* by Mary Leader she thought the name Rhiannon was pretty enough to have a song in its honour. She did so in Malibu in a few months before joining Fleetwood Mac. John Lennon discovered the book during a trip to a book shop to buy some works of Nietzsche. That album concerns itself with attitudes and towards the benefits and perils of modern technology. Band member Trevor Horn says this stand out track from the album is inspired by *J*. The boy comes upon an opera singer living destitute now her professions is no longer needed. Ultrasonic music killed the opera star, as it were. It came to popular attention again in the late s when obscure music guru Quentin Tarantino used it as the title track for his Blaxploitation homage *Jackie Brown*. I think it is especially true in the world of hip hop, because we get blinded by these illusions. Hinton wrote some amazing books about gang culture, violence and teen alienation in mid-century America. The song has a connection to another literary work: Apparently, the band had been listening to an audiobook of the novel on their bus during a tour post-*The Bends*. Tolkien *Curly*, hobbit-like locks aside, the connection between iconic rock band *Led Zeppelin* and *J*. The title appears in the second book of *Paradise Lost* where it references an undefined threat. The song describes atrocities committed throughout history, including the trial and death of Jesus, Robert F. Written in the first person from the perspective of the Devil himself, the song led some to label the Stones as devil-worshippers, something Jagger later reflected on, stating: Shining a light on an area of sexuality not openly discussed or accepted in American society at the time, the song inspired a host of future bands to embrace sexuality in their work. In the book, Pynchon parodied poems of American optimism, corporate can-do aphorisms and the cult of personality. The band also played on these themes in their famous video for the song, which became one the first eye-catching music videos, in , on a new TV station called MTV. It was my Alice moment, heading down the hole. These things are never really gone, no matter how far down you bury them. Here, we also introduce to the album the fairly prominent metaphor of death Submit your vote in our Book Week Scotland poll by [Subscribe to our monthly e-updates for book lovers](#) Enter your email address:
