3: Love at first flight: 8 touching stories of long distance love - Hello Goodbye

For book nerds like me, you don't really know someone unless you know their reading taste, and for anyone in a long distance relationship, finding out can be a great way to stay connected.

Neal was on holiday with his friend Stu who traveled from the UK to see American sights. Little did he know, that night he would meet the love of his life. I strode up to the bar and ordered a beer something I have done a million times over and began to strike up a conversation with these two friendly British gents. Three hours later, I was handing off my business card to Neal with my cell phone number scribbled on the back. I walked out of the bar, thinking that I would never hear back from this nice guy. Three days later, there was an e-mail from Neal in my work e-mail account. I was surprised and flattered that he remembered me. From that first e-mail our lives were changed forever. Communicating on a daily basis through e-mailing, Skype or cell phone allowed us to get to know one another without distractions or hesitations. Soon, Neal came out to the United States to visit me for his birthday then again for three weeks at Christmas time. He survived meeting the family, in fact he fit right in. Plans were set for my spring trip to the UK, with the countdown set to go. We began talking about our future engagement and marriage. Neal asked me what my ideal ring would be, and I sent him a picture of a ring. The idea we had would be to have the ring size and insured prior to my trip to the UK. I would pass of the ring to Neal, who would ask when he was ready. That evening while we were on video Skype, I tried on the ring for size. Bringing together family and friends, plus traditions from both our cultures: In addition to planning our wedding, we began to have the conversation about where should reside? The research and the planning was thoughtful and careful, we are talking about one major life decision. In the fall of , we made the decision for me to apply for visa allowing me to move to the United Kingdom to live and work as an American expat. Both of us began to collect information for my application, from airplane tickets to finger prints, we jumped through every hoop possible. Once the application was submitted, all I could do as a Type- A personality was sit back and wait. Which I did not enjoy. For me, I was juggling wedding planning, a long distance relationship and the ambiguity of post-wedding plans. From that moment, I knew that my life was about to be changed forever. Wedding planning was well underway, the packing began and I prepared to leave the life I knew in America to transition into the life of an expat. On May 26, , Neal and I celebrated on our wedding day with about 60 close friends and family in Spokane, Washington. The day was filled with laughter, friendship, love and a million memories. I will cherish that day for the rest of my life. Right after the wedding, we had four days to clear out my apartment. Nothing like starting off a new marriage with packing and cleaning for three days straight. With that, I have been an expat since the beginning of the summer of This blog is a small attempt to make sense of life as a wife and expat. RELATIONSHIP BOOKS. The Five Love Languages (Gary Chapman) When I asked my friends and regular readers which relationship book had impacted them most, this best-seller was the book most people mentioned.

LDR Tingkat Labil Aku sering dapat mention dari temen-temen followers dan kadang aku juga melayani SMS mereka untuk sekedar curhat memberi motivasi-motivasi. Labil merupakan awal mula dari seseorang yang sedang pacaran,tapi tingkah lakunya sering membuat illfeel dan absurd,terlebih merekayang sedang menjalani hubungan jarak jauh. Terkadang mereka yang sedang mengalami awal mula pacaran sering tidak mengaku dengan tingkah labil. Hal ini mungkin karena kelabilan itu sendiri memiliki beberapa tingkatan. Tingkat kelabilan saat berpacaran bisa di tandai dengan sering nya berantem hanya karena permasalahan kecil. Tanpa mereka sadari,itulah yang menjadikan kelabilan-kelabilan dalam berhubungan jarak jauh. Contoh Real yang sering terjadi saat sepasang kekasih sedang melakukan komunikasi via telepon. Hal ini sebenar nya bisa di maklumi karena LDR memiliki tingkat kangen seperti ketika makan keripik pedas khas bandung level 10,tapi habis makan keripik tersebut kita sedang berada di padang pasir yang enggak ada air maka wajah nya akan terlihat merah dan ganas. Dalam menjalankan LDR,hal-hal seperti itulah yang harus dihilangkan. Tingkat kelabilan yang tinggi dapat mengakibatkan hal-hal yang tak di inginkan bisa terjadi. Yang muncul justru bukan solusi untuk menahan kangen atau sekedar diam,lalu meminimalisir ego agar bisa mengalahkan rasa kangen tersebut. Hal yang ini biasa nya dilakukan pacar ketika tak bisa menahan ego adalah suka teriak-teriak sendiri di kamar atau ngomong sendiri sama bantal. Seperti apa hasil nya? Seperti itulah,coba di bayangkan secara seksama ketika temen-temen sedang LDR dan merasa kangen,tapi enggak bisa ngapa-ngapain,mau nyentuh tapi harus nunggu lama,mau peluk,ya mesti nunggu dia datang dululah pasti nya. Masa mau meluk tiang listrik?? Pangkat ego lebih rendah dari labil. Semakin ego kita meninggi karena tak bisa menahan kangen maka semakin pula mendekati tingkay-tingkat kelabilan dalam berhubungan. Waspadalah,waspadalah dalam berhubungan jarak jauh. Jika terlalu di kebut ,bisa hilang kendali sehingga akan terjadi oleng dalam menjaga hati. Setega itukah wahai penyedia jaringan provider untuk kaum LDR yang sedang menjalani pacaran jarak jauh?? Semoga mal ibadahmu di terima disisiNya,Amin. Tapi,di sela-sela kesibukan ,kita sering lupa bahwa pacar yang jauh disana sedang menunggu kabar dari kita. Padahal dia yang disana berharap ada kabar. Dia sedang kangen dan butuh juga sebuah kabar. Ah,yang pasti sempatkan untuk memberi kabar padanya. Kita belajar untuk tidak berprasangka buruk karena semakin kita berprasangka buruk,pacar akan merasa tertekan dan akan berbuat apa yang kau prasangkakan terhadap dia. Belajar untuk ikhlas menunggu. Rasa sayang bisa menutupi kesulitan-kesulitan untuk menjalani hubungan ini. Seberapa lama kau menungguku maka seikhlas itu yang aku persembahkan untuk mencintaimu. Belajarlah untuk menjaga hati sebaik-baik nya. Godaan muncul bertubi-tubi mulai dari pengertian nya yang selalu ada disaat kita butuhkan,seandainya pacar yang jauh disana tidak tahu-menahu tentang ini. LDR Bagi Mereka yang Menjadikannya Beban Menjalani hubungan jarak jauh memang tidaklah mudah,saling mencintai dan merindukan,tapi semua terbentang jarak yang jauh,kesulitan nya memang disitu. Cinta yang memisahkanmu, namun cinta pula yang harus kamu jaga. Jarak tak menjadi pengaruh,yang terpengaruh adalah hatimu yang suka bimbang hanya untuk memilih antara berakhir atau bertahan. Mudah tapi susah, senang tapi tak bahagia. Intinya,ketika kemudahan itu ada pada saat kita bersama. Perjalanan melewati itu yang sulit untuk menemukan kebahagiaan,kegiatan yang monoton mulai dari bangun tidur sampai mau tidurkembali hanya bisa menatap fatonya,bicaramelalui telepon,SMS-an,dan ketemu via skype. Melalui kegiatan itu,memang sedikit terobati, tapi banyak mengebatinnya dan terasa hampa. Efek setelah skype contahnya, kita bisa ngobrol,ketawa bareng,tapi ya tetep aja enggak bisa tersentuh seperti halnya saat bertemu, kita bisa saling genggam tangan dan ciu, kenimngnya. Lupakan shampoo,kembali kebahagiaan itu. Cara mencari kebahagiaan itus sama seperti mencari cintaketika kita sudah mendapatkannya. Kita meknai bahwa kebahagiaan itu sendiri sulit dicarinya,tetapi ketika kita sudah mendapatkannya sulit pula untuk dijaga. Pada saat LDR,kebersamaan adalah kebahagiaan,dan perpisahan menjadi kebahagiaan menjadi kebahagiaan yang dipotong oleh perpishamn. Itu hal yang sulit untuk kita terima dan menjalaninya dengan sebahagia saat bersama.
