

1: Usborne Young Puzzle Books | Awards | LibraryThing

A lot of Amazon reviews of children's books are from parents and I wanted to give a review from my own childhood perspective. I had several Usborne Puzzle books during preschool/young elementary and I loved them.

Am primit aceasta carte pentru recenzie de la Micul Cititor. Este o carte deosebit de frumoasa, pe care fetele mele au apreciat-o si au iubit-o din primul moment. Puzzle Ocean le-a captivat pe fetitele mele de cum au vazut-o, dar cu fata mea cea mare am petrecut timp special descoperind enigmele din adancurile lumii subacvatice prezentata in ea. Personajele principale din aceasta carte interactiva sunt Rosie si prietena ei, sirena Milly. Rosie primeste un mesaj intr-o sticla de la prietena ei Milly. Cele doua fete pornesc intr-o minunata aventura in lumea din adancuri pentru a salva coroana de aur a regelui, care a fost furata de un hot pe nume Jasper. Primele doua pagini din carte ne-o prezinta pe Rosie si aventura ei care incepe pe malul marii intr-o dupa-amiaza petrecuta pe plaja. De asemenea avem prezentate lucrurile pe care trebuie sa le gasim in carte. Aceste obiecte apar pe fiecare pagina dubla din cartea noastra. There is a piece of treasure on every double page. Can you collect it too? It might be useful later on. Here are the things to look out for: See if you can find them all. Avem cate o pagina dubla pentru fiecare tema de mai jos: A fost foarte amuzanta aceasta pagina pentru fete! Overboard "franghiile pescarilor au fost incurcate de Jasper, noi trebuie sa le descurcam si sa aflam ce obiect a pescuit fiecare Shell searching "cateva moluste au ramas fara carapace sau cochilie, trebuie sa le ajutam sa le gaseasca cat mai repede Sharks "Rosie si Milly sunt inconjurate de rechini, trebuie sa gasesca cate un sandwich din alge marine ca sa-i potoleasca si sa scape Spiky sandbank "Milly si Rosie trebuie sa se fereasca de nisipul miscator si sa gaseasca drumul corect spre vizuina lui Jasper A shadowy cave "Rosie patrunde in pestera intunecoasa unde trebuie sa descopere indicii ca sa fie sigura ca a ajuns chiar in vizuina lui Jasper. Dar fata, mai mult decat atat, decopera chiar coroana furata Rescue Rosie "Rosie a fost descoperita de Jasper si de homarii sai, care s-au intors acasa"Ce va face oare acum? Va lasam sa descoperiti cum se inchieie aceasta aventura subacvatice singuri! Pe ultimele doua pagini din carte avem si raspunsurile la fiecare intrebare si enigma de rezolvat. Este o carte minunata, care te tine in suspans si te provoaca pana in ultima pagina! Ajuta la dezvoltarea atentiei si de asemenea reprezinta un bun exercitiu de concentrare pentru copii! Pentru noi a reprezentat o provocare nemaipomenita, iar daca aveti copii curiosi si doritori sa dezlege mistere v-o recomand din suflet! Cartea poate fi comandata de la Micul Cititor. Adina aduce carti in limba engleza pentru copii iar daca doriti sa aflati mai multe despre acest sistem, puteti citi acest articol. Se poate citi acasa, inainte de culcare, intr-un moment de relaxare cu copilul, se poate lua in calatorie sau poti rezolva misterele din adancurile oceanului chiar in masina! Jocul e palpitant si copiii sunt atrasi in aceasta aventura subacvatice cu Rosie si Milly! Nu o ratati daca aveti posibilitatea, in acest moment este la reducere pe pagina de Facebook a Micului Cititor! Citind cartea Puzzle Ocean am realizat ce lipsea: In Puzzle Ocean copiii se bucura sa descopere lucruri si personaje din adancuri prezentate intr-o frumoasa poveste! Intrebari, raspunsuri, enigme de rezolvat, lucruri de descoperit, logica, toate adunate intr-o singura carte! Sa inceapa aventura din adancuri cu Rosie si Milly din Puzzle Ocean!
