

1: Library A-Z | University Libraries, George Mason University

In short, Library Story Hour From A to Z is packed with exciting multisensory activities to introduce young children to each letter of the alphabet while exploring a wide range of interesting fiction and nonfiction books. These activities not only help you integrate library and classroom instruction but enliven and enrich the entire early childhood.

Heritage Square Shopping Center: A new location in the area will be coming soon. When placing your hold online, by phone or in-person, simply designate "Olathe Community Center" or "Olathe - Fire Station 6" as your pick-up location, just as you would normally select a library building. How will I know when my hold is ready? You will be notified that your materials are ready for pick-up in the same manner as you are now for other holds - either by phone or email. How long do I have to pick up my materials? As of now, you have 7 days from the date of the notification just like other holds. There is a chance this may change in the future, depending on demand. How do I check out my goLibrary holds? When you scan your library card, or type in the number, a locker door will pop open. The locker will contain all of your holds which were automatically checked out to you when you entered your card number. Please return it in the drop box below. Is there a limit to how many items I can pick up at the goLibraries? Normal checkout limits apply but there is no limit specific to the lockers. If your materials will not fit in one locker, a second may be used. No, you can return items checked out at the goLibrary just like other materials. Can I return any items to the goLibraries? It does not matter where you check out your materials. However, goLibrary material returns are locked and you will need a library card number to open it. It does not have to be the card number that was used to check out the materials. How do I use the goLibrary to check my account, browse the catalog or place holds? A touch screen set to the catalog is provided next to the lockers. You can browse the catalog or log-in with your library card and PIN to place holds or manage your account. This feature is coming soon to Olathe Fire Station 6. I am not a community center member. Can I still use the goLibrary at the community center? Membership is not necessary. What should I do if I am having trouble with the lockers? Why have my items been in-transit for several days? All items are routed through Olathe Downtown first.
