

1: Why the Holy Land is the 'fifth gospel' of Christianity

Our Land, Our Time has 3 ratings and 1 review. Traces the history of the United States from the arrival of the first Indians to the present day.

The Franciscans who have served in the region say people should go. And the gospel was proclaimed. People came to believe. But not in the written part of revelation – if the Word became flesh, it became flesh in a place. Where is that place? The monastery itself hosts replicas of holy sites and holds various events to help link visitors to the land where Jesus Christ walked. Added to these places are the living legacy of the Jewish people. The Wailing Wall, located at the base of the site of the Temple of King David, gathers thousands of Jews who pray and celebrate at the start of every Sabbath. Muslims too consider Jerusalem a holy site, and the heights Temple Mount, once the site of the Temple, now hosts both the al-Aqsa Mosque and the golden, gleaming Dome of the Rock shrine. People decide to go to confession for the first time in decades because of a visit to the Holy Sepulchre. Francis of Assisi was so eager to go and see where Jesus was born, where he was crucified, and where he rose again. The Franciscan priest, an American who grew up in a military family, has served in the Holy Land for more than 20 years. Among his current roles is guardian of the Flagellation Monastery in Jerusalem. There is a conflict going on and there are all kinds of sharp rivalries, even between Christians themselves. Its Palestinian population, largely resident in the West Bank and the Gaza strip, is about 18 percent Muslim and two percent Christian, with both Christians and Muslims tending to identify as Palestinian Arab. The Christian population has largely declined due to emigration. Owusu said there is more to the region than many visitors expect. Not occasional crisis, but the day-to-day life that really goes on. That is what people would really like to know. The people mostly depend on pilgrimages and they also see that, irrespective of whatever situation the American comes from, there is another brother on the other side of the world that may bring them hope. Pilgrim groups hit a record high in January, with groups bringing 26, people, the Custody of the Holy Land-sponsored Christian Information Center said in February. In January only groups visited and a year prior only did. Israeli government statistics indicate over half of tourists were Christian and one-quarter were coming on pilgrimage, with over 40 percent having previously visited Israel. While travel costs and can be a barrier for a pilgrimage to the Holy Land, Owusu said it is possible with some financial preparation. Those with a desire to go could afford it by saving about a thousand dollars a year for several years, he estimated. Those who want to go on a pilgrimage should contact the Franciscans who work there, he suggested. The Franciscan Monastery of the Holy Land in America has information on pilgrimages at the website holylandpilgrimages.com.
