1: Lg TONE ULTRA HBS Manuals

LG TONE PRO, Bluetooth® Stereo Headset (HBS), 2 Sets of Ear Gels (Small, Large), Micro USB Charging Cable (AC Adapter Head NOT Included), User Manual & Quick Start Guide, Warranty Card What People Are Saying.

Do not pull the earphone cable with excessive force. If the product is exposed to excessive sweat, clean the product. Keep the earbuds clean. For your safety, do not wear the product while it is being charged. Qualcomm aptX audio is Bluetooth wireless technology that provides clearer audio for listening to music and watching movies. Qualcomm aptX audio is automatically enabled when a mobile phone or audio device supports it. You will hear a sound with each press of the Volume jog switch, depending on the volume level: Indicator Lamp Multiple Connections The HBS can be connected to two devices, such as a mobile phone and a computer, at the same time. The HBS will not vibrate if the Vibration function has been turned off. If you make a call using a mobile phone, the call is automatically connected to the HBS The Voice Dial and Redial functions work on the Main Connected Device or on the device on which you made the last call. The Voice Dial and Redial functions may work differently depending on the mobile phone being used. Indicator Lamp Purple Blue Battery Status Charging Completed Slide and hold the Volume jog switch in the volume down direction for one second to check the Indicator lamp and battery level by voice. Troubleshooting Troubleshooting Problem Solution The power does not turn on Check the battery level and charge it. If the mobile phone does not support headset and hands-free functions, Cannot make a call with the you cannot use the calling features. HBS Check the battery level and charge it. This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: Your Bluetooth headset is designed to operate in compliance with the RF exposure guidelines and limits set by national authorities and international health agencies when used with any compatible LG Electronics mobile phone. Bluetooth connection precautions The following environments affect the range and reception of Bluetooth signals: Recycling the battery in your Bluetooth headset The battery in your Bluetooth headset must be disposed of properly and should never be placed in municipal waste. The LG Electronics service partner that removes the battery will dispose of it according to local regulations.
