Shutterstock As entrepreneurs, leaders, managers, and bosses, we must realize that everything we think actually matters. If we are seeking success, we must think successful, inspiring, and motivating thoughts. Read on to find the words of wisdom that will motivate you in building your business, leading your life, creating success, achieving your goals, and overcoming your fears. Make that one idea your life--think of it, dream of it, live on that idea. Let the brain, muscles, nerves, every part of your body, be full of that idea, and just leave every other idea alone. This is the way to success. Stop giving away your time and talents--start charging for it. The purpose of life is to give it away. Life is about creating yourself. Wisdom is knowing when not to do it. Your reaction is the problem. As of this second, quit doing less-than-excellent work. The more they succeed, the more they want to succeed, and the more they find a way to succeed. Similarly, when someone is failing, the tendency is to get on a downward spiral that can even become a self-fulfilling prophecy. Discouragement and failure are two of the surest stepping stones to success. And guess what they have planned for you? So you have to trust that the dots will somehow connect in your future. You have to trust in something--your gut, destiny, life, karma, whatever. This approach has never let me down, and it has made all the difference in my life. Winners can tell you where they are going, what they plan to do along the way, and who will be sharing the adventure with them. No reasons or principle contain it or stand against it. I want to have lived the width of it as well. Habit is what keeps you going. If you believe in yourself and have the courage, the determination, the dedication, the competitive drive and if you are willing to sacrifice the little things in life and pay the price for the things that are worthwhile, it can be done. It is the motivation we to choose that matters most. Oct 9, Like this column?

Do not wait to strike till the iron is hot; but make it hot by striking. Great spirits have always encountered violent opposition from mediocre minds. I know for sure that what we dwell on is who we become. And that is why I succeed. You must be the change you want to see in the world. What you get by achieving your goals is not as important as what you become by achieving your goals. You can get everything in life you want if you will just help enough other people get what they want. Whatever you do will be insignificant, but it is very important that you do it. Desire is the starting point of all achievement, not a hope, not a wish, but a keen pulsating desire which transcends everything. Failure is the condiment that gives success its flavor. Vision without action is daydream. Action without vision is nightmare. In any situation, the best thing you can do is the right thing; the next best thing you can do is the wrong thing; the worst thing you can do is nothing. If you keep saying things are going to be bad, you have a chance of being a prophet. Success consists of doing the common things of life uncommonly well. Keep on going and the chances are you will stumble on something, perhaps when you are least expecting it. I have never heard of anyone stumbling on something sitting down. Kettering, Engineer and Inventor So throw off the bowlines. Sail away from the safe harbor. Catch the trade winds in your sails. Losers visualize the penalties of failure. Winners visualize the rewards of success. Some succeed because they are destined. Some succeed because they are determined. Setting an example is not the main means of influencing others; it is the only means. A happy person is not a person in a certain set of circumstances, but rather a person with a certain set of attitudes. Remember that happiness is a way of travel, not a destination. If you want to test your memory, try to recall what you were worrying about one year ago today. What lies behind us and what lies before us are tiny matters compared to what lies within us. The best way to cheer yourself up is to try to cheer somebody else up. Age is an issue of mind over matter. Keep away from people who try to belittle your ambitions. Small people always do that, but the really great make you feel that you, too, can become great. The surest way not to fail is to determine to succeed. Take the first step in faith. Martin Luther King Jr. Many great ideas go unexecuted, and many great executioners are without ideas. One without the other is worthless. Sometimes you just got to give yourself what you wish someone else would give you. Motivation is a fire from within. If someone else tries to light that fire under you, chances are it will burn very briefly. People become really quite remarkable when they start thinking that they can do things. When they believe in themselves they have the first secret of success. Whenever you find whole world against you just turn around and lead the world. Being defeated is only a temporary condition; giving up is what makes it permanent. Fall down seven times, get up eight. The difference between ordinary and extraordinary is that little extra. The best way to predict the future is to create it. Anyone can do something when they WANT to do it. There are two primary choices in life: Success is the ability to go from failure to failure without losing your enthusiasm. Success seems to be connected with action. Successful people keep moving. Make yours worth catching. Do not let what you cannot do interfere with what you can do. There are only two rules for being successful. One, figure out exactly what you want to do, and two, do it. Sooner or later, those who win are those who think they can. Rather it comes as a slow crystallization of life challenges that we one day recognize as a beautiful diamond with great value to ourselves and others. Success is a state of mind. If you want success, start thinking of yourself as a success.

The sun himself is weak when he first rises, and gathers strength and courage as the day gets on. How wonderful it is that nobody need wait a single moment before starting to improve the world. Oh yes, the past can hurt. But you can either run from it, or learn from it. The mind is its own place, and in itself can make a heaven of hell, a hell of heaven. Intelligence is the ability to adapt to change. Leaders can let you fail and yet not let you be a failure. Would I rather be feared or loved? I want people to be afraid of how much they love me. Kid, there are heroes and there are legends. Heroes get remembered, but legends never die. Talent wins games, but teamwork and intelligence wins championships. There will be little rubs and disappointments everywhere, and we are all apt to expect too much; but then, if one scheme of happiness fails, human nature turns to another; if the first calculation is wrong, we make a second better: Fight till the last gasp. Do or do not. There is no try. There is no try Click To Tweet Be men, or be more than men. Be steady to your purposes and firm as a rock. This ice is not made of such stuff as your hearts may be; it is mutable and cannot withstand you if you say that it shall not. Always be a first-rate version of yourself, instead of a second-rate version of somebody else. The only way to achieve the impossible is to believe it is possible. Man is only truly great when he acts from the passions; never irresistible but when he appeals to the imagination. When we strive to become better than we are, everything around us becomes better too. Just keep swimming, swimming, swimming. What do we do? We must believe that we are gifted for something and that this thing must be attained. Intelligence without ambition is a bird without wings. If something is wrong, fix it now. But train yourself not to worry, worry fixes nothing. Keep believing, keep pretending. You have brains in your head. You have feet in your shoes. You can steer yourself any direction you choose. And you know what you know. Sometimes the fall kills you. And sometimes, when you fall, you fly. For artists, scientists, inventors, schoolchildren, and the rest of us, intrinsic motivation—the drive to do something because it is interesting, challenging, and absorbing—is essential for high levels of creativity. In matters of style, swim with the current; in matters of principle, stand like a rock. Do what you do so well that they will want to see it again and again and bring their friend. Everything should be made as simple as possible but not simpler. Innovation distinguishes from a leader and a follower. The moment you doubt whether you can fly, you cease forever to be able to do it. Barrie, Peter Pan The world you desire can be won. There is only one way to avoid criticism. It is not the spoon that bends, it is only yourself. Quality is job one. The best way out is always through. If your actions inspire others to dream more, learn more, do more and become more, you are a leader. Speak softly and carry a big stick. The world owes you nothing. It was here first. You just climb up on the beast and ride. Suss, the Lorax A proud heart can survive general failure because such a failure does not prick its pride. It is more difficult and more bitter when a man fails alone. You will never plough a field if you only turn it over in your mind. Ignorance and fear are but matters of the mind—and the mind is adaptable. Genius is born—not paid. Very often, a change of self is needed more than a change of scene. Benson Very often, a change of self is needed more than a change of scene Click To Tweet Opportunity is missed by most people because it is dressed in overalls and looks like work. It is by going down into the abyss that we recover the treasures of life. Where you stumble, there lies your treasure. Learning never exhausts the mind. If you are a monk, you will become the Pope. The power of imagination makes us infinite. Luck is a matter of preparation meeting opportunity. Never ruin an apology with an excuse. Motivation is the art of getting people to do what you want them to do because they want to do it. Be curious, be conversational, be real. The secret of health for both mind and body is not to mourn for the past, not to worry about the future, or not to anticipate troubles, but to live in the present moment wisely and earnestly. Failure is the condiment that gives success its flavor. An innovator is one who does not know it cannot be done. You have to go after it with a club. You have to go after it with a club [Click To Tweet](#) Even the inside of your own mind is endless; it goes on forever, inwardly, do you understand? If we can challenge convention, we can solve any problem. Big jobs usually go to the men who prove their ability to outgrow small ones. In every job that must be done, there is an element of fun.

### 8: Positive & Inspirational Life Quotes

*Opinions expressed by Entrepreneur contributors are their own. Great quotes can be inspirational and motivational. You can use quotes to help guide your decisions in life, work and love.*

You have to juggle working with interning with studying with going to class and attempting to have a social life. Then, you graduate, and you still find yourself poor and underemployed. And if I can do it, you can do it. One thing that got me through the bad times was motivational quotes. My thinking is that they can help you too. Motivational quotes by famous people 1. As one of my mentors always says: Elon Musk I think it is possible for an ordinary person to choose to be extraordinary. He runs, like, nine ridiculously transformative, forward-thinking companies. How could anyone but a superhero do that, right? You can do the same. You should do the same! Tupac Shakur So many of us overanalyze failures -- or what feels like failures -- over and over again in our heads. This is not good because then we begin to believe we are a failure. In this quote, Tupac Shakur is telling us that just because something ends -- a job, a relationship, whatever -- life still goes on. You have the power to forget about it, and move the eff on. Martin Luther King We must accept finite disappointment but never lose infinite hope. You may not get that dream job you wanted or your boyfriend might dump you or you might not get that dream job and your boyfriend might dump you simultaneously. Whatever the disappointment is, you must remain hopeful because, after all, hope is what keeps us alive. Peter Thiel Traditions are like cliches. They may sometimes even be correct, but often they are justified by nothing except constant repetition. This is what Thiel had to say about it: It was a way to explain to anyone who would askâ€”to my parents, to my peers, and most of all to myselfâ€”that there was no need to worry. I was perfectly on track. But it turned out in retrospect that my biggest problem was taking the track without thinking really hard about where it was going. What a quandary, right? And they never speak up -- even when they know something a superior is doing is wrong and hurting the business. Your voice can make a difference. Tony Robbins You may not believe him now, but Tony Robbins is right when he says this. Get as much proven experience as fast as possible. As a dropout , who now has nearly seven years of professional experience, I know this to be true. Dharmesh Shah Success is making the people who believed in you look brilliant. They took a chance on you, so you owe them your everything to be a success. Still to this day, he pretty much is alone, he admits. Standing out is how you land jobs, how you get paid more and how you make it to the top. All of us who do creative work, we get into it because we have good taste. But there is this gap. But your taste, the thing that got you into the game, is still killer. And your taste is why your work disappoints you. A lot of people never get past this phase, they quit. Most people I know who do interesting, creative work went through years of this. We all go through this. And if you are just starting out or you are still in this phase, you gotta know its normal and the most important thing you can do is do a lot of work. Put yourself on a deadline so that every week you will finish one story. It is only by going through a volume of work that you will close that gap, and your work will be as good as your ambitions. But here I am seven years later successfully doing these things without wanting to cry every time I do. You have to be persistent. They keep going back to the court or the field. Because they love what they do. I wasted two years of my life pursuing business school, regardless of the fact that I sucked and despised at math. Business classes were all math all the time, and it made me delay doing my passion -- writing. One day, I remember calling my father crying. I needed to study something I was good at -- writing. I was told him I thought I wanted to apply to journalism school. But he was right. Take a moment to figure out where you are excelling in life, and think about giving that an honest try. Seuss You have to be odd to be No. This quote pretty much speaks for itself. Seuss was never a man of many words Steve Jobs I saved the best for last: It was awful tasting medicine, but I guess the patient needed it. Sometimes life hits you in the head with a brick. And that is as true for your work as it is for your lovers. Your work is going to fill a large part of your life, and the only way to be truly satisfied is to do what you believe is great work. And the only way to do great work is to love what you do. And, like any great relationship, it just gets better and better as the years roll on. So keep looking until you find it. It takes time to find the perfect career if there is such a thing. You have to take on less exciting gigs before you make it to Oz.

Keep testing different career paths and skill sets by freelancing. Hack freelancing until you know what it is that you want out of a career, which may not turn out to be an actual full-time, in-office gig. Funny Inspirational Quotes You can, and you should Be a unicorn Be a unicorn in a field of horses. Just when she was about to pack up and move home, devastated, she got mad. By the end of the movie, she had won her first real law case and graduated as valedictorian of her class. Yes, this is a movie, but it also has a little nugget of wise advice in it: And as it turns out, so do a lot of successful people. And they work a lot. And they save a lot -- that is, after all, how they got rich in the first place. If you have massive dreams -- like to own a football team someday -- you have to plan and save for that far, far in advance. In the words of Gary Vaynerchuk: Motivational quotes about work You can work at the same job for 49 years, and one day, they could just fire you; give you one week of severance pay, and send you on your way. They may not even want to. Maybe the company got acquired or the company is not making enough money and needs to cut staff. In life, you just never really know so take a logical chance on something you actually enjoy doing. Hustle, hustle real hard "If you can work 40 hours a week and be satisfied with what you have, more power to you. I definitely plan to work less than 40 hours a week during retirement. Do a good job The only way to get a promotion is to do your job well for a consistent period of time. Wash, rinse and repeat. Strive, burn and do everything you can to avoid being the industry standard. Even the highest industry standard. Be greater than anything anyone else has ever dreamed of you. Instead, rage against the tepidness of the mundane with every fiber of whatever makes you, you. Mediocre - meh You did not wake up to mediocre. You have the power to do more I urge each and every one of you to seek out projects that leave the world a better place than you found it. We used to design ways to get to the moon; now we design ways to never have to get out of bed. You have the power to change that.

Kennedy "Management is doing things right; leadership is doing the right things. Drucker "Example is not the main thing in influencing others. It is the only thing. Maxwell "The mark of a great man is one who knows when to set aside the important things in order to accomplish the vital ones. It is about one life influencing another. Maxwell "You have to be burning with an idea, or a problem, or a wrong that you want to right. He stays behind the flock, letting the most nimble go out ahead, whereupon the others follow, not realizing that all along they are being directed from behind. But do not care to convince him. Men will believe what they see. What great cause would have been fought and won under the banner: Both are based on authority. A boss demands blind obedience; a leader earns his authority through understanding and trust. Solomon "In the end, it is important to remember that we cannot become what we need to be by remaining what we are. It is very easy to say yes. You have to not only know what to do and when to do it, but you have to also be brave enough to follow through. No, the idea that wins is the one with the most fearless heretic behind it. Instead, teach them to yearn for the vast and endless sea. And the only way to do that is to overcome our need for invulnerability. Try to please everybody. Morgan "If you spend your life trying to be good at everything, you will never be great at anything. Agu "Whenever you see a successful business, someone once made a courageous decision. Drucker "When you put together deep knowledge about a subject that intensely matters to you, charisma happens. You gain courage to share your passion, and when you do that, folks follow. Southard "Keep your eyes open and try to catch people in your company doing something right, then praise them for it. Self-confidence can be learned, practiced, and mastered-just like any other skill. Once you master it, everything in your life will change for the better. There is no try. Aug 27, Like this column?
