A must have for serious learners! Cem Cebeci A widget like "Entry of the day" with random feature would be useful. Dmitry Rotenberg The book is a masterpiece, Paragon is deaf and dumb I bought the application. Its interface looks like the Oxford Dictionary Advanced. As far as I understand it has been developed by the same company. I had heard of the book by word of mouth. The book is said to be a masterpiece for a grammar learner. I would like to ask you a question. What applications, which are to be offered on Google Play for sale, are being developed at the moment? Diagnostic Tests for Practical English Usage" be expected in the immediate future? The refe Gerard Braad Dmitry Rotenberg I bought the application. The refe Tashi Sherpa This is a great and very useful book. The app is functional and is much better than a pdf. However, the UI looks bad and quickly thrown together. A black theme for OLEDs would be good. For the same price as the book, I expect a much better app. The 4th edition is available online but I prefer the speed and convenience of an offline app. A Google user Please, fix the section of Active Verb forms text size. Adarsh MV Pronunciation could have been added. User interface is poor. A Google user A must have for serious learners!
