Mahalingam - Founder A legendary Gandhian by principle, a patriotic and proud son of the soil, Dr. Mahalingam is a man of pious living. His exemplary social contributions in numerous fields of socio-economic spectrum have benefitted scores of institutions and individuals inspired by him during his long career. Dr N Mahalingam is also a recipient of many awards and titles conferred upon him by various educational, social and cultural institutions. An agriculturist by birth he graduated to be an Engineer and Technologist. Through his persistent endeavor he rose to become a genius in planning and execution, eventually to be hailed as an Industrialist and Pioneer of modern sugar industry. As an Industrialist he has held several important positions and has played major roles fostering the development of agricultural, industrial, human resource and institutional development at the State and National levels. As a passionate author and a scholar he has rendered notable literary contributions. These accolades are mere prelude to the philanthropist he is. His social and humanitarian considerations took his journey beyond the boundaries of industries and scholarly tenets he nurtured. Right from his young age, N M, as he is affectionately known to all, has been inspired by the life and aspirations of Mahatma Gandhiji and the Gandhian Movement and has been reflecting the ideals of Gandhian Philosophy by thought, word and action. His work as a politician started in the s, where he gave all his energy to the Congress Party. He worked hard and his achievement as a Member of the Tamil Nadu Legislative Assembly was remarkable. He served 3 terms as MLA and served the society with sincerity and was remembered with great adulation by the people. One of his greatest achievements as an ardent Gandhian, has been the republication of the most celebrated works of the Father of our nation, Mahatma Gandhiji in Tamil, which was originally published by Dr T S Avinashilingam, an associate of Mahatma Gandhi and Maulana Azad the first Education Minister of Independent Madras Province, about 50 years ago, in 17 volumes. Dr N M assigned this noble task to his associate Gandhians and with their dedicated contributions brought out the book in 20 volumes, adding three more volumes to the original publication and arranged for its distribution among schools and colleges in Tamilnadu. His way of life, approach and execution are still inspiring our people, our institutions and of many others. Manickam, Chairman and Managing Director Dr. Manickam, the eldest son of Arutchelvar Dr N Mahalingam, has been instrumental in the extensive growth of the Group. After graduating his Masters in Statistics with distinction from the Madras University, he pursued his Management Studies at the University of Michigan following which he joined his family business along with his father in the year His contribution towards the consistent performance of the Group and its foray into multifarious fields are significant. Today, Sakthi Sugars Limited is a major producer and exporter of sugar in the country. It has four plants with a combined crushing capacity of 19, TCD. He has to his credit the institution of a world class Foundry at Pallagoundenpalayam in the year and its present capacity is MT. Manickam is currently holding many key positions in esteemed organizations. He is also the Chairman of the Governing Council of Dr. He evinces keen interest in the development of Good infrastructure in the technical institutions and the implementation of Computer based training programmes for the workforce. He has to his credit the successful operation of the Sakthi Finance, Dairy and Auto divisions and the accolade of the running the biggest Tata Dealership in Tamil Nadu. He is also member in the Indian Chamber of Commerce. Srinivaasan, the third son of Padmabushan Dr. He then took charge as the Managing Director of the company in the year He has contributed enormously to the growth and expansion of Sri Chamundeswari Sugars Limited and to the inception of its Co-generation Power Plant in the year

A tiny village, far removed from the bustling town it is today. But it was here, that P. Nachimuthu Gounder laid the foundation of the Sakthi Group. Nachimuthu Gounder broke away from his traditional business of hiring out bullock carts, into pioneering a passenger transport service. From then on, there was no looking back. Mahalingam joined the business. This young engineering graduate brought with him fresh thinking, new ideas and innovations, adding more momentum to the growth. He ventured into manufacturing, based on the service industries experience. Straddling one of the fastest growing business groups in India today, the Sakthi Group is a Rs. Its many successful member companies play a significant role in the agricultural, industrial, financial, service sector and social development of South India. In its pursuit of business excellence, the Group has always thought of its social commitment. As a dutiful corporate citizen, the Sakthi Group has set up many educational and charitable institutions, hospitals and religious centres. It has also made significant contributions to rural development with a variety of social welfare activities and by creating employment opportunities through its multi-fold agro-based and other industries. Nachimuthu Gounder in business in His untiring efforts and able guidance over the past years have made the Sakthi Group what it is today. Mahalingam in many ways is an institution by himself. A scholar, a statesman, his interest in politics, education, economics and religion are reflected in all his endeavours. Mahalingam is a man of pious living. His exemplary social contributions in numerous fields of socio-economic spectrum have benefitted scores of institutions and individuals inspired by him during his long career. Through his persistent endeavor he rose to become a genius in planning and execution, eventually to be hailed as an Industrialist and Pioneer of modern sugar industry. His social and humanitarian considerations took his journey beyond the boundaries of industries and scholarly tenets he nurtured. Right from his young age, N M, as he is affectionately known to all, has been inspired by the life and aspirations of Mahatma Gandhiji and the Gandhian Movement and has been reflecting the ideals of Gandhian Philosophy by thought, word and action. And his social mission, true to his belief in St. Vallalar, had been the pursuit of excellence be it in business or matters of the spirit. He had been instrumental in the revival and spiritual regeneration of Tamil literature. He worked hard and his achievement as a Member of the Tamil Nadu Legislative Assembly was remarkable. He served 3 terms as MLA and served the society with sincerity and was remembered with great adulation by the people. Dr N M assigned this noble task to his associate Gandhians and with their dedicated contributions brought out the book in 20 volumes, adding three more volumes to the original publication and arranged for its distribution among schools and colleges in Tamilnadu. His way of life, approach and execution are still inspiring our people, our institutions and of many others. His Social and humanitarian values, his spirit of leadership, and the will to excel, is a trait shared by his family. They closely follow his footsteps, ably running the numerous companies he has set up. With this wealth of experience, and the continued blessings of Goddess Sakthi, the Sakthi Group is poised to take on the future.
