She continued to minister to audiences around the globe after that huge success. Now, after nearly 20 years Jakes and Bynum have reunited. Throughout his ministry, the Bishop has shown a remarkable ability to minister to hurting people, especially women. The conference theme is based on the biblical text Luke The woman had suffered for 18 years and was instantly healed from her infirmity after Jesus laid hands on her. And when Jesus saw her, he called her to him, and said unto her, Woman, thou art loosed from thine infirmity. Some have alleged that it was this same message that caused the breakdown between Jakes and Bynum. After the explosive message went viral, supposedly the Prophetess felt slighted financially by the Bishop. When she failed to take the advice she and Bishop Jakes parted ways. She said that she should have listened and learned instead of being rebellious. They have accepted each other back with open arms. Regardless of the reason behind the fallout, Jakes and Bynum have reunited after 20 years for the same conference. However, Bynum has continued to play a pivotal role in the Christian ministry. She is a New York Times best-selling author, actress, and multiplatinum-selling gospel artist. The singer has ministered to thousands around the globe in venues filled to capacity. At one point it was as if Bynum disappeared from the public eye altogether. It was during this season, according to the minister, that she grew a deeper relationship with God. When speaking of her evolution in ministry, the author said: Bynum is back and more compassionate than ever. Her preaching is no longer just scriptural, the convictions given to her by others, it is now straight from personal experience. Many are excited about the reconnection and for the televangelist to grace the stage of an event that made her a household name. Bynum is not finished sharing her story and hopes to inspire others. To the excitement of many of her continued supporters, Jakes and Bynum will reunite after 20 years where it all began.
