

## 1: First Aid for the NBDE Part 1, Third Edition (First Aid Series) - AZ Dental World

*First Aid for the NBDE Part II (First Aid Series) and millions of other books are available for Amazon Kindle. Learn more Enter your mobile number or email address below and we'll send you a link to download the free Kindle App.*

The name on your IDs must match exactly the name on your application or you will be denied admission to test. If you are denied admission, you will need to submit a new application. Your previous fee will be forfeited. The eligibility requirements are outlined in the Guide. Once your application has been processed, you will receive an email notification concerning your eligibility to test and instructions for scheduling an appointment. Please check your spam folder if you are unable to locate the notification. Schedule a Time to Take the Examination Advanced Scheduling Schedule your examination appointment 60 to 90 days before your desired exam date. Please remember, you may schedule your examination appointment with Prometric only upon receipt of your eligibility notification. Rescheduling Examination Appointments Reschedule your examination appointment by contacting Prometric. Rescheduling will result in a fee paid directly to Prometric. The fees for rescheduling testing appointments are as follows: If you have concerns about scheduling issues, examination conditions, or any other unresolved problems, inform the test administrator before leaving the test center. For issues requiring further action, email [testingproblems@ada.org](mailto:testingproblems@ada.org). If you need to cancel or reschedule your appointment due to an emergency please contact the Department of Testing Services by emailing [testingproblems@ada.org](mailto:testingproblems@ada.org). The schedule change for each of the National Board Examinations is now in effect. An optional, minute scheduled break has been added to each section of the National Board Examinations. Please download and read about the schedule change information in the respective National Board Guides. This change does not affect the total testing time required for the examinations, with the exception of adding 15 minutes to Day 2 of the NBDE Part II. To compensate for the additional 30 minutes of break time, the optional scheduled lunch break has been shortened from 60 minutes to 30 minutes. Please make any necessary preparations and adjustments in anticipation of the shortened lunch break. The additional breaks occur after a specified number of questions have been answered, NOT according to the amount of time that has elapsed. Once you have answered the questions, you must review your answers to those questions before taking the optional 15 minute break. You will NOT be able to return to the first set of questions after you have finished the review. Candidates who have been granted additional time as part of a testing accommodation will not receive additional scheduled breaks, but can instead be granted additional unscheduled breaks. Joint Commission data suggest that examinees tend to spend more time on patient case testlets than on standalone items. Please make sure to pace yourself appropriately as you work through the examination, noting in particular the presence of testlets in examination sections. As a reminder, you may access your locker during scheduled breaks, but NOT during unscheduled breaks. Accessing your locker during an unscheduled break can result in the voiding of your scores and a mandatory retest wait period of up to two years. Also, download and read the following documents for additional important information.

## 2: NBDE Part I and II General Information

*First Aid for the NBDE Part 1 3rd Edition (Download Pdf) In this part of the article, you will be able to access [www.enganchecubano.com](http://www.enganchecubano.com) file of First Aid for the NBDE Part 2 by using our direct links.
