Some time before , a funerary monument was erected in his memory on the north wall, with a half-effigy of him in the act of writing. Its plaque compares him to Nestor , Socrates , and Virgil. Textual evidence also supports the view that several of the plays were revised by other writers after their original composition. The first recorded works of Shakespeare are Richard III and the three parts of Henry VI , written in the early s during a vogue for historical drama. By William Blake , c. His characters become more complex and tender as he switches deftly between comic and serious scenes, prose and poetry, and achieves the narrative variety of his mature work. Henry Fuseli , –” According to the critic Frank Kermode, "the play-offers neither its good characters nor its audience any relief from its cruelty". Less bleak than the tragedies, these four plays are graver in tone than the comedies of the s, but they end with reconciliation and the forgiveness of potentially tragic errors. Shakespeare in performance It is not clear for which companies Shakespeare wrote his early plays. The title page of the edition of Titus Andronicus reveals that the play had been acted by three different troupes. In Cymbeline, for example, Jupiter descends "in thunder and lightning, sitting upon an eagle: The ghosts fall on their knees. Copper engraving of Shakespeare by Martin Droeshout. It contained 36 texts, including 18 printed for the first time. In the case of King Lear , however, while most modern editions do conflate them, the folio version is so different from the quarto that the Oxford Shakespeare prints them both, arguing that they cannot be conflated without confusion. He dedicated them to Henry Wriothesley, Earl of Southampton. Critics consider that its fine qualities are marred by leaden effects. Scholars are not certain when each of the sonnets was composed, but evidence suggests that Shakespeare wrote sonnets throughout his career for a private readership. It remains unclear if these figures represent real individuals, or if the authorial "I" who addresses them represents Shakespeare himself, though Wordsworth believed that with the sonnets "Shakespeare unlocked his heart". Thou art more lovely and more temperate It is not known whether this was written by Shakespeare himself or by the publisher, Thomas Thorpe , whose initials appear at the foot of the dedication page; nor is it known who Mr. He wrote them in a stylised language that does not always spring naturally from the needs of the characters or the drama. The grand speeches in Titus Andronicus , in the view of some critics, often hold up the action, for example; and the verse in The Two Gentlemen of Verona.
