In this room you will learn how to communicate with your angel guides and find out the archangel assigned to you at birth. You will also learn about spirit guides and animal totems. It is believed that angels existed before man and that they offer guidance and protection when called upon. Angels are referenced within all faiths, each having their own Divine purpose. We invite you to discover how the angels may have played a role in your life. In fact, angels have no religion as we know it – their existence precedes every religious system that has existed on earth. They are described by a multitude of religious faiths and cited in many spiritual doctrines. A hierarchy exists within the angel realm. The Archangels are of the highest order, closest to God. The angel you are assigned at birth is an Archangel, however; many different angels work with you throughout your life. In addition, personal spirit guides are often referred to as angels. Angels are here to help us bring goodness, peace, compassion and hope into our lives. They are pure love, and they remind us that in everyone there exists love. As divine helpers, they act by delivering messages or helping us when in need. Angels guide us through our challenges and help us to navigate a smoother path. They do not take on all of our burdens and problems and make them disappear. They guide us toward a certain direction, but ultimately we must choose for ourselves which direction to take. Archangels are here to help us bring goodness, peace, compassion and hope into our lives. Learning which ones to call upon will help you to open communication with the spirit world. In fact, many psychics find that these archangels help them deliver messages during readings. As part of their many other duties, the archangels listed below will assist and guide those who seek a higher form of communication with the divine, a heightened intuition and the ability to receive and deliver messages with clarity. Michael assists in clearing and balancing the chakras and eliminating negative energies so that you may receive divine messages. Ask Michael for protection from psychic attacks or from negative energies sent to you by other individuals, commonly known as psychic vampires. Ask for their guidance and support throughout your everyday life. Ask for peace in life or just talk to them about how you feel or what you need. You cannot have anything unless you ask for it, and the same holds true for communicating with the angels. Communication is a two-way process – someone talks, another listens. What the angels have to say does not need to be heard through audible words, nor do you require psychic abilities. To hear and understand them, all you need to do is listen. Some people meditate or pray in order to hear their angels. It is believed that the angels have the miraculous ability to present themselves on Earth in human form. They do this in order to protect you from harm or to guide you toward a different path. Angels use meaningful coincidences to communicate. This is also known as synchronicity, which in short, are two or more occurrences that are not logical or causal, but they come together in a way that has deep meaning. Pay close attention to the synchronicities that occur in your life. They may contain the guidance and messages you seek. Have faith, even if you feel it is difficult to hold onto. Communicating with your angels is a joyous drive on a road that will lead you to a better and more meaningful life. You do not need to be a psychic medium to connect with your angels. All you need to do is ask for their assistance, as they are always around you. Messages from your angels are given in a positive and loving way to give you the strength to make changes and choices in your career, relationships, or in any other aspect of your life in which you need assistance. A misconception exists that angel cards are the same as tarot cards. The only real similarity is that the cards can be laid out into spreads that resemble those used in tarot readings.

3: Angel Names & Angel Meanings | Powers & Abilities of Angels

Dominions. Dominions are Angels of Leadership. They regulate the duties of the angels, making known the commands of God. Virtues. Virtues are known as the Spirits of Motion and control the elements.

Source I Believe in Angels I was raised in a Christian household, so my belief in God and supernatural existence was a given. However, during my childhood and most of my adult life I rarely considered the validity of angels until today. So, I started a journey to uncover my innermost thoughts about angels. I read a lot and thought about encounters in my life where I may have met face-to-face with an angel. At the time, I considered those encounters lightly, but now after doing some research I believe strongly, that my encounters were in fact meetings with angels. Here is what I have discovered and what I believe about angels. Angels are mentioned at least times in the Old Testament and times in the New Testament. In addition to Christ, there are nine types of angels. These angels are placed on a hierarchy scale and grouped into spheres or choirs. Seraphim singular Seraph – Isaiah 6: They praise God and represent His love. There are only four of them. Their primary mission is to protect the throne of God. They have six wings: Cherubim singular Cherub – Genesis 3: They are intercessors of God. Their mission is also to protect the throne of God. They are fierce angels. When they come to earth, they have great power of apocalyptic nature. They have four faces: Thrones – Colossians 1: The lower hierarchies of angels need the Thrones to gain access to God. Dominions – Colossians 1: They give power to heads of government and other authority figures. They have the appearance of humans with wings. Virtues – 1 Peter 3: They govern all nature and perform miracles. They provide courage, grace, and valor. Powers – Colossians 1: They are warrior angels who fight against evil. They are the angels of birth and death. Principalities – Colossians 1: Their duties include taking charge of religion, politics, and the duties of the angels on earth below them. Archangel – 1 Thessalonians 4: Angels – Throughout the Bible from Genesis to Revelation - These angels act as our personal guardian. They have the task of nurturing, counseling, and healing us. To be complete, I need to mention that there are also fallen angels, demons as we know them. I believe in them, but I do not entertain them by discussing them. Much is available on the subject of angels. Below, is a list of articles that I found valuable in helping me unravel the mystery of angels. Additional online resources about angels: I Believe in Angels: The list does not include fallen angels.

4: The Nine Choirs of Angels - Angels - Saints & Angels - Catholic Online

Angels - Ranks&Duties Q. I love the subject of Angels, especially stories of their assisting mankind in troublesome situations, or stories of their appearing to men near death.

Why did God Create Angels? Seraphim These are the highest order or choir of angels. Seraphim have six wings, two cover their faces, two cover their feet, and two are for flying. Cherubim Cherubim rank after the seraphim and are the second highest in the nine hierarchies or choirs of angels. The Old Testament does not reveal any evidence that the Jews considered them as intercessors or helpers of God. In the New Testament, they are alluded to as celestial attendants in the Apocalypse Rv Catholic tradition describes them as angels who have an intimate knowledge of God and continually praise Him. They reside in the area of the cosmos where material form begins to take shape. The lower Choir of Angels need the Thrones to access God. Dominions Dominions are Angels of Leadership. They regulate the duties of the angels, making known the commands of God. Virtues Virtues are known as the Spirits of Motion and control the elements. They are sometimes referred to as "the shining ones. They have control over seasons, stars, moon; even the sun is subject to their command. They are also in charge of miracles and provide courage, grace, and valor. They are known as potentates. They fight against evil spirits who attempt to wreak chaos through human beings. The chief is said to be either Samael or Camael, both angels of darkness. Archangels Archangels are generally taken to mean "chief or leading angel" Jude 9; 1 Thes 4: They may be of this or other hierarchies as St. Michael Archangel, who is a princely Seraph. A special part of the Byzantine Liturgy invokes the "Cherubic Hymn" which celebrates these archangels and the guardian angels particularly. Of special significance is St. Michael as he has been invoked as patron and protector by the Church from the time of the Apostles. The Eastern Rite and many others place him over all the angels, as Prince of the Seraphim. He is described as the "chief of princes" and as the leader of the forces of heaven in their triumph over Satan and his followers. The angel Gabriel first appeared in the Old Testament in the prophesies of Daniel, he announced the prophecy of 70 weeks Dn 9: He appeared to Zechariah to announce the birth of St. John the Baptist Lk 1: It was also Gabriel which proclaimed the Annunciation of Mary to be the mother of our Lord and Saviour. He announces "I am the Angel Raphael, one of the seven who stand before the throne of God. The clarity of the New Testament witness helps see that these beings were created through Christ and for Him Col 1: Angels have the capacity to access any and all other Angels at any time. They are the most caring and social to assist those who ask for help.

6: What are the names of the angels in the Bible? | www.enganchecubano.com

If fallen angels are included in the list of angels who are named in the Bible, two more names should be mentioned: Lucifer/Satan and Apollyon/Abaddon. Lucifer rebelled against God and was thrown down from heaven along with the angels who followed him.

Thrones and Ophanim The "Thrones" Greek: It is not unusual to find that the Thrones are associated, by some, with the Ophanim or Erelim from the Jewish angelic hierarchy. However there is very little evidence[clarification needed], if any, to sustain this idea. Wheels, from the vision of Daniel 7: Which then raises the question if the Ophanim are spiritual beings at all or if they are purely material beings. They appear as a beryl-coloured wheel-within-a-wheel, their rims covered with hundreds of eyes. They are closely connected with the Cherubim instead: The Twenty Four Elders in the Book of Revelation are usually thought to be part of this group of angels. **Second Sphere**[edit] Angels of the Second Sphere work as heavenly governors of the creation by subjecting matter and guiding and ruling the spirits. **Dominions or Lordships**[edit] The "Dominions" Eph. The Dominions regulate the duties of lower angels. It is only with extreme rarity that the angelic lords make themselves physically known to humans. The Dominions are believed to look like divinely beautiful humans with a pair of feathered wings, much like the common representation of angels, but they may be distinguished from other groups by wielding orbs of light fastened to the heads of their scepters or on the pommel of their swords. They are presented as the celestial Choir "Virtues", in the Summa Theologica. These angels are usually represented as soldiers wearing full armor and helmet, and also having defensive and offensive weapons such as shields and spears or chains respectively. Angels who function as heavenly guides, protectors, and messengers to human beings. **Principalities or Rulers**[edit] The "Principalities" Latin: The Principalities preside over the bands of angels and charge them with fulfilling the divine ministry. There are some who administer and some who assist. Their duty also is said to be to carry out the orders given to them by the upper sphere angels and bequeath blessings to the material world. Their task is to oversee groups of people. They are the educators and guardians of the realm of earth. Like beings related to the world of the germinal ideas, they are said to inspire living things to many things such as art or science.

7: A comprehensive listing of known Archangels, Guardian , Throne Angels

Many angels have duties within multiple triads and can appear in several choirs within the hierarchy. For clarification, the word "angel" is often used as both a generic term to describe all heavenly beings, as well as a term to describe those members closest to humans and the physical world.

Do angels help people in trouble like they are portrayed in movies and TV? The Bible does indeed say angels have helped people. They do more than that however. Angels praise Like us, they praise God Psalms. This emphasizes the holiness of God. They guard against evil One example of angels fighting evil is when an angel tells the prophet Daniel of a great conflict with a prince of Persia Dan. Since men cannot fight angels, this prince of Persia must have been a demon. He tells Daniel the prince resisted him for 21 days, and the archangel Michael came to help. An account in the Bible talks about Michael and his angels fighting Satan and his demons Rev. Although Satan and his demons are powerful, Michael and his angels are victorious. They throw the enemies down to the earth. This raises the question: This is another idea that is prevalent in society. Angels are described as caring for those who seek refuge in God Psalms. Jesus talks about how children have angels Matt. Are these angels still there for these children when they grow up? An angel rescued the disciple Peter from prison Acts Most likely God sends angels to help us but not necessarily ones that are assigned to us for life. They are messengers The angel Gabriel appears to the prophet Daniel to give important messages. One time Daniel had a vision he could not explain, so Gabriel explains it Dan. On another occasion, Gabriel tells Daniel what will happen in the end of times Dan. In the New Testament, an angel appeared to Zechariah to tell him his barren wife will give birth to John the Baptist Luke 1: Zechariah doubted this as both he and his wife were very old. Angels played an important role in the birth of Jesus. An angel appeared to Mary to tell her she will give birth to Jesus Luke 1: After Jesus was born, an angel announced the news to shepherds Luke 2: Later on an angel tells Joseph to flee with his family to Egypt after Herod orders the death of all boys under the age of 2 Matt. An angel later tells Joseph to return to Israel after the danger passed Matt. Angels also played a role in the resurrection of Jesus Matt. The angel then tells them to tell the disciples this. Are ministering spirits An angel helped the prophet Elijah 1 Kings The angel touched him and told him to eat. Elijah then saw a cake baked on stones. He ate it, and it sustained him on the journey of 40 days to Mt. Angels also carry our spirits away when we die Luke In a story Jesus told, a poor man named Lazarus died. After he died, angels carried him away to paradise and most likely comforted him. God heard the boy crying and sent an angel to comfort Hagar and Ishmael. The angel said Ishmael will become a great nation. God then created a well of water for them both. Abraham bound Isaac up and was ready to kill him. Then an angel appeared and told Abraham not to sacrifice Isaac. Another example is Balaam and his donkey Num. The donkey tried to avoid the angel, but when he tried Balaam beat him. The angel then had the donkey ask why Balaam was beating him. One of the most dramatic examples of angelic intervention is when the king of Babylon demanded people worship a golden image or be burned in a furnace Dan. When Shadrach, Meshach and Abednego refused, the king was angry and ordered them be thrown into the furnace. After being thrown in, an angel appeared with them in the furnace. The king saw it and was astonished. Shadrach, Meshach and Abednego left the furnace unharmed. Another well-known example in the book of Daniel is when administrators tried to have the prophet Daniel killed Dan. Daniel was left there all night with several lions. The next morning the king found Daniel alive and well. An angel of the Lord shut the mouths of the lions, leaving Daniel unharmed. Jesus was tempted in the wilderness by Satan after fasting for 40 days Matt. Satan tried to get Jesus to turn stones into bread, jump off a cliff and worship him. Jesus refused each temptation. After Satan left, angels ministered to Jesus in the wilderness. All these stories in the Bible sound great, but do they happen today? Are angels truly among us in this age? We have no reason to believe not.

Angels are interwoven within the culture of man. Regardless of religion or belief system, stories of angels are a part of our heritage, of the fabric that makes up human history. Recent surveys.

Michael Defend us in this day of battle! Be our safeguard against the wickedness and snares of the devil. To read the long, original version you can find it at: Stay awhile after Mass and say this prayer to St. We definitely need his help!!! When the aged Pontiff had finished celebrating Mass in his private Vatican Chapel, attended by a few Cardinals and members of the Vatican staff, he suddenly stopped at the foot of the altar. He stood there for about 10 minutes, as if in a trance, his face ashen white. Then, going immediately from the Chapel to his office, he composed the above prayer to St. Michael, with instructions it be said after all Low Masses everywhere. When asked what had happened, he explained that, as he was about to leave the foot of the altar, he suddenly heard voices - two voices, one kind and gentle, the other guttural and harsh. They seemed to come from near the tabernacle. As he listened, he heard the following conversation: The guttural voice, the voice of Satan in his pride, boasted to Our Lord: Then go ahead and do so. Do with them what you will. Michael be said at the end of "low" Mass not "high", or sung Masses throughout the universal Church, along with the Salve Regina Hail, Holy Queen ; and the practice of the congregation praying these prayers at the end of Mass continued until about , with the introduction of the new rite of the Mass. However, at the end of his Angelus message given in St. And to this same battle that the Book of the Apocalypse refers [to], recalling in front of our eyes the image of St. Michael the Archangel cf. Surely, this scene was very present to Pope Leon XIII, when, at the end of the previous century, he introduced to the entire Church a special prayer to St. Come to the assistance of men whom God has created to His likeness and whom He has redeemed at a great price from the tyranny of the devil. Holy Church venerates thee as her guardian and protector; to thee, the Lord has entrusted the souls of the redeemed to be led into heaven. Pray therefore the God of Peace to crush Satan beneath our feet, that he may no longer retain men captive and do injury to the Church. As smoke is driven away, so drive them away; as wax melts before the fire, so the wicked perish at the presence of God. Behold the Cross of the Lord, flee bands of enemies. He has conquered, the Lion of the tribe of Juda, the offspring of David. May Thy mercy, Lord, descend upon us. As great as our hope in Thee. God the Father commands you. John, III ; stop deceiving human creatures and pouring out to them the poison of eternal damnation; stop harming the Church and hindering her liberty. Give place to Christ in whom you have found none of your works; give place to the One, Holy, Catholic and Apostolic Church acquired by Christ at the price of His Blood. Stoop beneath the all-powerful Hand of God; tremble and flee when we invoke the Holy and terrible Name of Jesus, this Name which causes hell to tremble, this Name to which the Virtues, Powers and Dominations of Heaven are humbly submissive, this Name which the Cherubim and Seraphim praise unceasingly repeating: O Lord, hear my prayer. And let my cry come unto Thee. May the Lord be with thee. And with thy spirit. God of Heaven, God of earth, God of Angels, God of Archangels, God of Patriarchs, God of Prophets, God of Apostles, God of Martyrs, God of Confessors, God of Virgins, God who has power to give life after death and rest after work, because there is no other God than Thee and there can be no other, for Thou art the Creator of all things, visible and invisible, of whose reign there shall be no end, we humbly prostrate ourselves before Thy glorious Majesty and we beseech Thee to deliver us by Thy power from all the tyranny of the infernal spirits, from their snares, their lies and their furious wickedness; deign, O Lord, to grant us Thy powerful protection and to keep us safe and sound. From the snares of the devil, deliver us, O Lord. That Thy Church may serve Thee in peace and liberty, we beseech Thee to hear us. That Thou may crush down all enemies of Thy Church, we beseech Thee to hear us. Holy water is sprinkled in the place where we may be. The Shorter Version Said after Low Mass Saint Michael, the Archangel, defend us in battle; be our protection against the wickedness and snares of the devil. May God rebuke him, we humbly pray, and do thou, O prince of the heavenly host, by the power of God, thrust into Hell, Satan and all the other evil spirits, who prowl throughout the world, seeking the ruin of souls. Michael With all the holy angels! Teach us in these times of darkness! Inspire us to fight and the souls of others! Teach us to win in silence and obedience to God. Teach us to love and be faithful to Mary, Queen of

the Angels!
