Misplaced sci-fi in a fantasy world Flavour Plot Summary Adventure Path Synopses Numeria has a long history of mystery and wonder buried under its rugged landscape, for on that one fateful night thousands of years ago, the Rain of Stars scarred the land. The fragmented remnants of a ship from beyond the stars fell from the sky, scattering strange technological ruins and deadly perils across the land. Today, these sites are feared by the barbaric tribes and coveted by the sinister spellcasters of the Technic League. Yet something worse than brutish berserker or super-science wizard has risen to power in these hidden technological halls. When the fire is suddenly extinguished, the heroes must delve a previously unknown set of caves below the town that lead to a strange buried metallic ruin. Will the heroes survive the technological dungeon, or will they fall in a hail of robotic foes and laser fire? I will be accepting players, shooting to have 5 players. Guns are emerging, but there will be a ton of firearm options throughout this campaign. I started running this campaign back in , but had to stop due to RL issues. Things are very much most stable in my life and I feel like this would be a good time to restart this. This time there are no pre-selected players. I myself post during the week, and keep the weekend for quick OOC posts, and spending time with my family. Feel free to ask any questions you might have. Archaeologist - What does this do? Why is that clock counting down now? Is that beeping a bad thing? I would like to be able to type your character names easily. Anything else will need review and approval. Any, but you have to be able to work as a party. A little empathy can go a long way. Pictures help, but words speak to us as well. ## PATHFINDER IRON GODS PLAYERS GUIDE pdf

*Yeah, the tech guide is pretty important to Iron Gods, but it's also pretty specific to Numeria (the Numeria book calls the technology guide a sister book). It also came out at the same time as People of the Stars, so it's probably meant to combo with that and Distant Worlds for campaigns set in the Golarion solar system.*
