

1: John Lindsey Brassfield () - Find A Grave Memorial

*J. L. Brassfield, 33 Adeline M. Brassfield, 12 Milly P. Brassfield, 10 Margaret J. Brassfield, 8 Milly P. Brassfield, 63 Note*** At the time of his Civil War.*

Holiday Bears Each year we are fortunate to help families in our own Brassfield school community celebrate the holidays. Bears are available in the front office with Ms. Please stop by and select a Bear or two to support this holiday season! Track 1 Bear items are due November 26th. Track 2, 3 and 4 Bears will be due December 10th. Cookie Boxes C is for Cookie Calling all bakers to prepare some delicious cookies and bring to school on December 7th. We will then prepare boxes with a variety of cookies and a beautiful bow and then distribute to all teachers and staff. These funds are necessary to sustain the PTA sponsored programs and activities throughout the school year, all of which would be non-existent without your help and support. If you requested a receipt and do not receive it by then, please email brassfieldespta gmail. Masterpiece Monday Volunteer Opportunity If you are interested in helping display student artwork in the frames throughout Brassfield, Ms. Pakes would love to have your help at our next Masterpiece Monday framing event on Monday, November 19th! We will begin during student arrival time. Volunteer time is flexible, so please drop in whenever you are available. There will be coffee and breakfast items to munch on while we work. Please let us know that you are interested in attending by using this link. Thank you so much for any help you are able to provide in showcasing the extraordinary talent of our Brassfield artists! A registry has been created including much needed items to help the school and families get back on their feet. Donations will be accepted until November 16, Click here to view the full Brassfield Hurricane Relief flier. Click here to go directly to the South Topsail Elementary donation registry. You will need to enter the address at the registry check out: Our BRES team is limited to 18 students. Preference will be given to former participants and 5th graders during team selection. Practices officially begin after winter break. There are 19 events, but each student will focus on just events with a partner. Google classroom and event coaches will help you explore specific content. Dates and times are flexible to your individual schedules. Do you love building obstacle courses and having fun with kids while simultaneously sprinkling in social-emotional and mindfulness skills? Please consider volunteering to co-coordinate. Please contact brassfieldmorningmovementclub gmail. Chess Club Do you love to play chess or want to learn how to play? Chess Club meetings will begin Thursday, September 20th at 8: A knowledge of chess is not required - just an interest in learning or improving your game and good sportsmanship! Track 1 students - feel free to join us on the 20th if you are able; otherwise, come join in on October 4th when you track back in! Coding Club If you are one of the many families that has enjoyed our Coding Club, please consider volunteering your time to keeping this club active. Due to unforeseen circumstances, we are looking for parents and volunteers with experience in coding to lead this club. Please contact Melinda Hemphill if you are interested in volunteering. Please email school counselor, Zach Turley , with any questions.

Her Mom had needed oxygen and had been referred to a home health care agency for services. She had automatically assumed that the agency would bring the o2 and when they showed up without it her Mom went into full blown panic mode. She spoke to Mary Ellen who in her words was a Godsend. She said that she was patient and kind and bent over backwards to help. Mary Ellen explained that she needed to contact the doctor, get a script and all documentation and would be in touch as soon as possible. The family was extremely anxious thinking this would not be able to happen due to the fact that it was a weekend. They were blown away when not even two hours later the oxygen was in the home. This woman stated that as sick as her mom was, as soon as that oxygen was applied you could just see the relief go throughout her whole body. She thanked us over and over, especially grateful for Mary Ellen and the kind service rep who set everything up. She was crying when she told us this story, you could see the gratitude which is such a nice reminder of the importance of what we do every day. She especially wanted to thank Naomi who has been going above and beyond to try and get her son his machine as quickly as possible and really wanted to let us know how great Naomi has been and how appreciative she is!!! Kellie Kathy Short was very nice and explained everything to me that I needed to know and I was very satisfied with her. Thanks so much for providing excellent customer service. Lisa The people I dealt with are great - very professional, courteous, and knowledgeable. The following men showed me how to operate the machines - Chris, Matt, Myles and Vinny. You are lucky to have them. Also Annamarie McCabe was excellent. Miana was very helpful over the phone. Anonymous I am very satisfied with Dr. The CPAP machine is very quiet and the ease of use is great. Your staff is professional, knowledgeable and personal! I especially want to acknowledge Stephanie for her level of professionalism and knowledge. Stephanie took time to cover all my questions - she is your best sales rep! I am pleasantly surprised with the low level of noise your product emits. I have compared this to another family member who uses another brand out of state. Peter Sorry this is late. The technician that came to our home was very talented. He appeared very knowledgeable of all aspects of his job. You are indeed fortunate to have him in your company. You seem to have it all together. Every time I call, my call is answered promptly I am treated professionally by people who know their products and services. I recently was seen by Jeanine in the Fairfield office to be fitted for a new mask. My mom is being released from the nursing home on Thursday and she will need her transport chair. We opened it up today and a piece which connects the seat to the back just split in half. His name is Brett, and such a nice guy who went over and above. He was so helpful to us.
