

1: Welcome to LexisNexis - Choose Your Path

Note: Citations are based on reference standards. However, formatting rules can vary widely between applications and fields of interest or study. The specific requirements or preferences of your reviewing publisher, classroom teacher, institution or organization should be applied.

The Key Number is a permanent number given to a specific point of this case law. Back To Top Law review or law journal- A legal periodical. The term law review usually describes a scholarly periodical edited by students at a law school. Legislative history- That information embodied in legislative documents that provides the meanings and interpretations intent of statutes. Citations and dates of legislative enactments, amendments, and repeals of statutes are sometimes imprecisely identified as legislative histories. More accurate designations of these citations of legislative changes, as included in codes, are historical notes or amendatory histories. Lexisnexis- A subsidiary of Reed Elsevier plc. Lexis-Nexis is a database providing the full text of court decisions, statutes, administrative materials, alr annotations, law review articles, reporter services, supreme court briefs, and other items. Key-Word searches, natural language searches, segment searches, and citator searches are available. Liability- The condition of being responsible either for damages resulting from an injurious act or for discharging an obligation or debt. Lien- A claim against property as security for a debt, under which the property may be seized and sold to satisfy the debt. Litigate- to bring a civil action in court. Loislaw- A subsidiary of aspen publishers. Loislaw is a database providing the full text of court decisions, statutes, administrative materials, and other sources. Looseleaf services and reporters- Contain federal and state administrative regulations and decisions or subject treatment of a legal topic. They consist of separate, perforated pages or pamphlet-sized inserts in special binders, simplifying frequent insertion or substitution of new material. Back To Top Malpractice- Professional misconduct or unreasonable lack of skill. This term is usually applied to such conduct by doctors, lawyers, and accountants. Mandatory authority- Authority that a given court is bound to follow. Mandatory authority is found in constitutional provisions, legislation, and court cases. Compare with persuasive authority. Microfiche- A sheet of film, usually 4 x 6 inches or 3 x 5 inches in size, containing miniaturized photographic images of printed text. The term fiche is synonymous with microfiche. Ultrafiche is a type of microfiche containing images that are reduced by a factor of 90 or more. Microfilm- A film containing miniaturized photographic images of printed text. This is usually in a reel, but may also be in a cartridge or cassette form. Microform- A general term describing miniaturized reproduction of printed text on film or paper. Microfilm and microfiche are specific types of microform. Model codes- Codes formulated by various groups or institutions to serve as model laws for legislatures, intended to improve existing laws or unify diverse state legislation. Moot point- A point that is no longer a subject of contention and that is raised only for the purpose of discussion or hypothesis. Many law schools conduct moot courts where students gain practice by arguing hypothetical or moot cases. Motion- A formal request made to a judge pertaining to any issue arising during the pendency of a lawsuit. Back To Top National Reporter System- The network of reporters published by West, which attempt to publish and digest all cases of precedential value from all state and federal courts. Natural language- An online database search strategy using normal english-language sentences or phrases instead of boolean commands. Negligence- The failure to exercise due care. Nexis provides the full text of newspaper, magazine and newsletter articles, wire-service stories, and other items. Nisi prius- Generally, a court where a case is first tried, as distinguished from an appellate court. Noter up- 1 the term used in the british commonwealth countries for a citator; or 2 the name of the updating service for fundamentals of legal research and legal research illustrated. Back To Top Obiter dictum- An incidental comment, not necessary to the formulation of the decision, made by the judge in his or her opinion. Such comments are not binding as precedent. Official reports- Court reports directed by statute. Compare with unofficial reports. Opinion- An expression of the reasons why a certain decision the judgment was reached in a case. A majority opinion is usually written by one judge and represents the principles of law that a majority of his or her colleagues on the court deem operative in a given decision; it has more precedential value than any of the following. A separate opinion may be written by one or more judges

LEGAL LAW ENFORCEMENT PERIODICALS, A DIRECTORY pdf

in which he, she, or they concur in or dissent from the majority opinion. A concurring opinion agrees with the result reached by the majority, but disagrees with the precise reasoning leading to that result. A plurality opinion called a judgment by the supreme court is agreed to by less than a majority as to the reasoning of the decision, but is agreed to by a majority as to the result. A per curiam opinion is an opinion by the court that expresses its decision in the case but whose author is not identified. A memorandum opinion is a holding of the whole court in which the opinion is very concise. Oral argument- A spoken presentation of reasons for a desired decision directed to an appellate court by attorneys for the parties. Ordinance- The equivalent of a municipal statute, passed by the city council and governing matters not already covered by federal or state law.
