

1: Return Of The Home Run Kid By Matt Christopher - Free downloads and reviews - CNET [www.engage.com](http://www.engage.com)

*The book I read was called "The Return of the Home Run Kid", it is about a boy named Sylvester. He was the king of homeruns the year before on his elite team. His coach the year before named Mr. Baruth helped him so much but then later moved away, Sylvester was never the same.*

Nov 10, Will M. It would have been a great interesting book, if the author used more details and good names of teams. Sylvester lead the league in homers last season, but could not follow it up the next season. He needed help and that's what he got, a personal coach to help him. The year before when he could hit he had this book was good, but not what I expected. The year before when he could hit he had a coach, an interesting coach just like the one Sylvester got the following year. Overall, it was a good book, but could of been better. The main character, Sylvester, starts out in the book daydreaming on the bench of a dugout. You could call him a bench warmer. He has messy hair, which is dirty blonde. His day dream was about last season when he would hit home runs and that was it. Last season he met a mysterious guy who gave him some pointers to become a better ball player. This season the mysterious guy is not there to help. He thought Apr 10, Jack T. I liked it because it is about baseball, which is my favorite sport. It is realistic fiction and sports. Sylvester Coddmeyer starts out daydreaming on the bench in the dugout. He is in a very big hitting and fielding slump. He meets a man named Cheeko and he helps Sylvester out. Read the book to find out the rest!! I recommend this book to anybody that loves baseball!! Sep 14, Owen Kowatch rated it liked it Sylvester sat the bench the whole game and rarely played, so when Cheeko gave him some pointers and said he would coach him he said yes. All of a sudden it is like Syl turns a switch on, he can do it all, field, hit and run. Then his friend shows him a baseball card and it looks exactly like Cheeko. This is a great sports book and I recommend it. May 22, Jared Cervantez rated it really liked it This is the sequel to the "Kid Who Only Hit Homers" and this one was just as good as the last one. This one is like the last one. I like how he was in a slump and then when he met a new mentor. Then all of a sudden he was back. Just like the last one another famous ballplayer may have been mentioned. He was famous for the wrong reason though.

### 2: Return of the Home Run Kid by Matt Christopher | LibraryThing

*The home run hitter is back. Hurray! In this exciting baseball story, Matt Christopher once again gives kids of all ages another action-packed baseball story that teaches all the fundamentals about this great American sport: attitude, confidence, respect, and more.*

Approximately Level N Summary: He is determined to start the season and play well even though taking a swing is excruciating. He meets a mysterious man named Charlie Comet who helps him become a switch hitter, si Genre: Will he be able to play and help his new team win? And who is this mysterious man? Although I love baseball, I sometimes find Matt Christopher books to be overly technical in describing each play in detail. What it takes to be a switch hitter. It really does take a lot of practice and Sylvester did not become a switch hitter overnight. This book is very interesting and entertaining. I could not put the book down, I had to keep reading. I have read 3 of the 4 books in this series of books, and this one was the best one. It starts out as Syl brakes his ankle. Later, he thinks he can go back to baseball. But while he was running and he hurt it again. He meets a mysterious guy that he has never seen before. He offers to t Comeback of the home run kid by Matt Christopher was the best book of the three books that I have read so far. He offers to teach Syl to bat lefty because of his ankle. It just gets better from there. I would just recommend this book to anybody who likes baseball. Matt Christopher is a very good writer. He writes lots of sports book. This book was kinda cool how famous baseball players come back to life and help the kid with his baseball skills. I would recommend it to people who like sports. Jun 13, Nathaniel rated it it was amazing I liked it. And it was good for the team. Jun 26, Isaac Vanwestrienen rated it it was amazing Isaac loved this whole series and read them over and over. Nov 22, Anthony rated it really liked it This was a good book with an interesting story line, good quick read.

### 3: Return of the Home Run Kid by Matt Christopher | Scholastic

*Middle schooler Sylvester is having a dismal baseball season until he takes advice from a mysterious ex-ballplayer named Cheeko.*

Lexile L "Classic Matt Christopher. This is a reprint of a great book for the young sports enthusiast. Christopher does a wonderful job giving play by play action to make the reader experience the games. As always, Christopher delivers an action-packed story with a good message. In this story the message is to always play fair and honest and be true to yourself. Baruth, and he played baseball spectacularly. Cheeko seems to have different values than Mr. Sylvester does begin to hit homers and play better, but some of his tactics are not too cool. Eddie Cicotte was involved in the Black Sox scandal of where 8 of the Chicago White Sox team members tried to fix the outcome of the World Series. Baruth revisits Sylvester and tells him how disappointed he is in the tactics he has been using. Sylvester finally sees that his teammates accept him just the way he is, and everything turns around for him. The revised edition is larger and has bigger print than the original. They are pricier, but worth it. Sports lovers will enjoy this series. Garland Independent School District, Kids 4th grade like this author. Boys who like baseball will enjoy it. A bit of mystery to it. Lots of baseball terminology. San Diego Unified School District, Coaching by the mysterious Mr. This time, a man calling himself ""Cheeko"" encourages Sylvester to be more aggressive and confident. Christopher reprises the plot gambit that served him well in the first novel, and despite the hiatus, Sylvester remains an appealing character, learning to play his best despite pressure and self-doubt. Linda Callaghan Booklist, Vol. Syl is lost without Mr. Baruth, his mentor, until Cheeko appears and teaches him some aggressive and unsportsmanlike moves. Will Syl become his own man? A silly premise, but baseball fans will enjoy the game action and satisfying conclusion. Recommended, with minor flaws.

## RETURN OF THE HOME RUN KID pdf

### 4: Return of the home-run kid by Tim League on Prezi

*The Return of the Home Run Kid is an easy book to read and to [www.enganchecubano.com](http://www.enganchecubano.com) protagonist of the story is Jermey and [www.enganchecubano.com](http://www.enganchecubano.com) antagonist of the story is Robert. I would recommend this book to Elementary and Middle school kids because it talks about a sport you do alot and that is [www.enganchecubano.com](http://www.enganchecubano.com) is a book that you can read over and over again.*

Return of the Home Run Kid Author: Realistic Fiction Write three 3 sentences which describe the Setting of the book. Be sure use descriptive words.: The book took place at a baseball field.
