

PPSOS APPLICATION FOR EMPLOYMENT PLAQUEMINES PARISH SHERIFFS OFFICE pdf

1: Civil Service Jobs

Below is a listing of the current job opportunities presented by the Plaquemines Parish Sheriff's Office. Click the Information Pkg link to download a full description of the opportunity and requirements.

Career Opportunities Career Opportunities The JPSO is currently seeking highly motivated individuals seeking a professional setting to further their law-enforcement careers. We will provide all of the necessary tools to enhance your ability to successfully combat crime and to further your career. Working in law enforcement is almost a calling to some. In fact, many families have multiple generations working in this field. Others see it as a way to give something back to their community or a way to continue the utilization of their training in their post-military career. Whatever your reason, if you are interested in working at one of the largest and best-equipped law enforcement agencies in the area, JPSO may be the place for you. We maintain a state-of-the-art firing range to provide training to our officers. We provide both in-house and out-of-the-house training in various law enforcement fields and tactics. We provide career paths through promotional testing. We also provide the latest in technology, whether it is laptops in the field, crime cameras, or computerized investigatory tools. Finally, we offer some of the most competitive salary and benefit packages in the area. We are an equal opportunity employer. We do not discriminate based on handicap status.

Traditional Positions Our primary focus at the JPSO is to provide law enforcement services to the citizens of the parish. To accomplish this task, we offer a variety of traditional law enforcement positions.

Nontraditional Positions As noted throughout this website, the JPSO is a complex organization and offers a wide variety of employment opportunities on top of the traditional law enforcement and corrections positions. For those interested in fighting crime via cutting edge technology, there may be a place for you here at the JPSO. We are also excited about the construction of a new state-of-the-art forensic crime laboratory. We also operate several administrative or "civil" offices that provide services internally and to the public. As one of the largest parishes in the state, we operate a rather large tax collection bureau. As such, we need clerks, auditors, tax collector field reps, etc. Our internal accounting and purchasing sections are also, at times, looking for accounting clerks. There are also a number of clerical or secretarial positions open at any particular time.
