8: BEST E-Books to Learn English - www.enganchecubano.com

I haven't managed to read a lot of the book, however, looking briefly into a few pages, i found it different and i must say that it looks a very interesting one. I believe that it will help me by giving me ideas to improve my learning skills regarding the English language.

9: Learning English | Boston Public Library

This is a long story for a short question but to me, the best book to learn English -and any language for that matter- is one about a subject you like and you will get lost in. It was Harry Potter for me, it might be an economics essay or an autobiography for you, but if the subject matter sticks with you, you'll find a way and you will.
