

1: Preparing for the MAT

The Miller Analogies Test Study Guide The Miller Analogies Test (MAT) is a high-level test of analytical ability that requires the solution of problems stated as analogies The MAT consists of partial analogies that are to be com-

Graduate School Admissions friend, You may have found many MAT study guides and practice tests a rip-off and waste of time. A disturbing fact is over 27, MAT test takers are rejected from graduate schools each year. Consequences of failure is extremely expensive consequences. There I was in the testing center. It was like a deer staring into the headlights of an oncoming car. You see, it was obvious. You can imagine, I almost gave-up. You must read each line. A spine-chilling reality is that popular, widely-used MAT study guides i. Did you know big name, large publishers who sell MAT study guides on Amazon and Barnes and Noble are written by corporate writers who never took your test? Sure, they list the author as a PH. If these ghost writers never took your test, how will they teach you? No wonder so many people fail over and over again. Are you losing your short MAT study time trying to memorize painfully dry, page test preparation books? Did you know the MAT test is constantly changing? Unfortunately, most test prep books and practice exams on the market are years out-of-date. A new copyright date is slapped on to an essentially unchanged new edition. You may need toothpicks keep your eyes open with during these excruciatingly long-winded, boring workshops. You start studying from the beginning. You know this is a standardized test. Therefore, your MAT test questions will cover the same, predictable set of content and professional knowledge. That is, each time this test is administeredâ€¦â€¦Lucky for you, this identical core of MAT questions and exam content will repeat on your testing date too! Anyone can follow this step-by-step blueprint to explode their score much higher. You know we have been in your shoes. We know what knowledge and test taking skills you must possess to get the score you need. I learned the real cost of not doing it right the first time. Your MAT study guide, practice questions, free bonus extras and test coaching helped me put this exam behind me. My last test I did well! However, I got the help I needed. My test mentor really knew my specific test. I got a good score my thanks to prayer and tutoring help. I tried your Testing Readiness Assessment. Your prep course content was very close to what I saw on the real thing. You gave me the test content focus I needed to get a good score. You seemed like a very assertive firm. Most of our students are getting admitted to good schools with your preparation materials which is a big improvement. Your MAT study guide and test coaching help saved me at least a few weeks of study time. I can imagine trying to get help from a bookstore manual. Trust me when I say there was no place else to get all the help I needed. The mentors and coaches were easy to contact and answered all those exam questions nobody else can. God helps those who help themselves. I was willing to do anything within reason and ethical. Your practice exams and tutor help in the Comprehensive Success System helped me succeed on my testing date. Lots of times I felt it was impossible. There are no other prep materials that lay-out the actual test content in an organized and simple format. I wish I got your sample exams 7 months ago. Thanks to your practice questions and preparation materials I did very well. I was totally overwhelmed with the vast amount of information I needed to know in order to succeed. However, your MAT prep course broke the material down and made it much easier. You saved me at least weeks of time. My goal was to study for the MAT exam every day to build confidence and knowledge. The mentors help guide you a lot, know the content inside and out, are easy to work with and very low stress people. However, working the rest of my life out a cubicle in a job I hated was not an option for me. I was hesitant because your message seemed hyped and raw for professional licensure test prep. Your MAT practice test questions matched my test better than the workshops, bookstore guides or free study materials I tried. You showed me how I can dominate in the testing center and conquer my fears. I finally get a good score! Your MAT book, practice questions and tutoring allowed me to ask crucial help questions without limits. You helped me get enough points to finally get into a good quality school. Doing well on this exam seemed impossible. I was in analysis of paralysis. I waited too many months and procrastinated by surfing online for free download materials. You got me squared away in a totally risk-free way. I needed to better provide for my family. I had been out of school for over 13 years and just finished going back to school to finish my degree. I got so overwhelmed with the wide breadth of the

content and trick questions. Even when I thought I knew the content there always seemed to be 2 answers on the test that looked correct. Rather, you showed me how to apply this knowledge to my multiple choice questions and deal with pitfalls that can sabotage my career. All in all I got a score that will make a big difference in getting into the school of my choice. I needed fail-proof study guide for the MAT to insure I succeed.

2: Best MAT Study Guides Quick Review & Comparison

One common test used for admission to graduate schools is the Miller Analogies Test (MAT). This particular test is different than most other standardized admissions test for college and graduate study in that it's very narrowly focused.

Liked how practice tests could be changed to however many questions I could do at the time, and could choose to see answers after each question or at the end of a test. Highly recommend this app and got a great score on MAT! All organizational and test names are trademarks of their respective owners.

3: Miller Analogies Test

MAT Test Study Guide with Practice Questions The test consists solely of partial analogies and must be completed in 60 minutes. The test measures general knowledge about the humanities, natural sciences, mathematics, and social science.

You have to bring two forms of identification. You must present two valid i. Your primary form of ID must be government-issued and contain both your photograph and your signature. The second form of ID is not required to have your photograph or signature. Acceptable primary forms of ID government-issued with photograph and signature include: Credit card Library card Utility bill with your name and address appearing exactly the same as on your primary form of ID Student ID If you provide false identification or misrepresent your identity at any time, you will be dismissed from the testing room and your MAT scores will be canceled. Pearson may consider further legal action in such cases. Also, be aware that admittance to the Testing Lab does not guarantee the acceptability of your forms of identification or that your MAT scores will be processed. All reported cases of questionable identification are subject to review and approval by Pearson. Pearson strongly recommends that you bring several forms of ID with you, in case a Test Administrator questions one of them. Through analogies with content from various academic subjects, MAT scores help graduate schools identify candidates whose knowledge and abilities go beyond mere memorizing and repeating information. The analytical skills measured by the MAT are key to success in graduate school and are highly valued by graduate programs. For more than 50 years, the MAT has proven to be a reliable and valid test for assessing candidates for graduate school. Predictive validity studies conducted by Pearson and by independent researchers have shown positive correlations between MAT scores and subsequent success in graduate programs. Study guides are available at local bookstores and the campus bookstore. Arrive at least 15 minutes before your testing time. If you arrive after testing begins, you will not be admitted. Listen carefully to all the instructions given by the Test Administrator and completely follow all the directions and regulations required by Pearson. Provide your Social Security number U. Failure to provide this number if you have one can delay the processing of your scores, cause difficulties for institutions receiving your scores, and also result in the incomplete reporting of previous test scores. Before taking the MAT, you will be required to check a signature box that serves the same purpose as signing your name. Ask questions before the MAT begins. You are not allowed to ask questions after testing begins. We will be more than happy to answer your questions. Be aware that you will not be permitted to leave the testing room until the scheduled end of the test except in the case of an approved special accommodation, medical situation, or emergency. It is your responsibility to completely and accurately provide all the required information when registering with us. You must register and pay the MAT fee a minimum of two days prior to the date you wish to take the test.
