Nine men's Morris, and over other indoor games, puzzles, and stunts for all ages.

This reusable set makes up to six popsicles and includes a drip guard on each stick to help protect fingers from getting sticky. Set of 6 moulds and 6 sticks. Freeze water, fruit, juice, tea, or herbs to elevate your drinks to a new level with the incredibly detailed cubes. BPA free, food-safe silicone. These plastic trays make 4 perfectly-sized ice sticks that fit right into a bottle. Hand-blown crystal-clear borosilicate glass. This flask has a twist-off cap and holds 4 ounces of liquid. The timer can count up or down. A loud second alarm sounds when the set time has elapsed. A memory function instantly recalls the last setting. The timer has a magnet on the back. Requires 2 AAA batteries included. The timer features clock and hour timer functions and straight-forward buttons to make switching between these modes simple. The most frequently programmed times are easily recalled using the memory function. The thermometer comes with a protective sheath with a pocket clip so you can clip the thermometer to your apron between readings. The thermometer features a comfort grip handle and a stainless steel step-down probe. The timer sticks to any magnetic surface. The tool has a convenient touch screen and an oven safe 40" cord. The knife is also ideal for cutting cured sausage, crusty bread rolls, and cheese. Suitable for both left- and right-handed users. The cutting board is made of strong, sustainable bamboo, and it clearly spells out the most precise measurements in exacting detail. The size of the whisk helps to create an emulsion but limits the aeration of your ingredients. It is also great for kids who want to lend a hand in the kitchen. The wire whisk blades are covered in silicone, so you can safely use the whisk with non-stick cookware. The silicone heads are safe for use on non-stick cookware. The silicone head makes the tool a suitable choice for use on non-stick surfaces. The egg ring features a hygienic and flexible silicone ring and a sturdy, stainless steel handle. Place the egg ring in a skillet, break an egg into it, and cook. Resistant to scratches, stains, and odour transfer. The scale has integrated touch-sensitive programming including a hold feature and automatic shut-off to preserve battery life. Place these grizzly-size oven mitts over your paws and beat the heat. You get a right and left mitt, constructed from insulated cotton with heat-resistant silicone "pads". One size fits most. The non-stick coating makes food release and clean-up a breeze. Heavy-duty steel with non-stick finish. Reinforced non-stick coating for easy release and clean up. The double-wide spatula surface allows you to quickly and easily scoop up several cookies at once. Foodsafe plastic scoop with stainless steel handle. Top rack dishwasher safe. Easy to remove, clean, and place back in the oven for reuse. Reduces the need for greasing and flouring pans. Pliable, flexible, wipes clean. Reusable hundreds of times. Use these parchment paper sheets to line cookie sheets and cake pans as well as for preparing foods "en papillote" baked in parchment. Parchment paper also makes for easy separation of frozen foods for example, stacks of hamburger patties. Parchment paper can also be used to form piping bags and to create a tall collar when preparing a soufflé. Use the different colours and patterns to colour-code cupcake flavours at your party, or mix and match for a colourful presentation. The baking cups are also ideal for serving nuts and candy. Excellent for filling in brightly coloured designs on cakes, cookies, and cupcakes. The decorations are perfect for any occasion. Just heat and squeeze onto cookies with the cap to make fun shapes or messages. White with blue, green, orange, pink, and purple dots. Simply cut into shapes and decorate with royal icing, coloured sugars, and sprinkles. Or, use to cut out shapes from brownies, bar cookies, or sandwiches Polyresin coated. From thin crust to deep dish, from whole wheat to gluten free, the basics section offers numerous dough recipes and tips to create the perfect crust. The introduction provides a complete look at equipment, ingredients, and the cupcake making process. The collection spans from classic flavours and shapes to new favourites.

Nine men's Morris, and over other indoor games, puzzles, and stunts for all ages. [Darwin Alexander Hindman] -- A collection of puzzles, brain teasers, and nonathletic games including contests and stunts.

Simply slide open and fill with loose tea. Simply add your favourite blend of loose leaf tea and steep for a delicious cup. Stainless steel construction means the infuser will not retain tastes or odours. Comes with matching gift box. Jars come with lockopen lid, self-adhesive labels and instructions for drying herbs. Its unique suspended tray system makes it easy to store and access herbs. The stems are immersed in water for freshness and hydration. Simply place the stem end into the appropriate size hole and pull through to remove the leaves from the stem. The tool has 4 hole sizes for stripping and a V-groove for larger stems. The set consists of five of the most useful knives in the kitchen: The knives feature high-quality stainless steel blades with a non-stick coating. A few squeezes of the springloaded handles and you will have evenly sliced herbs. The snips are also ideal for pruning indoor plants. Two grip settings - palm held or handle grip - ensure added cutting versatility and ease of use. A protective blade cover snaps over cutting wheels for safe storage. A few pumps of the cap will pressurize the sprayer to let out a continuous fine mist of your oil or vinegar. The sprayer is perfect for healthy cooking. The shaker comes with an emulsifying ring that blends ingredients together by shaking. Save yourself the trouble of constantly opening and closing the dishwasher door -- check the sign instead! This reversible magnetic plaque keeps you in the know with a mere flick of the wrist. A self-adhesive, non-staining magnet holds the sign securely in place. Microwave, freezer, and dishwasher safe. Includes marker and eraser. Pack of 70 labels: The tongs are made of bamboo sourced from sustainable forests. Use the opener to pull ring tops up with a simple rocking motion. The handy gadget has a non-slip handle for a comfortable grip and is perfect for bartenders and people with arthritis. Flat top allows for stacking. The clip makes adorable oinking sounds when opened. The dot sticks with suction cups, and fits on either the top or side of most containers. Just twist the bag, compress the clip, insert the bag and release. These devilled egg servers store and transport up to 18 yummy treats. The sturdy plastic trays with clip-on lid make stacking easy; the trays nest together for storage. The cap attaches to most beverage and soft drink cans easily. The flip-top lid snaps down to keep carbonation inside and a grated opening keeps insects out. This reusable set makes up to six popsicles and includes a drip guard on each stick to help protect fingers from getting sticky. Set of 6 moulds and 6 sticks. Includes a cookie recipe. Soak this sugar softener in water for 20 minutes, pat dry, then place on top of your brown sugar, cookies, or dried fruit to keep them soft. Freeze water, fruit, juice, tea, or herbs to elevate your drinks to a new level with the incredibly detailed cubes. BPA free, food-safe silicone. Soak this muffin keeper in water for 15 minutes, pat dry, then place with your muffins. The keeper works great with bagels, cookies, and more. Place this pot watcher into boiling water, soups, or in pasta and let your worries disappear. The stay-cool honeycomb pattern dissipates heat and keeps hands protected. The body and spout are flexible for easy and precise pouring, with convenient imperial and metric measurement markings. Microwave and dishwasher safe. These plastic trays make 4 perfectly-sized ice sticks that fit right into a bottle. Hand-blown crystal-clear borosilicate glass. Made of activated charcoal, the tool absorbs the gases emitted by foods as they get older, keeping them fresh. This banana hook attaches to the underside of your kitchen cabinets to free up space on your counter. The hook snaps back to hide when not in use. Hanging bananas reduces bruising and helps to ripen evenly so they last longer. Also perfect for RVs and small kitchens. The dripresistant valve lets blueberries and chocolate chips through. This flask has a twist-off cap and holds 4 ounces of liquid. The timer can count up or down. A loud second alarm sounds when the set time has elapsed. A memory function instantly recalls the last setting. The timer has a magnet on the back. Requires 2 AAA batteries included.
