

## 1: Secret Agent X - Wikipedia

*Secret Agent Set Event Class Tribe Professional Trick Abilities Bounce a Zombie, and it gets +3 /+3. He likes his brains shaken, not stirred. Secret Agent is an event zombie card in Plants vs. Zombies Heroes, and a member of the Beastly class.*

October 09, By: I grew up reading Robert Ludlum and watching James Bond. To this day, remains the measuring stick against which all other action heroes are compared. Nothing beats a good spy plot and nothing is worse than a half-baked one. This is true for novels, films and comics as well. Three of the best comic strips currently being reprinted in collected editions involve super spies and for all Espionage fansâ€”I am going to see if I can steer you all over to the comic strip section of the store and enter the world of double agents, action, global scale danger but above all else terrific art and exciting storytelling. Titan books has been publishing the entire run of James Bond comic stripâ€”which ran in British newspapers from to !!! There is less pyrotechnics and more tense drama. Each volume contains three or four complete and self-contained stories. So pick up any one. You will end up buying them all and then you will find yourself reading the original novels as well. For over 12 years, from to , they turned Secret Agent Corrigan into arguably the last great adventure comic strip published in the US. The stories are fast paced, exciting, economical and intelligent. The storytelling is clear and beautifully rendered. Each daily strip contains panels which are never too busy that the art becomes a distraction. Any volume of the IDW published series will do the job, but I especially recommend Volumes 2, 3 and 4. The plots are intelligent and exciting and above allâ€”consistent. Their relationship was unlike any in fiction. There was no sexual tensionâ€”instead their friendship was based on mutual admiration and respect. And that respect was hard-earned. In these reprint books, the danger is real and the setting, tone and illustration are strictly for adults! Now you see what Willie Garvin sees! So if you are a fan of spy fiction, these three titles really fit the bill. Give any one a tryâ€”you will be back for more.

### 3: X-5 Secret Agent | Public Domain Super Heroes | FANDOM powered by Wikia

*Secret Agent is an event zombie card in Plants vs. Zombies Heroes and a member of the Beastly class. He costs 1 to play, and his ability gives a selected zombie the Bounce effect and +3 /+3. The selected zombie is Bounced, then boosted in the zombie hero's hand.*

Character[ edit ] In the stories, the true identity of Secret Agent X is never revealed. He is a master of disguise, known as "the man of a thousand faces", who adopts several different identities in each story. Although he is a dedicated crime-fighter working undercover for the U. His true role is known only to newspaper reporter Betty Dale and his mysterious Washington controller, K Agent X come close to being undone once by a woman who could recognise him no matter what his disguise. She turned out to be blind and recognised his manner of walking. Originally X was bank-rolled by an anonymous group of millionaires who made any amount of money he might need available. He maintained a number of identities and had bank-rolled a failing detective business into a thriving business where alongside their usual work, they did work for him, gathering news reports, getting information, leg work, guarding people, etc. They did not know his real identity. Later X became more of a mysterious government figure. His weapon of choice was a gas gun which quickly rendered people unconscious for a short time without any side effects. Although ostensibly in the crime genre, the Secret Agent X stories were situated at the more far-fetched end of the spectrum, with a number of science fiction elements such as futuristic weapons and mad scientists. Authors such as Tepperman and Rogers produced stories for Operator No. All stories were based on early novels. In the s, at the height of the camp craze and the success of the Doc Savage reprints, Corinth Press an imprint of soft porn publisher Regency issued seven Secret Agent X adventures in paperback. Since then, several other small presses have reprinted different stories. Small press Altus Press has begun an ambitious reprinting of the entire Secret Agent "X" series in nine volumes. Beginning in Secret Agent X became the latest in a series of pulp heroes to be revived. Here he squared off against criminals who employed giant spiders to achieve their nefarious ends. Halo of Horror and Master of Madness has since been reprinted in a pulp facsimile format by Altus Press. It is a continuing series of all new stories with future volumes in production. It also starred some old friends and even an old enemy who had not been featured since the s. Altus Press released it in Summer , at Pulpfest. In addition it will show the specific reason that Agent X faked his own death, in order to become a nameless, faceless crime-buster. The novel will premiere sometime in Payne is also writing his sixth novel, Agents of Apollyon. In this crossover tale set in , X battles a 19th-century villain who has somehow survived to the 20th century. In the process the character has gained a deadly weapon with which he can bring the entire world to its knees. Payne will follow this novel with The Satan of the Sky, wherein the Agent faces an airborne menace in Phoenix. Future tales will be a pair of Cold War adventures: This has been reprinted by Retrograde Press recently.
