1: Diwan Videos - Wikipedia

His major work (The Diwan, from which the poems in this book are taken) is found beside the Koran in the homes of the devout. In the West, Hafiz a contemporary of Dante is admired for his love-poetry; Goethe, among others, acknowledged his influence.

The following advertisements appeared at the end of the original book. They are included for completeness. They desire above all things that, in their humble way, these books shall be the ambassadors of good-will and understanding between East and West—the old world of Thought and the new of Action. In this endeavour, and in their own sphere, they are but followers of the highest example in the land. They are confident that a deeper knowledge of the great ideals and lofty philosophy of Oriental thought may help to a revival of that true spirit of Charity which neither despises nor fears the nations of another creed and colour.
