

1: Irregular Plural Nouns | Grammar Quizzes

List of Irregular Plural Nouns in English In the list below, you'll find singular noun forms in the left column and the corresponding plural forms in the right column. When a noun has more than one plural form, the irregular one appears first, though that doesn't necessarily mean that the irregular form is more widely accepted than the.

Irregular Plural Nouns Step Two: Show your child the list of words or the picture flashcards that you have created. Explain to him that most of the time when we want to say that there is more than one of something, we add an "s" to the word. Then explain to him that these words are different and that they must change when there is more than one. Go over the list with him to show him what you mean. Try some of these activities to see what works best for your child: **Straight drill and practice:** Say a singular word to your child and ask him what the plural pair is. Just do this over and over again. For a little more fun, you can play memory. Turn over all of the picture flashcards and have your child turn over two cards. Make sure he uses the correct irregular plural nouns on those that need it. If the two words match are from the same pair, then he gets to keep them. See which of you can get the most matches. Get a fun app for your tablet such as *Plurality for I-Pad*. This app will allow you to play memory games with irregular plural nouns. This is a great way to drill and practice because kids will typically play on the I-Pad for very long periods of time. **Irregular Plural Nouns Step Three:** Show your child a pair of words from the last step. Tell your child that you will need to create a sentence using both of those words. Then, show him another pair and have him say the same sentence but now with this pair of words. **Irregular Plural Nouns Step Four: Correcting in Conversation** The only thing left is for your child to start using the correct irregular plural nouns in conversation. Start paying attention to how your child is saying these words in conversational speech. Gradually, increase the percentage of his irregular plural noun errors that you hear. As your percentage increases, his accuracy should also increase. **Where to Find More Info:** This guide, along with 38 others, is included in *Ms. Speech and Language Therapy Guide*: This guide includes detailed information on teaching various speech and language skills, including this one, along with worksheets, handouts, sample IEP goals, data collection, and video demonstrations. 2: List of Irregular Plural Nouns | Worksheet | www.enganchecubano.com

Some irregular plural nouns have the same spelling as their singular form such as scissors, pants, bison, deer, and www.enganchecubano.com then some animal nouns become plural by keeping the same spelling as the singular form or by adding an s or es.

Form and use regular and irregular plural nouns. Do Now 10 minutes I asked students if they knew what plural nouns were. Several raised their hands. I called on one and he told me plural means more than one. Next, I asked students to tell me how we write plural nouns. They said we add -s or -es. I asked about nouns like tooth. I explained some nouns are irregular. Instead of adding an -s or -es in the regular way to make it plural, it changes its spelling OR the singular and plural forms are the same. I wrote two columns on the board. I labeled one singular and the other plural. I wrote tooth in the singular column and teeth in the plural column. I wrote child in the singular column and asked them to supply the plural. They promptly called out children. I chose these nouns as examples because I knew students would be familiar with their plural forms. I reinforced the vocabulary by asking them what type of nouns they were. They correctly identified them as irregular. I passed out the worksheet where students would write the plural form of irregular nouns. I told them they were going to learn the plural form of irregular nouns by looking them up in the dictionary. To review uses of the dictionary, I randomly called on students to read the bulleted list on the dictionary skills poster. One of the listed uses is other word forms. I looked up the word child and pointed out where they would find the plural form of the word children. I modeled writing it on the worksheet. Students followed suit on their own sheet. Students are familiar with how to use the dictionary, so I released them to complete the assignment with a partner.
