Since it is a part of the Municipality of Morris-Turnberry. The map of Huron County circa from Ontario Archives locates the individual townships, city, towns and villages of the county. Click at the bottom of the page to see the map enlarged. Before then there may be church records of baptisms and burials. For the most part these are still held by the denomination who recorded them. Copies of marriage records made pre had to be sent by individual clergymen to the registrar of the county in which the marriage took place. Births to are now available [October]; dates for marriages and deaths are later. Birth and death registration was not universally carried out in the early years after its adoption. Deaths were more apt to be reported than births for several years. The more rural the area, the less likely it would be that these happenings were reported to the authorities. Images and indexes of civil registrations for the "viewable" years can be found on paid websites, and indexes only on FamilySearch. In September Ancestry. Its provision now includes Births, with 2,, records covering Marriages, with 3,, records for including Ontario county, district and Roman Catholic origins as well as province-wide civil registration. Deaths, with 2,, records comprising Ontario civil registrations of deaths, and registrations of Ontario overseas deaths for Copies of original microfilms are online at the LAC website for all censuses up to Each census database is preceded with an explanation of the geographical area covered, the amount of material retained some census division material has been lost , the questions on the census form, and whether there is a name index. Census divisions were redrawn as the population increased and more land was inhabited. One can also view censuses on microfilm at the LAC, at the Archives of Ontario see address above , or at large libraries throughout Canada. This database includes even the smallest places all over Canada and provides geographical co-ordinates and maps which extend out from the "found place". Correct spelling of a place is essential. Archives of Ontario have a web page titled "The Changing Face of Ontario" which is very hard to find without this link. This provides maps of Ontario and its divisions in the 19th century pre Confederation in and also includes links to series of historical maps of the individual counties as they were between and the s when a huge reorganization of municipalities began.
