

1: 10 Real World Princesses Who Don't Need Disney Glitter | HuffPost Life

If you thought Princess Charlotte was the only princess worth knowing about, perhaps you haven't been following all of the other regal heirs around the world. 11 Real-Life Princesses You.

When her father Maurice is imprisoned by a hideous beast, Belle sacrifices her own freedom in return for his. Emma Watson portrays Belle in the live-action adaptation, which is also titled *Beauty and the Beast*. The Los Angeles Times hailed Belle as one of the Disney Princesses responsible for "break[ing] the bonds of convention". Jasmine is fierce, bold, and confident, rarely allowing anyone to tell her how to live her life. Jasmine hungers for independence, tired of the restrictions laid before her by her father. She falls in love with Aladdin while he is disguised as a prince after he takes her on a romantic ride on a magic carpet. Princess Jasmine is voiced by Linda Larkin, animated by Mark Henn, and her singing voice is provided by Lea Salonga in the feature film and Liz Callaway in the direct-to-video sequel. Naomi Scott will star as Jasmine in a live-action film adaptation of *Aladdin*. Jasmine is one of the first Disney princesses to identify as a minority [clarification needed] and to be a part of a movie taking place in an area other than Europe. While a part of the new line of progressive princesses, shown by how Jasmine is more likely to leave the castle and has immense curiosity about the world beyond the palace walls, critics have judged her for her reliance on a man, sexuality that is displayed more than in the other princesses prior, and for her false representation of Middle Eastern culture. In terms of the body, Jasmine, although still small-waisted is "filmed" in more active sequences and appears, through both the physical presence and activity in scenes, more athletic. Pocahontas is displayed as a noble, independent and highly spiritual young woman. She expresses wisdom beyond her years and offers kindness and guidance to those around her. An adventurer and nature lover, in the film she appears to have shamanic powers since she was able to communicate with nature, spirits, and animals and understand foreign languages. Despite this, she keeps her independent spirit and playfulness and is even much more mature and self-assured than she was in the first film. During her stay in England, she nearly loses herself in the hustle and bustle of the new world, consequently falling victim to western culture assimilation. Like Jasmine, Pocahontas, and her film, are criticized for the depiction of over-sexualized females in a culturally diverse world. Both princesses are shown with small waists, large almond eyes, and incredibly athletic ability that none of the Caucasian Disney princesses represent. Further, the film has been met with criticism from the Native American community as heralding colonialism and an invalid, romanticized representation of an important figure to the Powhatan people. She is considered to be one of the most independent Disney princesses. Mulan, atypical and unlike most previous female roles, is courageous and more self-reliant. She also does not fit in with the expectations of a young Chinese girl of the time; despite her natural beauty, she is clumsy, outspoken, and independent rather than graceful, silent and demure. After her meeting with the matchmaker ended in chaos, the matchmaker claimed that even though she had the looks of a bride, she would never find a match. However, her courage, intelligence, and determination helped her through her adventures, in which she disguises herself as a male soldier in order to fight in the Chinese army in place of her wounded father. Liu Yifei is set to portray Mulan in a live-action adaptation of the animated film. Because of this, many see Mulan as a positive role model in her determination, risk-taking, and her conclusion of saving all of China. Her film is loosely based on the novel *The Frog Princess* by E. Tiana is portrayed as being a hardworking, ambitious, and beautiful young woman who has no love interest at the start of the film. Living in New Orleans, Louisiana, Tiana strives to achieve her goal of opening her own restaurant an ambition inspired by the accomplishments of real-life restaurateur Leah Chase. Throughout the film, the pair must embark on a quest to find a way to break the spell. Unlike her past counterparts, Tiana has received more praise than criticism for her depiction of female independence and of minority culture. Instead, Tiana offers a new perspective as simply a hard-working woman who bears no reliance on a man. Rapunzel Tangled Rapunzel is the tenth Disney Princess. Created by screenwriter Dan Fogelman, Rapunzel was originally animated by Glen Keane and is voiced by recording artist and actress Mandy Moore. The character was "coronated" and inducted into the Disney Princess franchise on October 2, , at Kensington Palace in London, England.

Incarcerated in an isolated tower for eighteen years, Rapunzel enlists the help of a wanted thief named Flynn Rider to see the floating lanterns in time for her 18th birthday. Rapunzel is the first Disney Princess to debut in a CGI film but is frequently revamped to a traditionally animated design. The character has been generally well received by most critics. The Los Angeles Times described Rapunzel as "a very modern young woman". She was created by director and screenwriter Brenda Chapman. Merida is the year-old daughter of Queen Elinor, who rules the kingdom alongside King Fergus. She has honed her skill in archery and is one of the most skilled archers ever seen. She is also skilled in sword-fighting and cross-country horse riding on her horse, Angus. Further, her stubbornness and independence have generally resonated with feminists, as well as her near entire rejection of "princess duties" like marrying a man and looking proper. By her actions throughout the film, Disney makes Merida the spokesperson of bravery. The mine cave features what Disney Imagineers say are "some of the most advanced Audio-Animatronics characters ever created. Currently, all the princesses are available for meet-and-greets in Disneyland Resort in California. Additionally, In , as part of the "Year of Million Dreams" celebration, the Fantasyland Theater began hosting the Disneyland Princess Fantasy Faire, a show featuring Lords and Ladies that taught young boys and girls the proper etiquette to be a prince or princess and features appearances from the Disney Princesses. In , Rapunzel was given a Tangled meet-and-greet location.

2: How to Behave Like a Princess (with Pictures) - wikiHow

Real-Life Princesses. Catherine (Kate) Middleton, Duchess of Cambridge photos/www.enganchecubano.com Kate recently married Prince William, Duke of Cambridge, the son of Prince Charles and Princess Diana, and the grandson of Queen Elizabeth II.

4: How 18 Disney Princesses Would Look in Real Life – Chip Chick

When it comes to princesses, many of us think of the Disney characters that we've all grown to love. But while names like Tiana and Elsa have inspired many parents to name their own little princesses after Disney's royalty, there are many real life princesses with beautiful names that can.

Posted by Andrea Howe Last month I wrote about my daughter, and the tale of her becoming a princess. I told the story of how years later, she still pretends to be a princess and dresses up on a regular basis with friends and cousins. Watching her continue with this stage of innocence, and seeing her imagination evolve into more elaborate play scenarios brings so much joy to me, and it inspired me to reach out to friends to see the real life princesses in their lives. I encouraged them to share pictures of their princesses playing in their natural, everyday environments, and many included sweet stories and tales of their girls when they sent their pictures along. They define what it truly means to be a princess. Click through for scenes from the everyday lives of some real life princesses that will inspire. Days like when you will be meeting a fellow princess for the very first time. You know that true beauty comes from within, but you also know the importance of making a good first impression. Life does not stop or even slow down, so sometimes you have to run to catch it. Photo of Harper courtesy of Tera Never Take Yourself Too Seriously Sometimes princesses have a reputation of not liking to have fun, or work hard, but every princess I know is strong, playful and never takes herself too seriously. A real life princess, is loyal through and through, and is a kind and caring friend. Photo of Taylor courtesy of Andrea Playful Life should be enjoyed, and a princess knows that to enjoy it to the fullest, you must work hard and play hard. There is always plenty of time to have fun. Photo of Katelyn courtesy of Alissa Curious and Brave Some days there are things that both spark your curiosity, and scare you a little. But a princess knows that you must be curious and brave, and so you face your fears, and promise to always keep your curious nature. Your gown can always be cleaned, but the chance to work hard may not always be there. They are meant to be courteous and respectful to her family and friends, so a princess always makes sure to curtsy and bow when needed. Photo of Katelyn courtesy of Alissa Lending A Helping Hand A princess knows that family comes first, and so is always ready and willing to lend a helping hand to her family, especially her favorite little sister. No task is too small or too large, and helping to get sister dressed is one of the most important tasks of all. They know that people, especially baby sisters, look up to them, and try their best to always show compassion, love and honesty. Photo of Maggie and Alexandra courtesy of Courtney Brave and Strong A real life princess may not always fit the typical mold, with fancy dresses and glittery shoes. They may choose to look up to someone important in their lives that models a different path for them. A princess must always wear her crown though. Photo of Leila courtesy of Heather Gracious A real life princess is gracious and appreciative. She is a thoughtful and considerate host, and always shows good will to her guests. Photo of Miranda courtesy of Maura Dare To Be Different Everyday a princess has to decide if she will follow the paths of others, or set her own trail by daring to be different. In fact she embraces her uniqueness. Photo of Peyton courtesy of Kate So what is your real life princess like? What are some of her most rewarding traits that truly embrace what it means to be a princess.
