Space Opera Sep A graveyard of spaceships, abandoned by the mysterious Fleet thousands of years earlier. Yash Zarlengo thinks the Boneyard will help her disco Fantasy Jul When Kailani arrives in Greenwood, Mississippi, for her latest job, she knows she faces a daunting task. With her job at Abracadabra Inc. But when she tries to find the magic shop she has been sent So when a group of Bathybobbles threatens to destroy those precious books-and to win a game, no less-Petra must stop them. Once she gets the slime Science Fiction May When the Ambassador to the Dylft Systemâ€”a veteran of the Dylft Warsâ€”receives orders to lead a diplomatic mission to Craznaust, she wonders at the wisdom of accepting the assignment. Still, when she arrives at the controversial Museum of Modern Wa Fantasy Apr Pascal protects magical items for Abracadabra Inc. But when he finds his latest job thwarted by disruptive magic, he decides to find its source. Because Pascal knows how much powerful magic runs through Paris. Dark Fantasy Feb Fashion and the SnarkmeistersCaro, once considered the most beautiful woman in the world, had a daughter with a relatively ugly magician. She uses that magic to help pr Dark Fantasy Jan When Helmieâ€”a pampered Persian cat worth millionsâ€”goes missing, the estate hires not one but two investigators to find him. Kelsie uses magic to track down lost animals. But in this case, even she wonders if she can find Helmie. Space Opera Oct Fleet sector bases close as the Fleet moves on. Everyone knows and expects it. But still, the announcement that Sector Base E-2 will closeâ€”although still thirty years in the futureâ€”breeds a mood of tension and anxiety. So, when Rajivk Agwu finds But what seems like a regular murder case suddenly puts everyone she knows at risk. And it poses a very political question So when Winston finds her in cahoots with a toy poodle-Chihuahua mix, he wants to know why. Ruby, usually so vocal, says nothing. Her silence, that dog, and a storm in the O Fantasy Sep Shanika never wanted to pursue a career in magic. Her mother dreamed that up for her. But her talent might just garner h Meet the Women of Futures Past: Fantasy Jul The Catholic Church saved him. At the moment he needed someone most, Father Joe offered him salvation. And he spent his life, and career, trying to live by the rules and order of Catholicism. But when he returns to Brooklyn to work for the Church af Dark Fantasy Jul Carol grew up with the carnival and its attractions. Like the fortune teller: Now Carol runs carnivals and their employees, including Madame Fortuna. Now, he fears he might run out of time to use it. And if that happens, all of his work, all of the time spent will prove meaningless. Because his whole life comes down t Literary May Gertie lived by her dancing. The contests earned her a living in those dark days of the Great Depression and acclaim in the days leading up to World War II. But the competitions took their tollâ€”in haunting ways. Now, decades later, Gertie finds her Her decision clouded by the blush of new love, she agrees to accompany Travis on a weeklong hike. Sara, the city girl, in the woods, camping Fantasy Mar In an alternate post-Civil War Chicago, the citizens still remember the day the Gondolas sent by the South died and the city burnedâ€”again. Lou, a Pinkerton detective, uses magic to hunt down the Gondola pilots, now called Gondola widows. General Fiction Feb When Keisha married Ruben, she planned the perfect weddingâ€”and the perfect wedding cake. But after his death she had to put the magic gun in her past or risk losing her future. Until the day she can no longer keep the gun at bay. She knows well how hard they will search for her and Anne-Marie. Rachel knows they will never stop. But Rachel also knows she needs to focus on the p He wanders the streets and train stations searchingâ€”for something, for someone, for hope. Until Christmas Eve, when he meets a strange woman in an abandoned Met Mystery Dec Secret Master of Fandom and private detective Spade thought he would be spending Christmas Eve aloneâ€”until a strange call from Paladin changes his plans. General Fiction Nov Nic hunts rats. The kind of rats no one else can find. But while hunting his latest target, he finds more than he bargains for. And these rats might prove the sneakiest vermin Nic has hunted yet. This engrossing detective tale by USA Today bestselling Dark Fantasy Oct No one told Cammie about the children. She finds out on her sixth eradication. She trained hard to become a vampire slayer, but now she questions everythin General Fiction Aug Mary Beth Wilkins knows she made a mistake

the moment she sees her beloved library burn. She also knows what she must do next to protect herself and her secret. And although she failed to save this library, she has a more important purpose to fulfill Space Opera Jun The fate of the Alliance hangs in the balance as the masterminds behind the Anniversary Day bombings trigger the final stages of a plan decades in the making. A plan that will bring about the total destruction of every dome on the Moon. Long before the Anniversary Day bombings brought the Moon to its knees, a far-flung starbase became the testing ground for a diabolical plan: But when Portia realizes just how terribleâ€”fifty kids missing from a Chicago theater with millions of dollars in damage left Ben must let her go, the shrink says, if he hopes to recover from his injury. Still, he looks everywhere, until one day a memory of where she works comes back to him. But Mark seems different. He listens to her, and he makes her obsession with finding the strange silver objectsâ€”and discovering their secret Ben just wants to read to Casey, to tell her stories, and he knows just the one: But finding the story p Fantasy Apr When an African-American woman arrives whipped and tortured at the Club on Lake Superior, she interrupts a meeting of powerbrokers setting up the senate election. Russell hoped to use the meeting to garner support for his candidate, Joe Stanisla But her plan quickly forces her into a hazard. First, the club refuses to let her play because of her gender. Then, she finds help in the unlikeliest place. Urban Fantasy Apr Linameyer prides himself on his open-mindedness. So, when Martina challenges that belief, and wants him to interview her roommate on the radio to prove it, he agrees to meet Rosaura. But the meeting makes matters worse. Science Fiction Apr From the award-winning, bestselling Retrieval Artist Universe comes a story about a pulse-pounding race for survival and a foreshadowing of dangerous events yet to unfold. Takara Hamasaki made plans to leave the far-flung starbase for weeks, but some Science Fiction Apr A shocking act of violence Historical Mystery Mar Edith never wanted to visit the caves. Now, Frank lay in a pool of blood in those caves, and Edith wants to know why. When Albert sees Edith emerge from the caves covered in blood, he has no idea what to think.

June 24, by WMG Publishing. But this time something feels off, and familiar. She thinks she knows this marauder. And her desire to regain her ship becomes secondary to something she has wanted for a very long time: June 19, by WMG Publishing. Liz Borra, on the other hand, wants to control council. So when meek little Nyalou stands up to Liz over the preservation of the Arrival Monument and its footprint, Liz figures she can intimidate the council like she always does. But Liz might have underestimated Nyalou. But what if Paine had never made it to the colonies. What fate would he have met if he remained in England? Johnny, Craig, Dale, Rennie and Carren. They want to make something of themselves, do great things after high school. So, they devise an experiment to guarantee their lives will amount to something. And that experiment changes their futuresâ€”but not in the ways any of them expects. June 17, by WMG Publishing. June 16, by WMG Publishing. For years, she shared her gift with her husband. Now, she will infuse her baking with every feeling she possessesâ€”one final act as payment for everything Harold plans for their future. June 12, by WMG Publishing. Secret Master of Fandom and Private Detective. But does a trial bring actual justice? And what can a father do to deal with the horror? A heart-wrenching story about those left behind to cope with the aftermath. May 28, by WMG Publishing. Justin Schafer travels to the Bountiful colony to investigate a series of brutal murders. The colonists blame the Dancers, an alien species the colony relies on for its livelihood. But the more Schafer investigates, the more complicated the case seems. He begins to wonder if his past mistakes-mistakes that led to genocide-will color his judgment. May 21, by WMG Publishing. It allowed her to walk again when doctors said she never would. And now, even in old age, it will allow her to find answers to questions plaguing her for her entire life. But the answers she seeks solve one mystery and pose another.
