

1: Oxford Advanced Dictionary 9th Edition Free Download

The largest and most trusted free online dictionary for learners of British and American English with definitions, pictures, example sentences, synonyms, antonyms, word origins, audio pronunciation, and more.

It was first published in 1948. It is the largest English-language dictionary from Oxford University Press aimed at a non-native audience. Users with a more linguistic interest, requiring etymologies or copious references, usually prefer the Concise Oxford English Dictionary, or indeed the comprehensive Oxford English Dictionary, or other dictionaries aimed at speakers of English with native-level competence. The following editions exist: However, the old name was still being referenced by foreign language versions of the dictionary up to 6th edition. Sixth edition first published in 1988. Includes new words and definitions over the original English publication. Reduced number of letters used in definition from 10 to 8. Seventh edition first published in 2003. Revision 1, 1st impression. The production had taken 5 years and over 30,000 hours of editing. Includes in-app purchase where sample entries from the dictionary are included, News feature News from Oxford University about product discounts, language learning and teaching blogs, and other relevant matters. Revision 3, 8th impression. Ninth edition first published in 2010. Added Express yourself notes, Wordfinder notes. DVD includes dictionary, British and American English audio, Oxford iSpeaker, Oxford iWriter, topic wordlists, teacher resources downloadable videos, lesson plans and activities for use in class. Basic online contents includes dictionary, British and American English audio, pictures, word origins, usage notes, Oxford and Academic Word lists, Oxford Text Checker. Premium Online service includes My Wordlists. Free download gives sample entries from the OALD 9th edition. Owner of 8th edition Android apps can be upgraded to 9th edition at discount. Aug 7, Please re-download your dictionary if you are asked to. Apologies to users who have been unable to update OALD8 – you should now be able to do so. We have fixed the bug with the Idioms and Phrasal Verbs buttons. Apologies to users who have had issues with restoring, downloading or updating OALD9 – you should no longer experience these problems. The app will now fit on your iPhone X screens, and your Favourites will be preserved when you update. Apologies to users who have been unable to update their OALD8, you should now be able to do so. You will now be able to download them. Three other features you previously requested are still there. All your Favourites and any downloaded example sentences will be preserved when you update. Please note that you need to have the full OALD9 dictionary installed. You can keep using the OALD 8th edition if you prefer - just re-download it from the in-app Catalogue tab. If you continue to experience any problems, please email us at eltdict. OALD8 should now be always accessible after you have downloaded it, and the in-app purchase of OALD9 will now be offered at the correct price. Before downloading and installing the dictionary content, please check the amount of space available on your device. This amount of space is only required when you download. Once the dictionary content is installed on your device, it will only take up about half this space. All your Favourite entries and any downloaded example sentences will be preserved when you update the app. Please update your device to iOS 7 in order to update this app. We have updated the design of the app for iOS7, and added a few other minor improvements. For example, you can now resize the text in the word list independently from the text in the dictionary entries, and full text search results give you the closest match first. All your Favourites and any downloaded example sentences will be preserved. Please note, if you have not downloaded the spoken sentences and wish to do so, you will need to update the app first because the download will no longer work from older versions. Updating from version 1. All audio is now louder on all iPhone models. This was not an issue on other devices. Do you also have our Practical English Usage app? We apologize again to all our users for any inconvenience, and thank you for your patience. Fixed in version 1. Please re-download the spoken sentences to take full advantage of the improved, error-free audio content. You will retain all your Favourites when you update. If you have devices running iOS 4. We hope it will be available available very soon. You may wish to wait until this update is available before updating your OALD 8 app. Thank you again for your patience, and apologies for the inconvenience caused by this issue. Alert We are very sorry, but we have identified some new display issues with this update on iPads running iOS 6. We are working on a solution. Please re-download the sound module to take advantage of the improved, error-free audio content. Users who have downloaded the spoken examples will need to re-download them after updating the app. Other minor bug fixes.
