Some time later, special Christmas stuffed versions of the Muppet Babies were available in Happy Meals, too. In , after the last aired Muppet Babies episode in , an episode book collection of Muppet Babies was produced from the book company Grolier. The book talked mostly about character traits and learning for young children. It was produced and ended in Both albums were produced by Hank Saroyan and Rob Walsh and featured extended versions of songs from certain Muppet Babies episodes. The first album, "Rocket To The Stars" was also a fully produced stereo story-adventure starring the Muppet Babies characters in which the songs were woven into the all new story written by Saroyan. The second album was strictly more fully produced longer versions of songs from the show. Songsâ€™Rocket To The Stars: The series lasted for twenty-six issues. The back-up stories on the last two issues, 25 May and 26 July , were drawn by Nate Butler. In , Harvey Comics acquired the rights to produce Muppet Babies comics and produced a further 3 issues restarting at issue 1. This comic was printed in digest size format, and features a number of reprinted short stories in each issue. The series itself lasted for thirteen issues from until It should be noted that the Muppet Babies appeared in some, but not all the issues.

He shows a talent for jazz in a television advert for the Renault Clio car with French footballer Thierry Henry. In another episode, Animal became hostile toward Dudley Moore when Moore tried to replace the band with a programmable, music-playing robot. On another occasion, however, Animal is starstruck by James Coburn after the movie tough-guy demonstrates his own violent streak: A common gag involves someone imparting a figure of speech to Animal: Animal turns to the audience, his eyes go wide and he goes berserk, taking the figure of speech literally. Another gag would occasionally occur when the band plays a slow song: Animal will get about halfway through and then after announcing "Too slow! The band would usually comment that Animal lasted much longer than they thought he would. Animal is a literal skirt-chaser. In *The Muppets Take Manhattan*, he chases a female student out of the auditorium, chanting "Woo-maaaaan! He also chases cars. While many Animal gags involve a role reversal, or a moment of intellectualism, others are still more subtle, such as in this piece of dialog from *The Great Muppet Caper*, where it is revealed that Animal has a passion for the impressionist paintings of Pierre-Auguste Renoir: He looks a little crazed.
