

1: Nicholas Sparks | Book | The Longest Ride

Based on the bestselling novel by master storyteller Nicholas Sparks, THE LONGEST RIDE centers on the star-crossed love affair between Luke, a former champion bull rider looking to make a comeback, and Sophia, a college student who is about to embark upon her dream job in New York City's art world.

Always had been and always would be and that was just the way it was, so why bother complaining? It was a life of dignity and honor, not without sorrows yet fulfilling in a way that few experiences ever were. I want to wake up with you beside me in the mornings, I want to spend my evenings looking at you across the dinner table. I want to share every mundane detail of my day with you and hear every detail of yours. I want to laugh with you and fall asleep with you in my arms. We still have time to make this rightâ€”We still have the rest of our lives. Two days ago, that realization had been disconcerting, but she now understood that, for Dawson, there had been no other choice. Love, after all, always said more about those who felt it than it did about the ones they loved. And for her, it visited a second time, arriving with a simple phone call, and she knew with certainty there had never been anything worse. Is that something you believe in? First love is always powerful, and for some people, that love really does last forever. The problem with that, however, is that over time, the love often becomes romanticized. I wanted to write a novel that explored that concept as well. For them, however, the new reality nonetheless left them feeling the same way about each other as they once had. And yet, they fell in love once more. Or maybe, phrasing it differently, they never fell out of love in the first place. Former high school sweethearts Amanda Collier and Dawson Cole reconnect after 25 years when their mentor, Tuck Hostetler, dies and they are summoned back to Oriental, North Carolina for his funeral. One of things that drove Amanda and Dawson apart was that they were from the opposite side of the tracks. Are class differences still a part of everyday life in a town like Oriental, North Carolina? People who intend to spend their lives together should have things in common, and like it or not, class is, and always has been, part of that, because it shapes the people that we are. With Amanda and Dawsonâ€”and many others in the real world, of courseâ€”the class differences were less important than their similarities. Neither one of them got along with their parents, both were intelligent, both had dreams, and over the years, both of them had disappointments.

2: The Longest Ride by Nicholas Sparks on Apple Books

Eleven of Nicholas Sparks's novels--The Choice, The Longest Ride, The Best of Me, Safe Haven, The Lucky One, The Last Song, Dear John, Nights in Rodanthe, The Notebook, A Walk to Remember, and Message in a Bottle--have been adapted into major motion pictures.

View Comments4 The Longest Ride: Ira Levinson is an elderly gentleman who has suffered a terrible accident that has left him trapped in his car. Ira Levinson has lived a full life during his ninety-one years. He served his country in World War II. He successfully ran his family business until retirement. He accrued one of the most valuable private modern art collections in the world. And he loved, truly loved with all his heart, spending a lifetime with his adored wife until the day God called her home. Still, none of this life experience could have prepared him for that fateful evening when he swerved off the road in a snowstorm, resulting in a horrific crash that trapped him in his car for nearly two full days. In the delirium that accompanies his painful injuries, he envisions his wife sitting beside him, gently coaxing him down memory lane as he relives their love story while awaiting an unlikely rescue. This companion to The Longest Ride also includes the following: This Analysis of The Longest Ride fills the gap, making you understand more while enhancing your reading experience. Add a Rating Sign in to use your custom avatar. The main character Sophia, was a normal college girl that was focusing, trying hard for her career, she had a really bright future in front of her. After the game, they somehow started chatting with each other, and had some chemistry. This encounter led to the first date, second date and so on. I also learnt that love never dies from that old couple that had also been in the background of the story. I recommend this book to everyone, no matter what you should give it a try! Afterwards, they went to a bar where she met Luke, a mysterious cowboy that helped her get Brian, her ex, out of the way. Luke has been injured a lot of times while bull riding, because he wants to forget about his injuries and keep riding. Sophia, on the other hand, wants to stop Luke from riding because she concerned that Luke might die on his conditions. The story really goes on when you read it, there are a lot of conflicts that happened, and people learning from their mistakes, it really teaches some great life lessons and how you could live life. I really like the writing style of this book. I like how the author uses another couple in a another time period to teach Luke and Sophia about life and love. Overall, I really liked this story, and I would read it many times and not get bored. I like how the author write and how the story can reflect to our lives easily. Telling two periods of love story at the same time. Luke is a bull rider, and Sophia is a senior who is about to graduate. However, they met each other by accident, and they somehow fall for each other. Ira has a quite difficult time, but Ruth had completely change his life, spend time with the most important woman in his life. After reading this book, you can feel that everything could be real, and it feel like it can actually happen in real life. Sophia is my favorite character in the story, because she is always thinking about other first more than herself, she is trying to help Luke to make the better decision for his life, but he refused. Even though all those things that happened to her so fastly, she can still be calm face and conquer the challenges. I recommand this book to the readers who love romance, and I also recommand to the lovers of Nicholas Sparks.

3: Nicholas Sparks The Longest Ride

The Longest Ride by Nicholas Sparks PDF Book, By Nicholas Sparks, ISBN: , Genres: Fantasy Novels Free ebook download XooBooks is the biggest community for free ebook download, audio books, tutorials download, with format pdf, epub, mobi, and more.

I used to read every single one of his books as soon as they were released. I very much enjoyed both of these parallel love stories. Ira is a 91 year old man who is stranded in a car accident waiting for help. Through his parts of the story, you hear of his epic love with his wife, his reason for living, Ruth. Then we have Sophia Danko. Sophia is a college senior who is out with some girlfriends after a break up. There, she meets a cowboy named Luke. Luke is holding on to a secret. With his bull riding, comes risk. But for him, even more than the normal. My heart hurt for these two. Sophia, Luke and his situation. The odds seemed stacked against these two at times, but I really rooted for this couple. How their stories would intertwine. I loved the way they did finally cross. It made the end that much more special and beautiful. There were tears flowing when I finished this one. I listened to the audio version of this book and I thought the narration was wonderful. It was a beautiful and emotional love story of past and present. I hope they do this story justice.

NICHOLAS SPARKS THE LONGEST RIDE BOOK pdf

4: The Longest Ride - Nicholas Sparks - Google Books

The official website of Nicholas Sparks, American novelist, screenwriter and producer. He has seventeen published novels as of September plus one non-fiction.

Nicholas was the second of three children, with an older brother, Michael Earl "Micah" Sparks born , and a younger sister, Danielle "Dana" Sparks "â€", who died at the age of 33 from a brain tumor. Sparks has said that she was the inspiration for the main character in his novel *A Walk to Remember*. He and his ex-wife are Catholics and are raising their children in the Catholic faith. By his father became a professor of business at California State University, Sacramento , and the family settled in Fair Oaks, California. After being offered a full sports scholarship for track and field , at the University of Notre Dame , Sparks accepted and enrolled, majoring in business finance. In , while on spring break, he met his future wife, Cathy Cote of New Hampshire , and then concluded his early academic work by graduating from Notre Dame with honors. Prior to those milestones, however, Sparks had begun writing in his early college years. Career[edit] Sparks decided to start writing based on a simple remark from his mother when he was 19 years old that introduced him to the possibility: You need to find something to do Granted, I read all the time, but actually sitting down and coming up with a story on my own? I was nineteen years old and had become an accidental author. He wrote another novel in , also unpublished called *The Royal Murders*. After college, Sparks sought both work with publishers, and applied to law school, but was rejected in both attempts. He then spent the next three years trying other careers, including real estate appraisal , waiting tables, selling dental products by phone and starting his own manufacturing business. In , Sparks co-wrote a book with Billy Mills entitled *Wokini: A Lakota Journey to Happiness and Self-Understanding*, [5] a nonfiction book about the influence of Lakota spiritual beliefs and practices. The book was published by Feather Publishing, Random House , and Hay House , and sales for this first book approximated 50, copies in its first year after release. It was there that he wrote another novel in his spare time, *The Notebook*. The novel was published in October and made the New York Times best-seller list in its first week of release. With the success of his first novel, he moved to New Bern, North Carolina. He subsequently wrote several international bestsellers, and several of his novels have been adapted as films: His novel, *Two by Two*, sold about 98, copies during the first week after release. Personal life[edit] Sparks and his then-wife Cathy lived together in New Bern, North Carolina with their three sons and twin daughters until On January 6, , Sparks announced that he and Cathy had amicably separated.
