Please contact your McGraw-Hill Education representative for more information. Supplements for the Instructor Blackboard Your life has become simplified! Now, all McGraw-Hill content text, tools, and homework can be accessed directly from within your Blackboard course—seamlessly, automatically, and all with one sign-on. Even if you are not currently using Blackboard, we have a solution for you. You speak words per minute, while your students write only This forces them to decide between listening or taking notes. With Tegrity Campus they no longer have to make that decision. Your students can engage in class discussion, listen more intently, and retain more—resulting in improved course performance. They can search the lectures using keywords; students can also use it to review a missed class, to study for an exam, or to complete their lecture notes. The manual is organized by chapter and has been designed to assist instructors new to the teaching of human sexuality as well as more experienced faculty. The manual is available in electronic format for convenient access, editing, and printing. Test Bank This comprehensive Test Bank includes more than 2, multiple choice questions, as well as more than essay questions, all vetted by instructors for accuracy and pertinence. The test questions are organized by chapter and designed to test factual, applied, and conceptual understanding. Questions on video clips are also included. PowerPoint Presentations Developed by Martin Covey, Spring Arbor University, these slides cover the key points of each chapter and include charts and graphs from the text where relevant. The slides can be used as-is or modified to meet your needs. With McGraw-Hill Create, www.mhcreate.com. Find the content you need in Create by searching through thousands of leading McGraw-Hill textbooks. Arrange your book to fit your teaching style. Experience how McGraw-Hill Create empowers you to teach your students your way. This text is available as an e-textbook at www.coursepoint.com. At CourseSmart your students can take advantage of significant savings off the cost of a print textbook, reduce their impact on the environment, and gain access to powerful web tools for learning. CourseSmart e-textbooks can be viewed online or downloaded to a computer. The e-textbooks allow students to do full-text searches, add highlighting and notes, and share comments with classmates. CourseSmart has the largest selection of e-textbooks available anywhere. Supplements for the Student Annual Editions: Human Sexuality This McGraw-Hill Education publication offers articles on topics related to the latest research and thinking in human sexuality from more than public press sources. These editions are updated annually and contain helpful features such as a topic guide, annotated table of contents, unit overviews, and a topical index. Each topic is carefully framed for the students, and the pro and con essays represent the arguments of leading scholars and commentators in their fields.
