Their athletic program is top notch, and their basketball team has multiple championship wins. The school welcomes students from grades 6 to La Salle Institute is an independent, Catholic college preparatory school serving young men in grades six through twelve. Military Academy at West Point is the oldest and perhaps the most prestigious of the federal service academies. Thomas Jefferson selected the location at the mouth of the Hudson River to protect what was then the capitol of the nation in New York. Founded in , it is also the oldest federally approved college for maritime instruction. The school is a part of the State University of New York system. Merchant Marine Academy Grades: It was established by President Thomas Jefferson in It is a preparatory four-year school to educate and train the Corps of Cadets to prepare them for a career as an officer in the United States Army. Those who attend West Point need to be nominated by members of congress. As cadets in this military school, they will wear the proper uniform while attending school and when participating in cadet activities. They will receive a free education plus a small salary each month; the amount increases each year and helps a cadet pay for everyday expenses while attending school. Upon graduation, the cadet will be required to serve five years of active duty. Cadets leave West Point having completed a formal education at the academy and having gained knowledge in military preparation. This is a training facility for U. The academy was established in Like the academy in West Point, the Kings Point site also prepares cadets but those that will serve as qualified merchant marine officers once they complete a four-year program. Other than USMMA being a place for schooling, life at the academy involves physical training, marching, military teachings and shipboard training as part of the Academy curriculum. They can either fulfill their service obligation by working on U. If graduating cadets decide on none of the other types of work, they can do labor for a maritime industry for at least 5 years. And just like a four-year college, upon graduation at an academy, a Bachelor of Science degree is awarded and the army or sea cadet is duty-bound to receive a commission in the U. Yet, the type of training here provides academic growth, leadership development and strong values â€” all for free!
