But year old Benny Blanco has been turning out pop music monsters with a machine-like frequency. Here, Blanco shares his secrets for finding inspiration, balancing the role of creative partner and therapist, and knowing when to play ping-pong. Luke and moving to New York City. He spoke to Co. Create from his home studio about the many creative threads that are woven together to create a hit song and how he negotiates his intertwining roles as a hit-making songwriter and producer. I just like making music with my friends, telling dick and fart jokes. But just for me, the creativity, it always hits you at the most awkward times. Whenever I get an idea I write it down on my phone and then I go back later and half of them are awful. But every once in awhile you get a really good idea. Or it could turn into me being lazy and sitting with and petting my dog. You have to recognize like, okay, not everything I do is gonna be good. I always have a ping-pong table in the studio. I wanna have a comfortable, amazing experience when I make music every time. The producer at the end of the day means making the song happen. I should have gone to medical school. You gotta massage the situation. What about an iPod heart? Sometimes you have to be able to step back. Sometimes that one little part will become another song. But I want to put my own little spin on it. I always like doing that. I like to work from scratch with an artist. I wanna make a song that embodies what you feel and your emotions.
