Study Aids License 1. West Academic grants User a non-exclusive, non-transferable, limited license to access Study Aids, which consists of various West Academic-owned and third party academic and secondary materials, including various study aids that may change from time to time. Access to certain materials may be restricted by West Academic. The license includes the right to quote and excerpt from such Study Aids appropriately cited and credited by limited electronic cutting and pasting in work product created by User in the regular course of his or her research and work. User may also create printouts of insubstantial portions of Study Aids for personal use. Except as expressly permitted herein, User shall not sell, license or distribute Study Aids including printouts and downloaded materials to third parties or use Study Aids as a component of or as a basis for any material offered for sale, license or distribution. User may license such Study Aids and obtain access online via store. User is solely responsible for maintaining security of West Academic or other relevant passwords. User shall not use any Study Aids in a manner contrary to or in violation of any applicable federal, state, or local law, rule or regulation. User acknowledges that access to certain Study Aids is subject to Contributor restrictions. User agrees not to access such Contributor Study Aids for any purpose or in any way that is contrary to such Contributor restrictions. West Academic retains the right to temporarily or permanently block access to certain Study Aids if West Academic, in its sole discretion, believes that the Study Aids may be used for an improper purpose or otherwise in violation of this Agreement, or where a Contributor requires West Academic to block such access. User agrees to cooperate with any inquiry. User shall report to West any misuse, abuse, or compromise of Study Aids of which User becomes aware. A month to month agreement can be canceled at any time; however, it will automatically renew in 30 day increments and bill the credit card on file each month, until the User terminates the Study Aids. Notwithstanding the foregoing, at the end of the initial term, the Customer may elect to renew on a month-to-month term. Information for California Users Only. Under California Civil Code Section Street, Sacramento, CA , telephone West Academic may, at any time without notice, amend this Agreement and modify, enhance or delete Study Aids. User will be notified of the amended or new terms of this Agreement, and such new terms will be posted online and effective immediately upon posting. User is responsible for regularly reviewing this Agreement. West Academic will use commercially reasonable efforts to provide Users with online notification of such removal. Access to Users will terminate upon conclusion of the Minimum Term excluding month to month subscriptions elected by User when placing its Study Aids order through store. Except as otherwise provided in this Agreement, all notices must be given in writing to West Academic at Cedar St. Paul, Minnesota , Attention: Customer Service and to User at the address on the Order Form. This Agreement will be governed by and construed under the law of the state of Minnesota, U. If any provision s of this Agreement is determined by a court to be void, invalid, unenforceable or illegal, the enforceability of the other provisions of the Agreement will not be affected. The headings and captions contained in this Agreement are inserted for convenience only and do not constitute a parthereof. Any and all Feedback that User provides to West Academic shall become the exclusive property of West Academic without any payment, accounting, remuneration, or attribution to User. In certain limited situations, your professor may choose to view the results of your quizzes to assess your progress. Such uses of the Service are limited to pedagogical or business purposes only. The code s you may be assigned as part of the assessment program are for your use only. It is understood that West Academic is in no way responsible or liable for any grade or assessment that you may receive through or otherwise related to this Service. The Licensed Content and Software is protected by U. Nothing contained in this Agreement shall be construed as granting User any ownership rights in or to the Licensed Content or Software.

2: Intellectual Property | Duke University School of Law

*Selected Intellectual Property and Unfair Competition: Statutes [West] on www.enganchecubano.com *FREE* shipping on qualifying offers. Patent coverage includes the First Inventors Defense Act of (providing limited defenses to prior inventors charged with infringement of certain method patents); the Patent Term Guarantee Act of (which attempts to guarantee that patent applications will issue.*

The right conferred by the patent grant is "the right to exclude others" who wish to make, use, offer for sale, or sell the patented invention in the United States or who might import the invention into the United States. The requirements for patentability start at 35 U. Regulations on patent law commence at Title 37, chapter 1 of the Code of Federal Regulations. Aisenberg, *Modern Patent Law Precedent: Dictionary of Key Terms and Concepts*, 16th ed. This is a dictionary of patent terms, organized alphabetically by keywords and phrases. Words and phrases are taken from summaries of leading patent cases with precedential value and from important sections in the U. The library no longer receives updates of the print version. Chisum, *Chisum on Patents* also titled *Patents: Scholars and practitioners alike frequently cite this essential treatise on patents*. The huge fourteen-volume looseleaf set includes a glossary of patent terms, federal circuit guide, forms, statutes and commentary. The Westlaw full-text contains only the current volumes of the 4th edition as they are published; 3rd edition volumes which have not yet been revised by Moy are not available electronically. Mueller, *Patent Law*, 4th ed. This title is part of the "Aspen Student Treatises Series," and provides an accessible overview of patent law concepts and principles. Chapters include discussion of each requirement for patentability. Footnotes cite to relevant cases, statutes and secondary sources, for further research. *Patent Grants and Applications* Jeffrey G. This is an excellent loose-leaf on how to write patent applications. It provides an extensive discussion on writing applications for the three types of patents: It also contains a discussion on particular types of patents including electrical patents, biotech patents, and chemical inventions. Select provisions of the *Manual of Patent Examining Procedure* are included in this publication. David Pressman, *Patent It Yourself*, 13th ed. Sample forms and a glossary of definitions are included. This manual is intended for the use of patent examiners, who must decide whether a pending patent application meets all relevant laws and regulations. Each section describes a particular aspect of the application and examination process, and includes citations to related primary legal authority. The site also contains many essential reference sources and manuals geared towards the practitioner. The patent grants database contains images of U. A patent applications database contains full text and images of all patent applications since March 15, Like the USPTO site, Google offers the entire collection of issued patents back to , and selected patent applications. Patents are provided in downloadable PDF format. Patents are grouped by subject matter: You must provide specific information such as the U. Similarly, both Westlaw and Lexis Advance possess a number of intellectual property treatises, newsletters and journals. Bloomberg Law has both a patent and a patent assignment searchable database, along with multiple online treatises, legal and regulatory, and news sources. All are available on its patent practice center: Bloomberg Law also allows you to sign up for daily notifications of decisions in the Court of Appeals for the Federal Circuit CAFC , which include links to full text of all precedential decisions and nonprecedential patent and trademark decisions. Copyright Law Federal copyright law is located in Title 17 of the U. Copyright law protects "original works of authorship" that are fixed in a tangible form of expression. According to 17 U. Literary works; Musical works, including any accompanying words; Dramatic works, including any accompanying music; Pantomimes and choreographic works; Pictorial, graphic, and sculptural works; Motion pictures and other audiovisual works; Sound recordings; and Architectural works. However, copyright law does not apply to any "idea, procedure, process, system, method of operation, concept, principle, or discovery. The last major revision to U. A legislative history of the revisions is available both in print and electronically, titled *Omnibus Copyright Revision Legislative History Documents Y 4. C 79* and on HeinOnline. A16 K35 and on HeinOnline. Ginsburg and Robert A. This brief introduction to U. Ginsburg is well known for her contributions to copyright law and theory. Paul Goldstein, *Goldstein on Copyright*, 3d ed. Paul Goldstein, a professor at Stanford Law School,

has written this scholarly treatise for lawyers, judges, legal researchers, and public policy decision-makers. The set is composed of 18 chapters on all aspects of copyright law. There are extensive citations to primary and secondary authorities including cases, statutes, regulations, legislative history and other documents. This short volume, written for use as a study aid, provides a basic introduction to copyright law. Laeffer, *Understanding Copyright Law*, 6th ed. Another short volume meant for use as a study aid providing an overview of copyright law. Covers the fundamentals of copyright law, analysis of key copyright cases, and analyzes how to make practical judgments based on this foundation. Nimmer and David Nimmer, *Nimmer on Copyright*: This looseleaf set is the classic scholarly treatise on copyright law. Courts and other scholars cite to it frequently. The treatise is an excellent starting place for researching specific aspects of copyright law. Updated three times a year, this treatise stays current with recent copyright law developments. Patry, *Patry on Copyright* KF A multi-volume examination of copyright law, written by a former law professor who is currently the Senior Copyright Counsel to Google. This user-friendly website is a great starting point for general copyright questions. Center for the Study of the Public Domain The Center, a project of Duke Law School, gathers and produces resources and research devoted to the contribution that works in the public domain or works that are no longer or never were covered by copyright restrictions contribute to speech, culture, science and innovation generally. Creative Commons is the brainchild of prominent intellectual property legal scholar Lawrence Lessig of Harvard Law School. It is a non-profit organization which offers model language for various copyright licenses that are less restrictive than traditional licenses. The licenses are offered free to the public. If you need to determine when a copyright term ends or if a work has fallen into the public domain, this Cornell University website is a useful guide. Stanford Copyright Renewal Database provides information on the copyright renewal status of books that were published in the United States between the years This time period is unique in copyright law, since earlier works have generally fallen into the public domain, and works published after were given an automatic renewal by the revision of the Copyright Act. The titles covered by the Stanford database required a renewal application to avoid copyright expiration, and the records of these applications were previously difficult to obtain. The guide organizes the records by state of origin, and includes copyright ephemera. This page also has access to the significant laws, regulations, federal opinions, and regulatory organization documents. Trademark Law A trademark is a word, phrase, symbol or design, or a combination thereof, that identifies and distinguishes the source of the goods of one party from those of others. Trademark law is embodied in both state and federal law. The seminal federal trademark law is called the "Lanham Act" codified at 15 U. Regulations for trademarks and trade names start at Title 37 of the C. Protection, Enforcement and Licensing KF Written by a trademark attorney, this highly readable single-volume looseleaf publication is oriented towards attorneys that are new to trademark law. It is a useful reference source for academic research and includes helpful charts, citations to important case law and a table of cases. Kane, *Kane on Trademark Law: From the Practising Law Institute*, this fully updated loose-leaf guide covers the basics of American trademark law from registration through litigation. This treatise is considered the most authoritative source of information about trademark and unfair competition law. Supplemented annually, it covers all aspects of trademark and unfair competition law. Tancs, *Understanding Trademark Law: Westlaw* also contains a useful database on domain disputes that includes dispute decisions from international organizations based on the Uniform Domain Name Dispute Resolution Policy. Of particular use is *Gilson on Trademarks*, which contains in-depth analysis of trademark issues, a section of forms and drafting guides, and a primary source appendix. The Practice Center allows you to focus on trademark litigation, prosecution, and counterfeiting, as well as other topics, and includes research databases and links to books and treatises. This serial is a useful treatise addressing almost any topic in this area. It is updated with a yearly supplement. This multi-volume set focuses on trade secrets litigations while discussing Fifth Amendments and Freedom of Information Act implications.
