Kerala Home Exterior Design Photos The shades of blue color are used to highlight certain areas of this house to get a bluish color theme for the entire house. Purple bulbs are fitted on the left side which gives a color sensation to the house. The gate grill is ordinary and can be opened easily by sliding it. This house gets a very beautiful look with its pretty style of lighting arrangements. Landscape is made more beautiful with a small front lawn. For this Kerala home design, bathroom is designed very beautifully and neatly. It is decorated with a mixture of white and wooden brown colors. The European closet is wall mounted and is placed near the bath area. All plumbing works are done inside the wall which makes it neat. Dry clothes and towels and other essentials are placed below the storage area under the wash basin. Kerala home Living Room Designs The family living area is situated near the staircase. You can use some beautiful sofa combinations as your wish. Here shown is a contemporary bean bag and a black sofa in this area. The first floor bedrooms can be accessed directly from the living area. The color used here is green in order to give life to objects. Both ends of the room consists of study tables. Bedroom Design These days bedroom is based on certain theme colors which makes it look very beautiful. Dark orange colour is used to highlight the wall behind the bed. The shelves are created in order to decorate the room in addition to its normal use. You can see a wooden panel on the left which contains a large plane mirror. Kitchen is highlighted using the red color which is very different from all other colors used in this house. The upper shelves and the cabins got a reddish finish which gives the entire kitchen a royal look. Kitchen area is well ventilated with four windows. The Music Room Music room is usually new concept in Kerala home design. In this Kerala home design, it is occupied with a music room also. The computer is also placed in this room. This room is well decorated with excellent interior designing. The large flat LCD is mounted on the wall. The set up box and DVD player is placed on a wooden table. A texture background is given to make this interior house design more beautiful. Excellent Dining Room The dining room is well designed and perfectly decorated. The four wooden blocks on the ceiling is lighted indirectly. Dark brown coloured furniture sets are used for dining. This is a 6 person dining table in usual square shape. Wash area is just near the dining table which is also well designed. For getting the Kerala home design with estimate or cost or more details, kindly contact the architect Sanskriti Architects.
