To millions of Americans, the late John Ciardi was "Mr. Poet, the one who has written, talked, taught, edited, translated, anthologized, criticized, and propelled poetry into a popular, lively art," according to Peter Comer of the Chicago Tribune.

After the death of his father in 1917, he was raised by his Italian mother who was illiterate and his three older sisters, all of whom scrimped and saved until they had enough money to send him to college. In 1921, two years after his father was killed in an automobile accident, the family moved to Medford, Massachusetts, where the young Ciardi peddled vegetables to the neighbors and attended public schools. Ciardi taught briefly at the University of Kansas City before joining the United States Army Air Forces in 1941, becoming a gunner on B-24s and flying some twenty missions over Japan before being transferred to desk duty in 1945. After the war, Ciardi returned to UKC for the spring semester, where he met and married Myra Judith Hostetter on July 28 who at the time was a journalist and journalism instructor^[2]. John Ciardi was a longtime resident of Metuchen, New Jersey. If no kingdom come, A kingdom was. Such as it was This one beside it is a slum. Literary career "After the war, Mr. Ciardi returned briefly to Kansas State, before being named instructor [in 1946], and later assistant professor, in the Briggs Copeland chair at Harvard University, where he stayed until 1951. Ciardi began his long association with the Bread Loaf Writers Conference at Middlebury College in Vermont, where he lectured on poetry for almost 30 years, half that time as director of the program. His third book, *Live Another Day*, came out in 1951. In 1952, Ciardi edited a poetry collection, *Mid-Century American Poets*, which identified the best poets of the generation that had come into its own in the 1950s: Each poet selected several poems for inclusion, plus his or her comments on the poetic principles that guided the compositions, addressing especially the issue of the "unintelligibility" of modern poetry. Ciardi had begun translating Dante for his classes at Harvard and continued with the work throughout his time there. Two years later, Ciardi would have his work featured again on an album titled, *As If: Poems, New and Selected*, by John Ciardi. In 1953, Ciardi joined the English Department at Rutgers University in order to begin a writing program, but after eight successful years there, he resigned his professorship in 1961 in favor of several other more lucrative careers, especially fall and spring tours on the college lecture circuit, and to "devote himself fulltime to literary pursuits. He was the poetry editor of the *Saturday Review* from 1961 to 1967. The weekly three-minute spot on etymology was called *Word In Your Ear*. He had been a fresh, sometimes brash, voice for modern poetry, but as he approached his fiftieth birthday in 1967, he had become entrenched and his voice became bitter, sometimes bumptious. He urged his only remaining students, those at Bread Loaf for two weeks each August, to learn how to write within the tradition before abandoning it in favor of undisciplined, improvisational free verse. Ciardi was unceremoniously fired from Bread Loaf in 1967, after serving seventeen years as director, and not having missed a single year on the poetry staff since 1950. Over the past quarter century, John Ciardi has come to be regarded as a mid-level, mid-century formalist, one who was replaced in literary history by the more daring and colorful Beat, Confessional, and Black Mountain poets. Etymologies and commentary on words such as *daisy*, *demijohn*, *jimmies*, *gerrymander*, *glitch*, *snafu*, *cretin*, and *baseball*, among others, are available from the archives of their website. NPR also began making his commentaries available as podcasts, starting in November 2007. *Live Another Day*, *Mid-Century American Poets*, *Anthology* edited by Ciardi. *From Time to Time*, *Poems New and Selected*, *I Marry You*, *The Reason for the Pelican*, *How Does a Poem Mean?* *Scrappy the Pup*, *In the Stoneworks*, *I Met a Man*, *The Man Who Sang the Sillies*, *Dialogue with an Audience*, *Saturday Review* controversies and other selected essays. *Plenty and Fiddler Dan*, *Person to Person*, *You Know Who*, *This Strangest Everything*, *The Monster Den*, *Someone Could Win a Polar Bear*, *Lives of X*, *Manner of Speaking*, *The Little That Is All*, *The Divine Comedy*, All three sections published together. *A Grossery of Limericks*, *The Birds of Pompeii*, *Good Words to You*, *Poems of Love and Marriage*, *The War Diary of John Ciardi*, *Poems Left Behind*, *The Hopeful Trout and Other Limericks*, *Mummy Took Lessons and Other Poems*, *Stations of the Air*, *The Collected Poems of John Ciardi*, Edited by Edward M. From juvenile nonsense poetry to scholarly verse translations, Ciardi made an impact upon the general public. His poetry received popular approval while his academic research attracted critical kudos. Driven by his love of words and language, John Ciardi provided lively and frequently controversial offerings to the literary scene. The son of Italian immigrants, Ciardi, at age three, lost his father in an automobile accident. Ciardi recalls a peaceful youth, enlivened by the addition of Irish and Italian families to the neighborhood. His tranquil life developed into a series of bruises and black eyes as the neighborhood children clashed frequently. Once a denizen of the English faculties at Harvard and Rutgers, Ciardi, in , broke with formalized education in favor of pursuing his own literary endeavors full-time. He remained a part of the academic community through countless lectures and poetry readings each year, in addition to numerous appearances on educational television. Influenced by his favorite teacher at Tufts University, poet John Holmes, Ciardi decided early in his college career to devote time to writing verse. He turned to composing juvenile poetry as a means of playing and reading with his own children. While not sacrificing his message for popularity and renown, Ciardi nevertheless gained a large public following. Critics acclaimed the intellectual elements in his work, and the reading public derived equal meaning and relevance from his poetry. His poems reflect the quiet considerations of a thoughtful, sensitive man. They are not white-hot representations of emotion: Ciardi more often thinks about passion. His diction is less emotionally charged than it is intricately patterned. He is a cynic all right But he is not all cynic. The positive feelings do slop pleasantly through. Whittemore writes that current poetry "has gone off to make a kind of fin-de-siecle career of mental lapses, to put bright images in odd places on mostly empty pages, and to plow up acres and acres of private sensibility"; Whittemore states that since Ciardi had not "lapsed" into this new set of poetic criteria, his later work had become somewhat "unfashionable. I become unpopular with them The very fact that I would suggest [that a poet needs training] makes me a reactionary, war-loving, establishment racist out to oppress the poor. I have no answer. Known for promoting poetry, he nonetheless never shied away from denigrating what he considers unworthy verse. Such forthright criticism in shocked readers and prompted voluminous mail protest. The miracle stayed inside his head It forces me to recognize what I have done badly. More, I think, but that is already too much for the ignorantly excited. No matter how small the miracle, the hope of it is my one reason for writing. I wish it to every writer, and wish him my sense of joy in it. In spite of, or perhaps because of, his popularity with the public, Ciardi ascertained that his work met his own rigorous approval before publishing even a stanza of verse. But I get interested in things. Words have become a happy obsession. In the first volume, Ciardi indulged his interest in etymology, word derivations, and linguistic development throughout the entries. Reassessing his writing career, John Ciardi told Corner that perhaps his first works exhibit indiscriminate editing: I did not write them. He wrote "as an alcoholic drinks, compulsively. Host of "Accent," a weekly educational program presented by Columbia Broadcasting System-Television, Has given public poetry readings.

4: John Ciardi | Revolvry

John Ciardi Was a Translator, orator, critic, short story writer, author of popular children's poetry, and crafter of some of the most compelling poems in contemporary literature.

At the peak of his popularity in the early s, Ciardi also had a network television program on CBS, Accent. His father, an Italian immigrant, died in an automobile accident in , and he was raised by his Italian mother who was illiterate and his three older sisters. In , his family moved to Medford, Massachusetts , where he attended public schools. UMich awarded him their Hopwood Prize for his Homeward to America,[4] a poetry collection which he submitted under the pseudonym "Thomas Aquinas". After the war, Ciardi returned to UKC for the spring semester , where he met and married Myra Judith Hostetter on July 28 who at the time was a journalist and journalism instructor[2]. 5: How to Write a Bibliography - Examples in MLA Style - A Research Guide for Students

Robert Creeley and the genius of the American common place: together with the poet's own autobiography / by: Clark, Tom, Published: ().

Birth date[edit] Can we get his birthdate and the date of his death? It is highly ambiguous. The "i" and "a" are pronounced together, not separately thus the "c" and "i" are not pronounced as they would ordinarily be in Italian as "chee" ; "cia" is pronounced as a single syllable, "cha," and Ciardi is pronounced CHAR-dee, as John Ciardi himself pronounced it. Edward Cifelli, 15 November There never has been. The most notable Italian section of Boston is the North End, but in fact there many parts of Boston where Italians are dominant. Dont post unless you know what youre talking about. The context of his fame and declining popularity should not be generic but specific, and referenced. Facts are good to have referenced as well, but especially statements like "He was uniquely talented" and "often an exceptionally fine one" should be framed as quotes from external authorities rather than as the opinion of the encyclopedia. I encourage Alicedilfdrew and others to have at it again! Which specific things are non-neutral? Neutrality means recognized opinions about the author are given greater weight than fringe opinions about the author as opposed to equal number of good and bad opinions. That can be done even without sources. Lack of sources raises the issue of verification more so than neutrality. Alternatively, you may have many sources and the article will still have neutrality problems because the sources may be from fringe scholars who are not recognized as authorities about the literary world or Ciardi. There is no mention that Ciardi briefly hosted his own TV show, Accent. Does it count as original research? If not how would I cite it? I have never been any good at dealing with citations here anyway Please take a moment to review my edit. If you have any questions, or need the bot to ignore the links, or the page altogether, please visit this simple FaQ for additional information. I made the following changes: As of February , "External links modified" talk page sections are no longer generated or monitored by InternetArchiveBot. No special action is required regarding these talk page notices, other than regular verification using the archive tool instructions below. Editors have permission to delete the "External links modified" sections if they want, but see the RfC before doing mass systematic removals. 7: John Ciardi - Biography - IMDb

John Anthony Ciardi (CHAHHR-dee) was an accomplished and prolific poet who wrote for both adults and children, but he gained his greatest recognition as an editor, translator, and critic.

At the peak of his popularity in the early s, Ciardi also had a network television program on CBS, Accent. After the death of his father in , he was raised by his Italian mother who was illiterate and his 3 older sisters, all of whom scrimped and saved until they had enough money to send him to college. In , 2 years after his father was killed in an automobile accident, the family moved to Medford, Massachusetts, where the young Ciardi peddled vegetables to the neighbors and attended public schools. After the war, Ciardi returned briefly to Kansas State for the spring semester On July 28 he met and married Myra Judith Hostetter on July 28 who at the time was a journalist and journalism instructor. He was named instructor in , and later assistant professor, in the Briggs Copeland chair at Harvard University , where he stayed until Ciardi began his long association with the Bread Loaf Writers Conference at Middlebury College in Vermont , where he lectured on poetry for almost 30 years, half that time as director of the program. His next book, *Other Skies*, focusing on his wartime experiences, was published in His 3rd book, *Live Another Day*, came out in In , Ciardi edited a poetry collection, *Mid-Century American Poets*, which identified the best poets of the generation that had come into its own in the s: Each poet selected several poems for inclusion, plus his or her comments on the poetic principles that guided the compositions, addressing especially the issue of the so-called "unintelligibility" of modern poetry. Ciardi had begun translating Dante for his classes at Harvard and continued with the work throughout his time there. His translation of *The Inferno* was published in *Poems, New and Selected*, by John Ciardi. In , Ciardi joined the English Department at Rutgers University in order to begin a writing program, but after eight successful years there, he resigned his professorship in in favor of several other more lucrative careers, especially fall and spring tours on the college lecture circuit, and to "devote himself fulltime to literary pursuits. Citation needed He had been a fresh, sometimes brash, voice for modern poetry, but as he approached his 50th birthday in , he had become entrenched and his voice became bitter, sometimes bumptious. He urged his only remaining students, those at Bread Loaf for 2 weeks each August, to learn how to write within the tradition before abandoning it in favor of undisciplined, improvisational free verse. Citation needed Ciardi was unceremoniously fired from Bread Loaf in , after serving 17 years as director, and not having missed a single year on the poetry staff since NPR also began making his commentaries available as podcasts, starting in November Death Ciardi was a longtime resident of Metuchen, New Jersey. Here, time concurring and it does Lies Ciardi. If no kingdom come, A kingdom was. Such as it was This one beside it is a slum. His best poems in collections like his verse autobiography, *Lives of X* or the opening sequence of bird poems in *Person to Person* , or several of his love poems in *I Marry You* or the many Italian American poems that are sprinkled throughout his *Collected Poems* --all have a quietly assertive voice that pleases.

8: John Ciardi - Infogalactic: the planetary knowledge core

John Ciardi's biography and life www.enganchecubano.com Anthony Ciardi (June 24, - March 30,) was an American poet, translator, and etymologist. While primarily known as a poet, he also translated Dante's *Divine*.

After the death of his father in , he was raised by his Italian mother who was illiterate and his three older sisters, all of whom scrimped and saved until they had enough money to send him to college. In , two years after his father was killed in an automobile accident, the family moved to Medford, Massachusetts , where the young Ciardi peddled vegetables to the neighbors and attended public schools.
