1: PORGY AND BESS (2CD / EDITION) -- SCREEN ARCHIVES ENTERTAINMENT

Alternate Song Name: Somebody's Knocking, Porgy and Bess. Somebody's Knockin'.

Using the original score, Harnoncourt makes judicious composer-sanctioned cuts and includes some music, most notably the Symphony of Noise that opens the final scene, that was later jettisoned as Gershwin and his librettists, brother Ira and DuBose Heyward, struggled to find appropriate form and function. Where Harnoncourt succeeds is in blending dramatic intimacy and scale – hence the three discs and a three-hour playing time – with a widescreen approach to the music that is exuberant and alive, orchestral details leaping to the foreground, textures polished and gleaming with new-spun vitality, and topped by luminescent choral singing. But Harnoncourt has much to say about this sprawling, sparkling work and largely serves it well. This work is licensed under a Creative Commons Licence.
