Description The latest novel from the 1 internationally best-selling author of *The Alchemist*. There is nothing wrong with anxiety. Or to drive away whatever is causing our fear. Anxiety was born in the very same moment as mankind. And since we will never be able to master it, we will have to learn to live with itâ€”just as we have learned to live with storms. He has summoned the townspeople to address their fears with truth: Joy will be replaced by grief. Peace will give way to war. None of us can know what tomorrow will hold, because each day has its good and its bad moments. So, when you ask your questions, forget about the troops outside and the fear inside. Our task is not to leave a record of what happened on this date for those who will inherit the Earth; history will take care of that. Therefore, we will speak about our daily lives, about the difficulties we have had to face. This eBook edition includes a Reading Group Guide. It is Jerusalem, the year , and as French soldiers prepare to invade, a group gathers around a trite sage known as the Copt. The topics broached are wide-ranging and somewhat random: If you are never alone, you cannot know yourself. And if you do not know yourself, you will begin to fear the void. But the void does not exist. A boy, worrying he may be useless, is told: Don t try to be useful. Try to be yourself; that is enough, and that makes all the difference. Another woman decides that the time is right to ask about elegance and is told that elegance is more about how one wears clothes than the clothes themselves. If Coelho is attempting parody, he has failed, this being both too long and too broad. The wisdom to be found here could be found in many other, better places.

The city of Accra awaits the invasion of the crusaders who have surrounded the gates. There, within the city walls, men and women of every age have gathered to hear the words of a mysterious man.

Click to enlarge In , two brothers in Egypt found discarded biblical texts. In , Paolo di Canio found a further manuscript in the same area. He gave it to me, Paulo di Coelho, last year. This is what it said. Today is July 14th, , and the town of Jerusalem, in which both Jews and Muslims live, will tomorrow be attacked by the Christians. All of us are sore afraid and have gathered in the square. A bald Brazilian man with a neatly cropped beard descends from a cloud. A man asks him: Remember the Circle of Life. The gazelle may be eaten by the lion, but the gazelle eats the grass. Even the most useless of you can appreciate the shining of the sun. Unless it is raining. Learn to take pride in all your achievements, however small. If you have stayed at home in bed, delight in the fact you have not driven your car and knocked over a pedestrian. So learn to chill out. A mountain is not afraid to stay in the same place. You have nothing to lose but your limbs. Otherwise why would God have made me so handsome? Ugliness is a mask worn by hideous people who are too afraid to allow themselves to feel the Divine Energy and be loved. True Love, though, is the Love that Seduces and will never allow itself to be Seduced. And if my meaning is still unclear, email me at holdmylovepump@gmail.com. Do not chastise yourself for being quite dim. For if you were bright, you would not buy this book and I would not be loaded. So always have clean underwear and take heed that one man went to mow, went to mow a meadow. Listen to the wind, but do not forget your horse. Or your lawn mower. Think also of a shelf that collapses and breaks an array of painted vases. But do not ask why. Do not fear failure. Each day is a new beginning, so treat it as if it were your last. Would you consider the audio edition of Manuscript Found in Accra to be better than the print version? Listening to Jeremy Irons narrate was the highlight of this story. I have read print versions of other Coelho books and have had a bit of a problem following the story.

Biographical details[edit] Paulo Coelho was born in Brazil and attended a Jesuit school. As a teenager, Coelho wanted to become a writer. Upon telling his mother this, she responded, "My dear, your father is an engineer. Do you actually know what it means to be a writer? They did not do that to destroy me, they did that to save me. One year later, he dropped out and lived life as a hippie , traveling through South America, North Africa, Mexico, and Europe and started using drugs in the s. Composing with Raul led to Coelho being associated with magic and occultism, due to the content of some songs. Together they had previously spent half the year in Rio de Janeiro and the other half in a country house in the Pyrenees Mountains of France, but now the pair reside permanently in Geneva , Switzerland. I was doing something that gave me food and water â€” to use the metaphor in The Alchemist , I was working, I had a person whom I loved, I had money, but I was not fulfilling my dream. My dream was, and still is, to be a writer. In , he founded the Paulo Coelho Institute, which provides support to children and the elderly. He discussed his relationship with readers through social media platforms with The Wall Street Journal in August The following year, Coelho wrote The Alchemist and published it through a small Brazilian publishing house who made an initial print run of copies and decided not to reprint. HarperCollins decided to publish the book in Later it became an international bestseller. Three of them â€” The Pilgrimage, Hippie, The Valkyries and Aleph â€” are autobiographical, while the majority of the rest are broadly fictional. His work has been published in more than countries and translated into eighty languages. Together, his books have sold in the hundreds of millions. Though he was raised in a Catholic family, and describes himself as of that faith even now, his stance has been described as incompatible with the Catholic faith, because of its New Age , pantheist and relativist contents. De Macedo told Screen:
