

## 1: Tracy Schoenberg, Author at Commerce and Industry Association of New Jersey

*also delves into the area of "modern finance," covering financial decisions for multinational enterprises, international cash management, bankruptcy and reorganization, mergers and acquisitions, and small business financial management.*

His clients include large and small corporations and other business entities, non-profit organizations, trusts, estates, and individuals. He has also handled transactions involving the joint sale of commercial real estate and business assets, as well as the purchase, sale and development of unique estate properties. Osterman counsels clients on the effect of, and compliance with, various federal, state and local land use and environmental statutes and regulations, including, among others, federal and state wetlands laws, the New Jersey Municipal Land Use Law, the Residential Site Improvement Standards, the Industrial Site Recovery Act, and the New Jersey Right to Farm Act. He regularly represents clients before planning boards, boards of adjustment, and other municipal, county and state bodies across the State of New Jersey in connection with development applications for various commercial and residential projects and other land use matters. Osterman earned his J. Designed to meet spiraling demand in the job market for applied engineering technologists in industries reliant upon production, manufacturing, process control and instrumentation, the new school will emphasize internships, co-ops and apprenticeships within private industry and government. The new school will be home to a four-year General Engineering program culminating with a Bachelor of Science degree. Throughout the year, students travel around the country to competitions and industry conferences, such as the World of Concrete conference in January which annually attracts more than 65, I have learned how to use Creo, Solidworks, Inventor as well as others and have enjoyed each one. Dator, who has been actively involved with the College since its founding, and Susan A. Vallario, Board Vice Chair. All in attendance enjoyed a delightful lunch buffet and refreshments and festivities including a photo station, music and a caricaturist. Through a new preferred national lab expansion strategy, Horizon BCBSNJ will ensure that its members can continue to use LabCorp on an in-network basis, while bringing an additional lab to its network " Quest Diagnostics " and retaining BioReference as an in-network lab option. Effective January 1, all 3. In addition, laws, regulations and best practices are constantly evolving and changing in human resources. How can a small business keep up with all the changes? This event is designed to help educate attendees with the latest legal updates and current best practices in employer-employee relations. Click here to register for this event at the County College of Morris on November 27 from 8 am " 10 a.
