Griffin, is an American writer known for his military and detection novels. He was born on November 10, and was raised in the cities of New York and Philadelphia. He has written more than thirty novels, majority of which listed in the Best-selling lists of The-Wall-Street-Journal, The New York and other distinguished lists. Up to present, he has books of fiction and non fiction under his sleeve, some of which were published under his thirteen other pseudonyms. All in all, he has created six series of novels. Currently, he has fifty million books circulating the market, majority of which are recognized for their historical credibility and dedication to the servicemen of the US-Army, both and late and of the present. After a brief training on counter-intelligence tactics in Fort Holabird in Maryland, he was stationed to the Army-of-Occupation in Germany. After his brief stint in Germany as staff of Major-General I. The Korean War, however, interrupted his studies and was recalled to-serve as an official-Army war correspondent. He was then transferred as public-information-officer for U. After he was released from service, he was awarded with the Combat-Infantryman-Badge and posted in the U. While having a very successful career in fiction writing, he has maintained his status as a veteran, garnering awards from different award-giving bodies in recognition of his contribution to the US military service. Marine Corps Combat Correspondents-Association, while in the year , he was recognized for his excellent contribution to military media and was given the Veterans-of-Foreign-Wars News-Media-Award. Writing Career While working as the Chief of Publications at Fort Rucker, Griffin started writing his first three novels, all of which become successful and was sold quickly. This led him to pursue his writing career full-time, leaving his job as Chief of Publications. The Brotherhood-of-War series is written in an almost epic format, recalling many scenes from the World War 2 and other previous wars like the Korean War, the Lebanese Conflict, the Vietnam War, among others. Most importantly, it is noted for its deliberate attention to details not necessarily involving combat, but rather the psychological changes of the characters and the dramatic highs and lows of the times. Meanwhile, Griffin spends his time both in the Gulf-Coast and Buenos Aires, trying to divide his time equally between the two areas. He and his Argentinian wife are living with his stepson travelling between the borders. Jack Reacher is back! Family secrets come back to haunt Reacher when he decides to visit the town his father was born in. Because when he visits there he finds out no-one with the last name of Reacher has ever lived there. It leaves him wondering - did his father ever live there? Opal has written over novels with multiple book series such as the Dirty Talk series and the Abducted series. Did You Know? In her late teens Agatha Christie studied to be a classical musician but was too nervous to perform.

### 2: MASH Goes to Vienna, Richard Hooker, William E. Butterworth. (Paperback )

*MASH Goes to Vienna has 79 ratings and 2 reviews. Christopher said: Though others earlier in the series provide a bit of continuity (primarily by having.*

There are also interesting interviews with the producers, editors, writers, etc. Larry Gelbart even wrote a funny introduction featuring a conversation between himself and Sidney Freedman. This book has the best color photos from the show. Father Habeebee tells the children a story of long ago, including something for each child -- something about a horse for Ali, a lamb for Rebecca, a goat for Adeeb and camels for Hababy. Alan Alda also goes into some detail about the storyboarding for "Goodbye, Farewell, and Amen. The book also includes a preface by Alan Alda. It focuses on three doctors at MASH. Of course it also features a depressed dentist Walt Waldowski who threatens to commit suicide, a company clerk Radar with ESP, and a pompous head nurse Hot Lips among others. It was written for a cast of eleven men and eleven women, featuring many of the characters from the book with some additions. This full length play is based on the original novel by Richard Hooker. Only this time in Merry Old England -- and the cast of characters includes an opera singer, an orphaned Duke, a castlekeeper, an oil baron, and the entire Bayou Perdu Council. K. Dona Antoinetta is a nearly fifty year old spinster lady who had fallen in her youth and frequently confessed her sin to an understanding priest. Dago Red and Walt Waldowski both run into Boris who decides to have an impromptu reunion of friends from the th including Hawkeye and Trapper. To Montreal they escort a motley party, determined to celebrate the most memorable wedding that ever joined a lovesick couple. Abetted by a royal prince, a drunken sheikh, a ravishing blonde diplomat, and a wacked-out cast of international misfits, the fun-loving medics unleash their own zany brand of chaos on the unsuspecting Arabs. By order of the government, Henry brings Hawkeye and Trapper along to keep Horsey and the others in line. They meet up with Hot Lips and Horsey and later meet a cast of characters including an Indian with his millionaire cowboy friend and a group driving in a lavender van. Inspired by such cronies as Hot Lips, Boris Korsky-Rimsakov, and the ebullient Dowager Duchess of Folkestone -- and with the memorable assistance from some boob-tube celebrities -- they indulge in merry mayhem and blackmail. At least one U. Senator and two TV personalities -- to say nothing of Vienna -- will never be the same. Hooker wrote this book from the first person point of view. The Swampmen are back in Spruce Harbor, Maine causing trouble as usual. Their antics include a plan to send a 40 year old lobsterman to medical school on a football scholarship and having a bear and an 80 year old physician tried for rape. The Exclusive, Inside Story of T. Reiss Copyright , Bobbs-Merrill Co. It also has episode summaries and a foreword by Alan Alda. The edition contains some material about "Goodbye, Farewell, and Amen. In the back it lists the awards that the show won from The Unofficial Quiz Book [a different version? Never Have Your Dog Stuffed: There are some good behind-the-scenes pictures too. Brain Busters from the T. A Social History of the Television Series: With an Episode Guide by James H.

*After the Butterworth series was played out, Hooker released "MASH Mania," which was a loosely structured series of short stories about the Swampmen in middle-age -- a rock-ribbed Republican middle-age, in fact, amazing though that may be to fans of the TV series, which Hooker hated.*

Please improve it by verifying the claims made and adding inline citations. Statements consisting only of original research should be removed. He joined the United States Army in His military occupation was counter-intelligence and in this capacity he served in the Constabulary in Germany, thus earning the Army of Occupation Medal. His exposure to German military and civilian aristocracy supplied much of the inspiration for such Griffin creations as Oberst Graf von Greiffenberg, who appears in several of the Brotherhood of War novels. His college days were cut short in when he was recalled to serve in the Korean War. In Korea he first served as an official Army war correspondent with the rd Infantry Regiment , then as public information officer for U. X Corps , which included the 1st Marine Division. Many of his books are dedicated to fallen comrades who died in Korea or later on in Vietnam or while serving with the international peacekeeping force dispatched during the Lebanese Civil War. Griffin is modest about his own service. My own military background is wholly undistinguished. I was a sergeant. What happened was that I was incredibly lucky in getting to be around some truly distinguished senior officers, sergeants, and spooks. After his first three novels proved successful, he left this job to pursue writing full-time. To date, he has fiction and nonfiction works to his credit. He is well-known and respected in the literary world for his thrillers and crime novels. As of July , he has been co-author of sixteen Griffin books in five different novel series. Many of his characters must battle red tape and bureaucratic mix-ups, sometimes making humorous end-runs around the system. Griffin is the co-founder of the William E. Griffin is a member of the Colby Circle, having participated in the William E. Colby Writers Symposium at Norwich University. They had a daughter Patricia and two sons John S. II and William E. Emma died from lung cancer in

### 4: W.E.B. Griffin - Book Series In Order

*MASH Goes to Vienna. Read more. MASH Goes to Moscow.*

This series consists of historical fiction, humor, war, classics, and fiction novels. Author Butterworth wrote a total of 15 books in this series, which were released between the years and The novels are actually adapted from the popular TV series of the s having the same name. This film sets the tone for the television series. As this book was not able to gather the number of audience that author Hooker had hoped for, he did not proceed further. But, as soon as the TV show became a worldwide success, Butterworth took over the book series and started writing the other books. This series can be divided into 2 segments. They took the pseudonym of Richard Hooker to publish the book in Hornberger was an ex-military surgeon, while Hein was a correspondent in the Second World War. Therefore, they were easily able to set the story around the setting of war. In the next couple of books, Hornberger has covered the story of the surgeons following their return home from war. Then the TV show happened and Hornberger did not write any further novels. Inspired by the television show, author Butterworth thought he could contribute to this series. Even though Butterworth wrote these novels all alone, the credits were given to both Butterworth and Hooker. In the books written by him, Butterworth added many other secondary characters, most of which were satirical caricatures of the public figures from the 70s. His tone seems to be much less darkly satirical, unrealistic, and more comical in a broad way. After Butterworth finished writing his final novel in the series, a final book of author Hooker was released that picked up from where he had left his last novel. Both the authors received their fair share of success from the series. Even though each had a different style of writing the same series, the readers liked both of them and enjoyed the different writing styles. All the books went on to become great successes and sold hundreds and thousands of printed copies worldwide. This book was released by the Sphere publication in the year After leaving the Army, Pierce begins working for the Veterans Administration, but leaves that too in When he turns 31, Pierce does not have much money in his bank, no job, and 3 children to take care of. On the he is about to get discharged, Trapper McIntyre comes to meet him and tells him that he is about to change his future. Pierce is arranged for thoracic training and in two years he breezes through the boards of the thoracic department. After the completion of his training, he is made to carry out an operation to see if he can pull it off. And to his own surprise, he completes the operation successfully and becomes a local surgeon. With the passage of time, Pierce starts getting more patients. Later, he begins his own private practice along with Tony Holcombe. Pierce thinks of reunion of Swamp Gang. After achieving what they were missing so badly from their lives, the team continues to practice together and move ahead in their personal lives. It was published by Pocket Books in The central characters of this novel include Mr. At the beginning of the story of the book, it is depicted that the government of France announces to give medals to numerous people with the intention of offsetting that the United States government has begun asking for the payback of the debts of the First World War. The plans seem to be working quite for the French until the come across the name of Jean-Pierre Chevaux. After the initial background research, Henry Blake is summoned by the State Secretary. Blake is informed that they require his help for keeping Jean Chevaux sober until the medal ceremony gets over. Both of them have previously worked under the leadership of Henry Blake in Korea. This is the reason why Blake is chosen to acquire the service of the men. They also take in Hot Lips and Radar on the way. After reaching Paris, the team falls into a lot of trouble and struggles to come out of the difficult situations. They establish certain contacts in the foreign lands and help make things work in their favor. This book was also praised by money for its interesting storyline and intriguing characters. Jack Reacher is back! Family secrets come back to haunt Reacher when he decides to visit the town his father was born in. Because when he visits there he finds out no-one with the last name of Reacher has ever lived there. It leaves him wondering - did his father ever live there?
