Scotland is a country that is part of the United Kingdom and covers the northern third of the island of Great Britain. It shares a border with England to the south, and is otherwise surrounded by the Atlantic Ocean, with the North Sea to the east and the North Channel and Irish Sea to the south-west. In addition to the mainland, the country is made up of more than islands, including the Northern Isles and the Hebrides. Scottish waters consist of a large sector of the North Atlantic and the North Sea,[18] containing the largest oil reserves in the European Union. Some of the books are already unavailable and but for being scanned into digital format would never be seen again. Each page has been scanned in as a faithful reproduction of the original. This is a chance to be able to see books that would otherwise be lost to future generations. The disk contains books relating to the history, culture and heritage of Scotland. Each book is individually named on the disk and thus is easily searchable by title, and each book is individually searchable itself. Register of testaments, The Dunfermline register for The PDF will be a replica of the book in exactly the condition it was available to us - so that will necessarily mean that the book will have inevitable signs of aging. Some of the books in our collection are over years old - it is not possible to maintain a book in pristine condition for that length of time. In addition any marks made by the previous owners will also be present. We do not consider that to be a flaw of the product but rather adds to its authenticity. Searchable - Each file is fully named on the disk so it is easy to search and find a particular title. In addition each book is searchable and individual sections or pages can easily be printed. Viewing - The books will require suitable PDF software to view them, almost certainly you will already have this on your computer or device - if not such software is universally available for Free download. Sizing - Page size can be adjusted to suit your needs for viewing text or images. Printing - A completel books is printable, or individual sections or just individual pages too. Images - All images can be printed out and used as you wish. The disk contains PDF files these are electronic books which can be viewed on your computer. You can easily convert the PDF files to a similar format suitable for viewing on your Tablet, mobile phone, Kindle, eBook reader or other device using the totally free software called Calibre Please Note - Physical books are not included in this purchase; all books are scans of the original books in PDF digital format only. You will receive your disk in a protective sleeve - there is no box included. The cost of a box plus associated increase in postage and packaging would mean the price of the item would need to at least double and we find that our customers do not value a box but rather they value the contents of our disks. Shipping All items are shipped from the UK. We despatch within one business day of receiving the order, please note that whilst we can despatch purchases quickly we cannot control the delivery time it takes to reach you. For UK deliveries the standard service is second class post shipped in a secure cardboard CD mailer. For non-UK deliveries; the standard posting method is Airmail. Please be aware that Airmail delivery times can vary greatly even within the same country, there is not a standard time and please do not expect your item to arrive within a few days - it simply will not happen. The "Anticipated Delivery" date is given by eBay , not us, and quite frankly should be totally ignored because it is not a true reflection of the reality. There is an option to have tracked international shipping it is an option in the postage section of the listing - tracked delivery is far more secure, it can often be quicker but is relatively expensive; we charge just for the cost of the service plus our additional time in organising it; it is entirely optional whether you make use of that service or not. Satisfaction Guarantee We feel certain you will be delighted with your purchase. If however for any reason you have cause for concern then please contact us. We are always happy to resolve any issue to your satisfaction and offer a full no-quibble money-back guarantee. We purchase many different items ourselves on eBay and understand the need for quality customer service. Please note - before contactIng us with a query that the disk is intended to be use on a computer only with suitable PDF reader software - it will not work on a

home DVD player connected to your TV. So please be aware of the following: Anticipated delivery is set by eBay not us and should be ignored. There is no set time for when your Airmail item will arrive. It may be 2 weeks, it may be 4 weeks yes items can often take that long to be delivered ; but almost certainly it will not be 5 days. Tracking will make the delivery more secure but does not necessarily speed up the delivery time we charge extra for tracking simply because that is what Royal Mail charge us. For any queries please feel free to send us a message using the eBay message system. Scotland History Genealogy, Author: High amount of views.
