

1: She Broke Up, I Didn't by Durjoy Datta PDF Download - EBooksCart

She Broke Up, I Didn't! is a novel that takes a nasty dig at relationships, love and fidelity and what it means today. It tackles some of the very uncomfortable questions and tries to put those into perspective.

I just kissed someone else! Reviews Krishna Kumar One of the finest novels I ever read. It is about sex.. So I will say I liked. With mystery in every page Hundred times better than Chetan Bhagat. The ending is really unpredictable and I wholeheartedly appreciate the author at least for giving a different story with boredom of sentiments and masala mix.. It was good in the beginning but got boring and predictable midway and after a while i just did not care what happened next anymore. Its basically the guy meets the girl and then they fall in love and decide to stay together for the rest of their lives against all odds until the guy gets drunk and kisses some other girl twice and this marks the turning or should I say break This was my first book from the author and i had some high expectation seeing the title but sadly it was not the book for me. Its basically the guy meets the girl and then they fall in love and decide to stay together for the rest of their lives against all odds until the guy gets drunk and kisses some other girl twice and this marks the turning or should I say breaking point of their relationship. Too much confusion and therefore chaos comes in the story midway Though the story started on a good note it lost its momentum halfway and i just did not care about the story after a while. The writing was too monotonous and i thought the author was stretching the story too much. Definitely not my kind of book Nisha Bandhopadhyay A hopeless attempt at writing a romantic story!!!! Sujaritha No semblance of sense in any of the pages. Wish we had meaningful books published by Indian authors. Its a shame that publishing houses cannot distinguish the good and worthy books from the rest. Kunal Nayak My feelings towards this book is more than pain. Its really irritating to read a book, from which you are expecting wonders, only to find yourself utterly disappointed. As the name suggests, this book is about the modern Love Stories, supposedly, happening throughout the teenage populace of India. It tells us about a suspicious lad, taking frequent doubts on his girlfriend. The thing i like about this book is Nothing. It fails to convey the message its supposed to, it does not give you a satisfying My feelings towards this book is more than pain. It fails to convey the message its supposed to, it does not give you a satisfying ending, it makes you destroy the wall using your fists, simply because it has no happy ending. So, do NOT waste your time. However, I am tired of seeing recommendations of similar books from GoodReads on my newsfeed, which I have no intention whatsoever of ever picking up. Vidya The time I wasted reading this book is I am never going to get back!!! I wish we had some good writers in India. Sayoni Roy I think Indian fiction is more of a business now. Not a great fan of Indian Fiction anymore. Sorry, but if you want 5 stars, write something which has never been written before. I just wrote something! Anuradha How did I not know about the existence of this glorious work of art?! I mean, look at the title! But no, seriously, how do people come up with such titles?!

SHE BROKE UP I DIDN T BOOK pdf

2: Book And Novel Reviews: She Broke Up, I Didn't! I Just Kissed Someone Else ! By Durjoy Datta !!

Book Summary: Third book in the trilogy "She Broke Up I Didn't" is a sequel by Durjoy Dutta and Maanvi Ahuja after "Of Course I Love you Till I found Someone Else". This Book gives deep insight on love, lust and fidelity.

Durjoy Datta is the author of this incredible novel. Deb is searching for the job in the new city. There are a number of challenges which he is facing to set up his career. He is young and motivated, he has a good portfolio which gives him the edge to crack the job. Deb is called for an interview as the manager of the advertisement organization. The interview went successful and he got the job. In his first day, he meets her assistant Avantika. She is a beautiful, gorgeous and intelligent girl. He did not believe he will get this level of a job with the high protocol. His first attraction with her assistance as well and he feels interested to have a relationship with her assistant. He offered her for the coffee in the restaurant and she agrees to come. Deb is waiting for Avantika and finally, she comes. This was the first day of their friendship then it changes into love. Their affair is well enough to happy so far and they did not set the parameters of love for each other. One night, deb is drunk at the party and he kissed another woman. He apologizes for his mistake and Avantika finally forgive him. Deb thinks, all the things are good after he apologize but the behavior of Avantika is still rude. I Just Kissed Someone Else! Durjoy Datta Publish Date: November 5, Language: Fiction, Humor, Rivalry, Romance Format:

3: She Broke Up, I Didn't! â€“ SpectralHues

Deb is absolutely crazily in love with the stunning Avantika. He can't believe that she is his. Their relationship is going great except for the one time when Deb faltered by breaching her trust.
