

1: Organize content with channel sections - YouTube Help

Rename a section. Tap and hold the tab of the section you want to rename, and then at the bottom of the section list: On iPad, tap the Edit icon and choose Rename.. On iPhone, tap the Rename icon.

Less If the contents of pages and sections in your notebook have changed enough over time so that their descriptive titles and labels no longer adequately describe the notes within them, you can rename any of the pages, sections, or section groups in your notebook or you can rename the entire notebook itself. Rename a page Do either of the following: On the menu bar, click Notebooks, point to Pages, and then click Rename Page. Control-click the tab of the page you want to rename, and then click Rename on the menu that appears. When the page header text at the top of the page is selected, type the new name for the page, and then press Return. Rename a section Do either of the following: On the menu bar, click Notebooks, point to Sections, and then click Rename Section. Control-click the tab of the section you want to rename, and then click Rename on the menu that appears. When the section tab text is selected, type the new name for the section, and then press Return. Rename a section group Do either of the following: On the menu bar, click Notebooks, point to Section Groups, and then click Rename. Control-click the name of the section group that you want to rename, and then click Rename on the menu that appears. When the section group text is selected, type the new name for the section group, and then press Return. This will disrupt student access and proper functioning of these notebooks. This way, the change does not unexpectedly prevent them from accessing important information in the shared notebook. In Safari or in any other Web browser, go to www.officeapps.live.com. If necessary, sign in with the same Microsoft account or organizational account where the notebook you want to delete is currently stored. When you are successfully signed into OneDrive, navigate to the Documents folder for your account. When the notebook name is selected, type the new name for the notebook, and then press Return. On the same page, click the notebook icon to open the renamed notebook in OneNote Online. Expand your Office skills.

2: BSD - How to change a Section Name and Number

We have trained over 90, students from over 16, organizations on technologies such as Microsoft www.enganchecubano.com, Microsoft Office, Azure, Windows, Java, Adobe, Python, SQL, JavaScript, Angular and much more.

You can organize and promote content that you want to highlight on your channel using channel sections. A section lets you group videos together in a particular way so that your audience can make easier decisions about what they want to watch. You can have up to 10 sections on one channel. Manage sections on your channel Create a section Before you start: To set up channel sections, you have to first turn on channel customization for the channel. Go to the channel you want to manage. Click the Home tab. At the bottom, click Add a section. Under "Content," use the drop-down menu to select the type of content you want to appear in your section. Choose to highlight popular or recent uploads, liked videos, and more. Choose to add a dedicated section from your playlists. Choose to add All shows or a Single show. If you choose single show, the click Choose a show from the drop-down menu and choose your show. Under "Layout," use the drop-down menu to select a horizontal row or a vertical list layout. Hover your cursor over the section you want to edit. In the top right of the section, click the edit icon. In the edit screen, change the content and layout of the section. Reorder sections on your channel Go to the channel you want to manage. In the top right of the section, click the up or down arrow to move the section above or below other sections. Get more ideas for showcasing your best content with channel sections. Types of sections You can assemble sections based on a common theme and create sections from videos, a single existing playlist created by you or someone else , a group of playlists, or a group of channels.
