Career[edit] Steves started his career by teaching travel classes through The Experimental College , a student-run program of non-credit classes at his alma mater , the University of Washington , [1] and working as a tour guide in the summer. At the time, he also worked as a piano teacher his father had owned a piano store. Unlike most guidebook entrepreneurs, he opened a storefront business. Initially, this was both a travel center and a piano teaching studio. He held travel classes and slide show presentations, did travel consulting, organized a few group tours per year, and updated his books. He did not provide ticket booking or other standard travel agency services. Steves advocates independent travel. His books and media deal with travel mainly in Europe and are directed at an American audience. Tourists in Italy encounter Rick Steves on a backstreet, using his book as a guide. Since self-publishing his first book in , Steves has written country guidebooks, city and regional guides, phrase books, and co-authored Europe History and Art for Travelers. His guidebook to Italy is the bestselling international guidebook in the U. In , he started writing in a new genre of travel writing with his anecdotal Postcards from Europe, recounting his favorite moments from his many years of travel. In , Steves published the book Travel as a Political Act, a guide on traveling more thoughtfully. In addition to his guidebooks and television shows, Steves has expanded into radio, newspaper and mobile applications. In , Steves launched a weekly public radio program, Travel with Rick Steves. Focusing on world travel, although with a heavy emphasis on Europe and North America, each program has a guest travel expert for interviews, followed by call-ins with questions and comments. In , Steves became a syndicated newspaper columnist with his Tribune Content Agency column. Crime should only enter the equation if it is abused to the point where innocent people are harmed. In , he constructed a unit apartment complex in Lynnwood, Washington , called Trinity Way and administrated by the local YWCA , to provide transitional housing for homeless mothers and their children. Steves also raises funds for the hunger advocacy group Bread for the World. In an interview with the Seattle Times , Steves said: What do we spend to be as aggressive and heavy weight on this planet? If a wealthy person is in trouble with the law, he can hire a good lawyer. I have a voice because I fit societal norms and I have money. They are the parents of two grown children. Rick Steves seems to use the Hotel Londres Eiffel hotel for his week long tours but not for his other tours that go to Paris, including other France tours. I have been on the Paris & Heart of France tour and the South of France tour and we used other hotels in Paris.
