Rosas and Commissioner Antonio S. Quasi-Judicial[ edit ] Investigates cases against erring examinees and professionals. Its decisions have the force and effect of the decisions of a court of law, with the same level of authority as a Regional Trial Court. After the lapse of the period within which to file an appeal, Commission decisions become final and executory. Quasi-Legislative[ edit ] Formulates rules and policies on professional regulation. When published in the official gazette, these rules have the force and effect of law. Executive[ edit ] Administer, implements, and enforces the regulatory policies of the national government, including the maintenance of professional and occupational standards and ethics and the enforcement of the rules and regulations relative thereto. Vision and Mission[ edit ] Vision[ edit ] The Professional Regulation Commission is the instrument of the Filipino people in securing for the nation a reliable, trustworthy and progressive system of determining the competence of professionals by credible and valid licensure examinations and standards of professional practice that are globally recognized. Mission[ edit ] To deliberately, scientifically, and consistently determine the competence of professionals through the provision of professional standards and judicious issuance of professional license. Regulated professions[ edit ] Under the Commission are the forty-three 43 Professional Regulatory Boards which exercise administrative, quasi-legislative, and quasi-judicial powers over their respective professions. The 43 PRBs which were created by separate enabling laws, perform these functions subject to review and approval by the Commission: Prepare the contents of licensure examinations.
