Body Online registration is now closed. Walk-ins are welcome at the door at 2: Dealmakers will benefit from leveraging the larger ACG community and will have the opportunity to: Expand deal networks beyond their chapter Deepen deal relationships in the sectors in which they invest Engage in meaningful dialogue on trends and issues with those who operate, invest or advise in the same industry verticals as them ACG Boston: Healthcare Conference Boston is the 3rd and final stop in the ACG Northeast Industry Tour , with a half day conference focused on the healthcare industry segment, including sessions on value-based care and healthcare IT. Private equity investors and investment bankers in the healthcare space will also get a chance to participate in focused, one-on-one meetings prior to the conference. He had broad strategic and operational responsibilities, which included physician network strategy, clinical quality and patient safety initiatives, regulatory and medical staff affairs, and graduate and continuing medical education. Raised in Berkeley, CA, Dr. He received his undergraduate degree from Hebrew University in Jerusalem and his M. He completed his residency in internal medicine at Hadassah Hospital. He is married to Caron Tabb, a non-profit executive and artist. They have two children. He is a member of the Albert Schweitzer, Ashoka, Aspen, and Salzburg Global Fellowships, and is co-author or editor of several publications including Health Care Policy, a textbook for physicians and medical students, and Uninsured in America: Life and Death in the Land of Opportunity. He earned his A. Jospe brings over 15 years of clinical and healthcare IT experience to her role at Kyruus where she provides clinical input on product development and engage with key stakeholders at health systems across the country. Prior to joining Kyruus, Dr. Jospe was the Chief Medical Officer at PatientKeeper, a provider of physician-focused EHR overlay solutions, where she led the clinical advisory team, translated clinical workflow needs into product specifications, and developed physician engagement strategies for clients. Board-certified in internal medicine, Dr. He is a Principal in the Healthcare Vertical. Prior to Bain, Andrew was an investment banker with Goldman Sachs. He also co-founded EngagedHealth, LLC, a post-hospitalization home-based service for chronically ill, low income patients aiming to improve outcomes, reduce readmissions, and save costs. This experience has been fundamental to informing his perspective on the value delivered to patients and the broader healthcare system through higher quality, lower cost care models. As an undergraduate, he attended The Wharton School at the University of Pennsylvania, where he served as Class President for four years, and graduated magna cum laude with a BS in Economics. Jon Lemelman Moderator Riverside Partners Partner Jon brings 22 years of experience in private equity, software, and financial services and has worked closely with numerous middle market companies prior to joining the Riverside team in Prior to joining Riverside, Jon was an investment professional at Fidelity Strategic Investments, the private equity investment division of Fidelity Investments, where he worked on investments in the software, manufacturing, and healthcare industries. He currently serves as a director for the Boston chapter of the Association for Corporate Growth. In this role, Mary is responsible for all content created and delivered to the industry and the HFMA membership. This includes digital content, publications, professional development and certification along with educational offerings. Mary graduated with honors from the J. Phelps has been with Raymond James for 10 years. He rejoined Raymond James in after two years with Deutsche Bank Securities as a Director with senior coverage responsibility for the pharmacy supply chain. Ryan brings over 20 years of industry experience and expertise, having worked in the healthcare technology field as an operating executive, management consultant, equity research analyst and, over the last decade, as an investment banker. Stewart was a Managing Director and Partner at TripleTree, where in his tenure with the firm he had extensive transaction experience across the healthcare technology landscape, with a particular emphasis on value-based care enablement, population health management, patient engagement, healthcare payments and other data analytics, software and digital health solutions.
